

At the end of the battle of death, the poisonous tiger was swallowed by the king's snake

The king snake death battle is large and dangerous venomous copperhead takes place on the front door of a resident in Hendersonville, Tennessee, USA.

The king snake death battle is large and dangerous venomous copperhead takes place on the front door of a resident in Hendersonville, Tennessee, USA.

1. Smart gecko fake dead fool fool escaped spectacular death
2. Going on the wrong road, the rat snake is re-eaten by the tiger with the lord
3. Black face the enemy, the poisonous snake Viper North America must die in a flash

With the size advantage of the opponent many times, the king snake quickly defeated the opponent. At the end of the death war, it slowly devoured the cobra. After just over 4 minutes, the king snake swallowed the entire prey into his stomach.

King snakes have no venom but in return they have immunity to rattlesnake venom, their favorite prey. Without venom to kill prey, this snake chose a more violent way than squeezing its prey until it died and swallowed whole.

Their main food is lizards, hamsters, birds, eggs and even other snakes.
