

# Be wary of the 'free' 'ad' share of Spotify Premium accounts so as not to be deceptive

Grasping the general psychology many users want to fully experience the features available on Spotify through a Premium account, many have advertised to share this premium account for bad purposes.

As soon as Spotify, the world's largest streaming music service, is available in Vietnam, it has received a lot of attention from users. Grasping the general psychology many users want to fully experience the features available on Spotify through a Premium account, many have advertised to share this premium account for bad purposes.

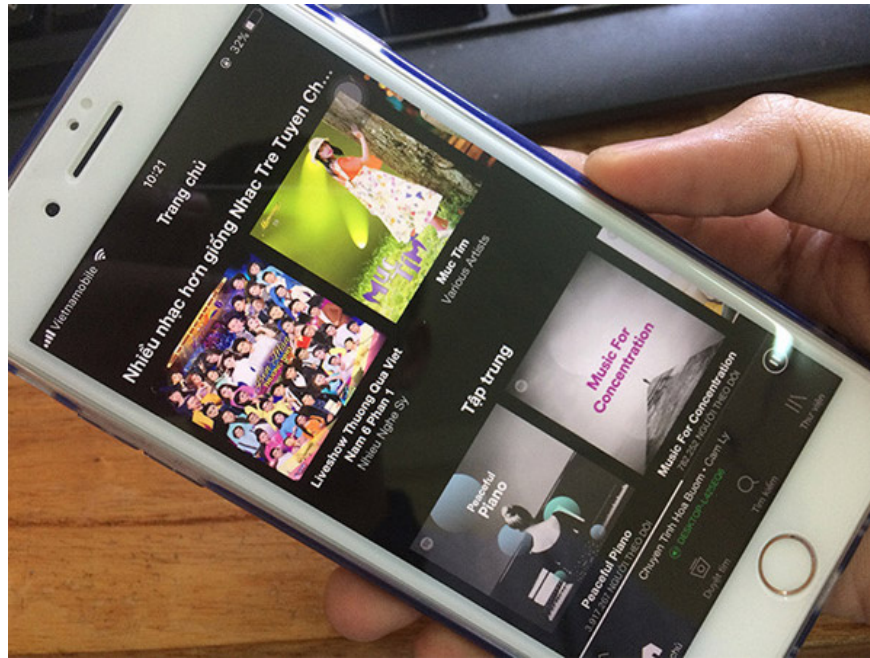

As a guide, to create a free Spotify Premium account, users must install an add-on to their computer browser to log in under the Cookie sharing account.

Postings are available with many Spotify Premium accounts, and for users to download for free, posted on a website.

According to Mr. Ngo Tran Vu, CEO of NTS Security Company, this makes users face the risk of being exploited to increase their views on blog comments on money and fraud, steal information. they are unaware because this is actually a hacker scam.

In addition, there are currently many "advertising" links that invite users to download Spotify's Premium accounts for free. However, this is probably the malicious link of hackers to deceive users.

Currently, Spotify's Premium account price in Vietnam is 59,000 VND / month, nearly 4 times cheaper than the price in the US. 9.99 USD / month.
