

Choose a tree you like best to know what needs to change in the new year 2018

Join us in a psychological test: Choose a tree you like best to know what to change in the new year 2018!

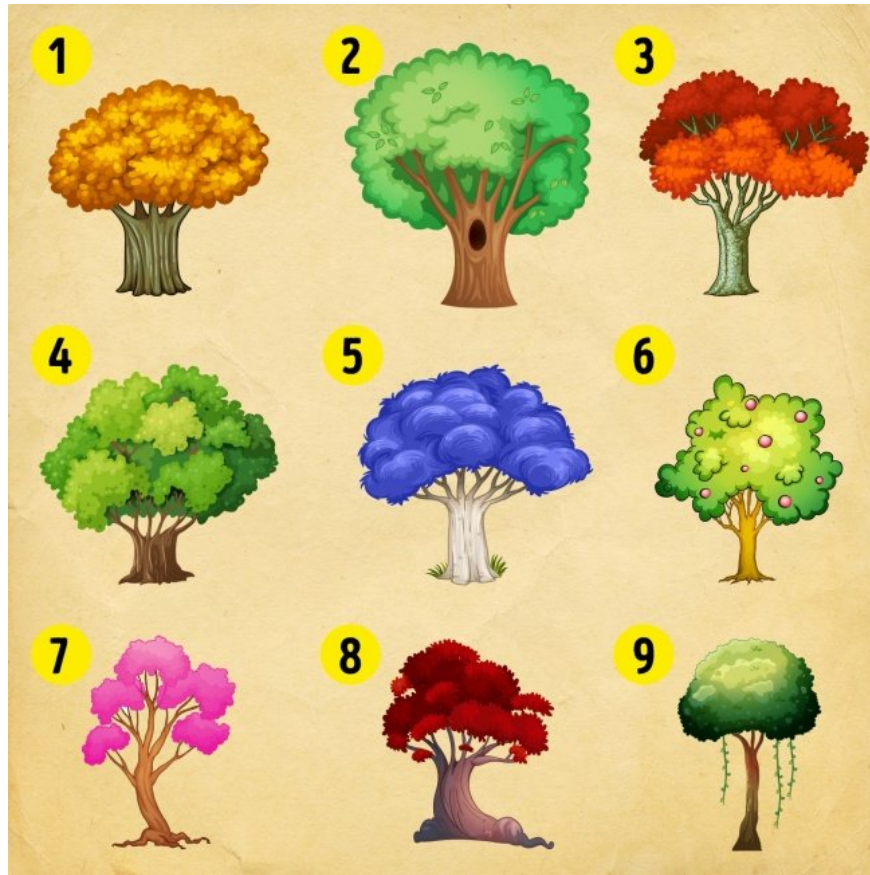

Join us in a psychological test: Choose a tree you like best to know what to change in the new year 2018!

1. Funny science: What flavor does your favorite coffee reveal about you?
2. What type of bag do you usually wear? That will reveal the personality inside you
3. Accurately predict marriage with love affair on both hands

Most people like to do psychological tests. Some people do such tests to verify something, others want to know something more or use it to find inspiration for what they need to do.

