This is a question that many users care about.

Can I delete my Zalo account?

Many people ask the question, after deleting the Zalo account, can it be restored? The answer is yes, but after deleting the Zalo account you have to wait 48 hours before the new account is completely deleted and then you can re-register your Zalo account with that phone number. In case, it has been over 48 hours but you still cannot register, try to wait for a while and then register again.

Note, when registering again, related data such as friends list, diary, previous messages will be lost. You can only recover your username and display name. Therefore, think carefully before attempting to delete Zalo account.

You can completely re-register your Zalo account after it has been deleted.

With the above detailed answers, did you have your answer on this issue? If you encounter any difficulties in recovering your Zalo account, readers can contact directly Zalo 1900 561 558 for assistance.
