

# Bad North, Download Bad North, a great strategy game about Vikings, Bad North is free

Bad North is a real-time strategy game with roguelike element, a new product from manufacturer Raw Fury.

Bad North is a real-time strategy game with roguelike element, a new product from manufacturer Raw Fury.

The plot of the game revolves around the fight against the invasion from the Vikings. In the game, you play as a king and control your army against bloodthirsty Viking warriors to protect your people. To win and minimize damage, you must take advantage of everything on the island, applying tactics suitable for each environment.

Bad North has a unique graphic design style, soldiers and the overall layout on the island does not make players feel too stressed in every match.