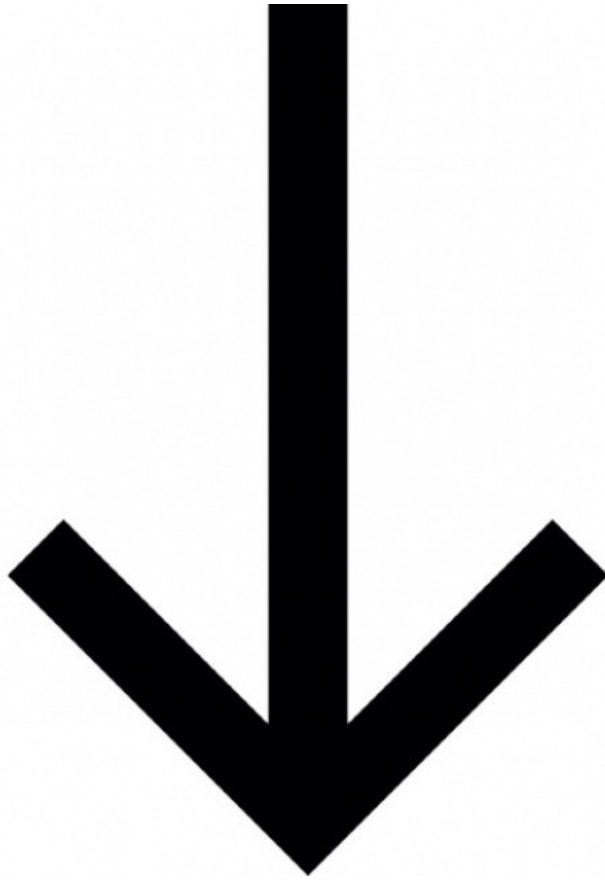

Understanding this, we have prepared a **test based on color psychology** . They may reveal something new to you. In addition, the results will reflect the potential wishes and changes you need to make in the new year.

Take a look at this photo and choose the one you love the most:

Have you chosen Please read the results below:

1. Oak tree

© depositphotos

You can say you are an **optimistic person** in every situation. For you, life is a big adventure full of surprises.

In the New Year of 2018, interesting and important events will come because you know how to expand new relationships and be ready to change. You will not have to feel restrained or limited by circumstances. You will have a lot of passion for new achievements and one of them will bring many interesting surprises for you.

2. Larch tree

© depositphotos

Perhaps you are a **fairly independent** person. There are no restrictions that can hinder your chosen path.

Your artistic ability will help you earn more income in the new year. You really do not need to try to work too hard to achieve success at work: all you need to do is follow your own principles and views, what you want will soon become realistic.

3. Maple tree

© depositphotos

Perhaps you are a **sensitive person** . You often spend more time than others to think about yourself and the world around you.

In the new year, there will be a person who appears in your life with you to build a harmonious romantic relationship. Although you are a self-sufficient person and rarely feel bored, your life will become more brilliant if you dare to risk it.

4. Poplars

© depositphotos

You can say you are a very **practical and sophisticated person** . People often feel comfortable with you because you are truly reliable.

Although you are strong, sometimes you don't like others seeing your weaknesses. This is why you often have trouble trying to create relationships with the opposite sex. However, in this new year 2018, good things will come to you. In the near future, you will meet someone who appreciates your kindness, not taking advantage of them.

5. Sim tree

© depositphotos

You can be a **confident person** . Everything in life is under your control, you never hope for luck but only fully believe in your own abilities.

You never postpone anything, you just feel satisfied after completing something. People around you love your strong personality. Thanks to perseverance and responsibility, in the new year you will be promoted, which is truly a fruitful result after all your efforts.

6. Plum tree

© depositphotos

You are a **gentle and rational person** . You like to spend time with friends, but also like to have your own space.

Sometimes, you often take the time to think about the meaning of life and the outside world. In the new year, an important event will come to you, you will meet your target audience.

7. Lettuce

© depositphotos

You are a **confident and sensitive** person that people can trust. Sensitivity always helps you understand what is really important to yourself.

8. Chestnut tree

© depositphotos

People often think that you are a **dreamer and romantic** . You don't want to do things rationally.

The senses often tell you what is most important. You will stop communicating with people who don't appreciate emotion and only act on reason. In the future, you will come closer to a special person. This person also has dreams, ambitions like you and more importantly, they do not limit how you express your feelings and emotions.

9. Willow tree

© depositphotos

You are an **extrovert** . You like to take risks and take responsibility to exchange for interesting jobs.

Tired of daily repetitive tasks, you are waiting for an opportunity to advance in upcoming events. Thanks to the dynamics, the changes will help you get the position you expect.

1. Funny test: Are you an extrovert or introvert?

What does your choice mean?

The tree you selected will reveal how you treat yourself and the changes you think are necessary in life. Choosing the most favorite tree can also describe the hidden part of your personality, something that you don't know but those around you can recognize.
