OPPO Reno3 with three color options inspired by nature.

Specifically, in the 'hot sale' period from May 9 to 31, each OPPO Reno3 will be given a stylish bluetooth speaker, a unique unique limited edition case from renowned designer Prof . Jimmy Choo, OBE (Order of British Empire). And yet, OPPO also offers an immediate discount of 500,000 VND (deducted from the price) and the 0% interest installment purchase program.

Talking about the bundled bluetooth speaker, it is IPX6 waterproof waterproof Tekin X7 speaker. This speaker has many features that make it a unique accessory for owners to take with them on every picnic, such as its compact design and resistance to scratches, bumps, strong bass and 'big batteries'. '3,000mAh for 10 hours of continuous use. Via bluetooth connection, the speaker can connect wirelessly at a maximum distance of 10m.

Speaker Tekin X7 comes with OPPO Reno3.

The special edition case on OPPO Reno3 is a combination of OPPO and designer Prof. Jimmy Choo, OBE is famous in the world for its fascinating fashion collections. The case is inspired by the lotus image, which is a product only available to Vietnamese people. Through these cases, OPPO Reno3 has become more and more prominent among owners when coming to the streets.

The back cover bears the impression of designer Prof. Jimmy Choo OBE.

) In addition to the above technology accessories, the discount of 500,000 VND and the option of 0% interest installment payment are extremely significant at the moment. In the midst of the COVID-19 pandemic affecting the global economy, consumers are tightening spending, besides good products and incentives as mentioned above in Vietnam, promising to bring OPPO Reno3 closer to users. than.

OPPO Reno3 stands out with a slim, compact, and slim design than its predecessor. The machine has a back made in three different color versions inspired by nature, including Black Pearl, White Snow Flower and Blue Rose. Blending it all, it is no exaggeration to say that Reno3 is a technology product geared towards perfect artistic beauty.

OPPO Reno3 has raised the level of 'selfie expert' with 44M night selfie camera.

In the past, OPPO smartphones were often dubbed the 'selfie expert'. Now, OPPO Reno3 takes it to the next level of 'professional-level selfies', as it comes with a 44MP front camera and Ultra Dark Mode. Along with the ability to beautify photos taken with artificial intelligence (AI), Reno3 will definitely help owners with a collection of million likes on social networks.

On the back, Reno3 has a cluster of four 48MP cameras (main camera) + 13MP (telephoto camera) + 8MP (wide-angle camera) + 2MP (monochrome camera). In addition to ultra-dark technology like the front camera, it also incorporates the Ultra Clear Image feature with the algorithm of gathering multiple frames into one to create vivid and ultra-high-definition images up to 108MP.

In addition, OPPO Reno3 still inherits the features that have been very successful on its predecessors with many new updates. Such as VOOC 3.0 fast charging, Helio P90 octa-core processor and ColorOS 7 operating system customized based on Android 10 platform and many other interesting experiences.

OPPO Reno3 - 'Professional-class selfie expert' is priced at VND 8,990,000, starting on May 9, 2020. The smartphone has a trendy slim design with a 44MP front camera, updated with Ultra Dark Mode, which helps to keep extremely stylish night selfies.

Especially, from May 9 to May 31, OPPO Reno3 buyers also receive gift packages worth up to VND 1,290,000 including: special edition case covers designed by 'Asian fashion monument' Prof . Jimmy Cho OBE (Order of British Empire); stylish bluetooth speakers; donate immediately VND 500,000 (deducting from the selling price); 0% installment plan.
