

Be overwhelmed by the most luxurious things only available in Dubai

Referring to Dubai - one of the seven states of the UAE, surely some of us will think of wealth and luxury right away?

Referring to **Dubai** - one of the seven states of the UAE, surely some of us will think of **wealth** and **luxury** right **away** ? Being in a strategic position and owning a seaport in the top 10 most important ports in the world, Dubai has become a strong trading center. This country is mostly rich in oil and gas.

In this prosperous land, we can easily see luxury images that are nowhere to be found. It seems that there are only happy people with affluent lives and spending ways that many people are " *startled* " only. Let's TipsMake.com discover what makes the difference and class for this city!

In this sun city, when looking from the bottom up .

Obviously, there is nothing in this famous, rich city without a sense of money, elegance and grandeur.

This is a way to move through the city if you don't want to get stuck in traffic.

If there is a rush, but the car is stuck and cannot be moved? Don't worry, call helicopters to rescue them, they'll hook both the vehicle and the friend quickly to the required location.

Police cars must be Bentley, Lamborghini or at least Ferrari.

The pet here must be different. If in other countries, newspapers or tigers are wild animals that need to be protected and banned from private ownership, then Dubai is the opposite. The standard of playing in Dubai is also " *simple* ": Supercars and pets are wild animals (*leopard / tiger / eagle*).

Recreational sports are camel rides.

There are sports that are nowhere to be found, such as playing jockey with camels instead of horses.

And yet, the poor here are still very good remuneration: The shelves provide free goods at the local supermarket.
