

Chill wallpapers for computers, chill PC wallpapers

If you want to choose a list of chill wallpapers for your computer along with your lofi music playlist, try the chill wallpaper collection below.

What does "chill" mean ? "Chill" has several different meanings. Typically, it's used as an adjective, verb, or noun meaning cold or aloof. However, on social media, "chill" is now used as slang for "very relaxed or easygoing," meaning very relaxed, comfortable, or easygoing.

Additionally, "chill" is used in many other ways, such as "chill out," which is similar to "calm down" (to be calm). Or "I'm chillin'" is similar to "I'm relaxing," meaning to be relaxed and at ease.

The meaning of "chill" can also become one of the categories for **computer** or **phone wallpapers** . If you want to choose a list of chill wallpapers for your computer along with your lofi music playlist, try the chill wallpaper collection below.

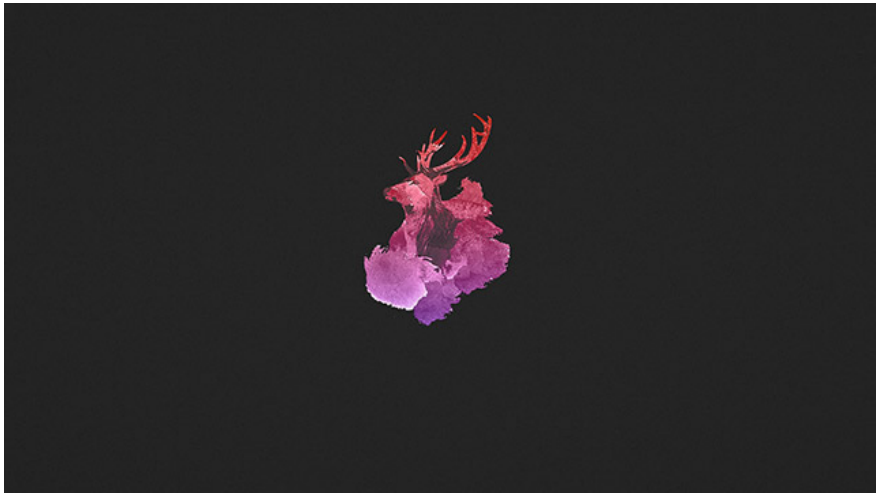

Chill computer wallpaper, chill wallpaper
