

Call of Duty Mobile officially became the most popular mobile game today

Call of Duty Mobile has officially become the most played mobile game in the world today.

PUBG Mobile has been dominating for a long time on the ranking of the world's most popular mobile games. However, recently this game has been overtaken by Call of Duty Mobile, according to a report of Ranker.com based on user votes.

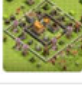

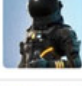

Call of Duty Mobile has officially become the most played mobile game in the world today.

Right in the first month of release, Call of Duty: Mobile has reached more than 100 million downloads, four times higher than both PUBG Mobile and Fortnite Mobile and became the most downloaded mobile game in history.

In Vietnam, Call of Duty: Mobile has become a 'hot' topic on newspapers, social networks and forums for a long time.

Compared to PUBG Mobile, Call of Duty Mobile is rated by gamers and experts for better graphics, smoother graphics, more maps and more gameplay elements to play. Call of Duty: Mobile is also very smooth when running on weakly configured smartphones.
