

Auspicious direction and 3 things of the cavalry on the day of Than Tai on the 10th of January of the year of Dinh Dau

January 10 is the day of the God of Fortune and is a very important day, families who worship God Tai will celebrate to pray for a new year with many talents.

Shen Tai is the god who helps protect wealth, bringing many fortune to be blessed by many Vietnamese families, especially those doing business and trading.

Traditionally, January 10 is the day of the God of Fortune. This is a very important day, families who worship God Tai will celebrate to pray for a new year with many talents.

Good direction to welcome the God of Fortune

The good direction to welcome the God of Fortune will change year by year, not fixed. The Year of the Rooster 2017, the South East is the direction of the God of Fortune that will arrive from January 1 to January 15.

So every family offers Shen Yun to pay attention to the location and direction of the Statue of God to be like the whole year.

3 taboos on the day of worshipping the Genius

In order to demand fortune, families should keep in mind the following taboos to catch the God of Fortune in 2017.

1. Avoid the altar of the God of Fortune near the unclean place

Absolutely do not place the altar of God of Fortune near unclean places like the bathroom door or the area near the trash.

The best location to place the altar of Shen Tai is near the main door, avoiding the entrance and the year of Dinh Dau best direction of the Southeast of the living room.

In front of the altar is an airy space, depending on the area and location, the landlord should set the altar 1, 2, 3, 8 or 9 steps away from the main door.

2. Do not clean the altar

Divine altar should be cleaned cleanly and should be done daily. Before placing on the altar, the Goddess statue must be bathed and cleaned.

3. Ignore the ritual after receiving the God of Fortune

After receiving the God of Fortune, the homeowner must conduct a ritual to walk behind the house 3, 8, 13, 18, 23, 28, 33 or 38 steps depending on the condition of each house.

Families should not ignore this ritual to be lucky, fortune to enter the house all year.
