

Black Myth: Wukong Wins Big With a Series of Titles on Steam

The Steam Award Winners 2024 results have been announced, with Black Myth Wukong taking the top prize – Game of the Year.

The Steam Award Winners 2024, the annual event honoring the best games on the Steam platform, has officially ended with many interesting surprises.

Black Myth: Wukong wins major awards on Steam.

As expected, Black Myth: Wukong swept many categories, including the most prestigious award - Game of The Year. This action role-playing game inspired by Journey to the West has made a strong impression on the gaming community thanks to its beautiful graphics, attractive gameplay and captivating storyline.

Some other notable results:

- VR Game of the Year: Metro Awakening VR
- Favorite game: Elden Ring
- Best Game on Steam Deck: Hades II
- Best game to play with friends: Palworld
- Best Visual Style: Silent Hill 2

- Most Innovative Gameplay: Helldivers II
- Worst game you played: Black Myth: Wukong
- Best Soundtrack: Red Dead Redemption
- Game with the best story: Black Myth: Wukong
- Best Relaxing Game: TCG Card Shop Simulator

Despite being highly rated and receiving many nominations, Balatro did not win any awards at the Steam Awards 2024. However, the game has achieved success at other award ceremonies, such as The Game Awards.

The Steam Awards 2024 results once again confirm the diversity and attractiveness of the gaming market throughout the past year and the coming time.
