

# Basic dangerous errors in Rules of Survival

The basic, seemingly small errors in Rules of Survival can also affect gamers' survival.

In the survival battle of Rules of Survival, there are many dangers surrounding you as soon as we land and go to the loot. You can easily become the prey of any enemy. And of course during the later stages, players must always be careful to preserve their lives.

## 1. Download the Rules of Survival PC game

However, in addition to external influences, the danger from the enemy is that there are many fundamental errors that come from the players themselves that can affect their lives. Although it is only very basic errors, when it comes to the game, the game will become more difficult than ever. So what are the basic errors in Rules of Survival that you should avoid?

1. How to install the Rules Of Survival game on PC
2. How to fix errors hanging game Rules of Survival
3. How to play the Rules Of Survival game on the computer

## 1. Skydive lag

### 1. Jumpy tips in Rules of Survival game

Often skydiving and grounding are the basic techniques to enter the game. But sometimes if you accidentally lag when parachuting, you determine you will die anytime.

At that time, we could not land but still surfed in every terrain in the game and kept flying like that. There is no need for an enemy to destroy it, it is enough for a player to fly through a dangerous area quickly.

## 2. Reveal the hiding position

### 1. How to know the enemy hiding in the house on Rules of Survival

Because the shooting game is alive, the hidden element is always enhanced, especially after the walls, abandoned houses, behind the rocks, . discreet places enough to hide themselves.

But be careful when hiding yourself because we may accidentally reveal our position. This is a very dangerous basic mistake. So when choosing a hiding position do not stand too close because you can reveal your gun barrel, become a sign for the enemy. Pay attention to every direction to move quickly and carefully when you see an enemy.

## 3. Error turning the car in Rules of Survival

1. Types of vehicles move in Rules of Survival
2. What's special about Cano in the Rules of Survival version?

The vehicle system in Rules of Survival is very rich to allow players to flee or attack enemies in times of need. But many gamers reflect while controlling the car occasionally happens to turn over. Of course, then just jump out and flip the car to continue moving your distance, as if nothing had happened.

But be careful when the enemy can attack quickly and quickly.

There are quite a few basic errors in Rules of Survival that lead to bad jokes, errors that make gamers unable to do anything more than leave their lives. Even so, Rules of Survival is still a compelling survival game, isn't it ?!
