Letter Fridge is a word puzzle game but it is fun and easy to play for all ages. You will start with a number of different letters on the refrigerator. In one minute you have to make as many words as you can with those letters, then compare to see who can make more words.

When playing outside of iMessage, you will have different levels, pass each level by solving crossword with given letters.

If you love billiards, you should not miss this game. And if your friend is also a billiards addict, it is great because you two can play right on iMessage. Before starting the match, you can use this app normally on your iPhone or iPad to practice.

If you don't want to play one-on-one, you can join an eight-player tournament. While playing, you can earn coins to buy unique beer balls.

Even the typical single-player bubble shooter becomes a battle royale in Bubble Witch Saga. In the iMessage version, you try to collect as many points as possible by shooting as many bubbles of the same color as possible. Other people will then try to beat your score. When not playing via iMessage, the game has hundreds of different levels for you to try.
