

## Choose flowers to give your lover, girlfriend on the occasion of October 20

Let's learn about the symbolic meaning of each flower and their color to make a choice suitable for each case.

Flowers are always a special gift loved by all women. Each flower has a special message, meaning that no gift can replace. But choosing what kind of flowers to donate half of the world on Vietnamese Women's Day 20 - 10 is always a concern for men.

Let's learn about the symbolic meaning of each flower and their color to make a choice suitable for each case.

### **rose**

Since ancient times, roses have been flowers that symbolize love. But each flower color contains different meanings and messages.

1. Light pink flowers: convey the message that no one can replace your place in your heart.
2. Prickly roses: expressing love from the first eye, wanting to spend life together.
3. White rose: represents innocence, innocence, expresses a silent, discreet love but also extremely intense.

## **tulips**

This flower represents a perfect love and passion.

1. Red tulips: is an affirmation of your love for that person.
2. Purple tulip: showing sincerity in love.
3. Cream-colored tulips: "I will love you forever" statement.

## **Carnation**

Carnations bring a fragile, gentle but very beautiful beauty so this flower is chosen to show the beauty and love of women. Give her this flower to show her admiration and her sacred love.

## **White lilies**

White lilies represent the daughter of a pure soul. This flower is the ideal choice to convey the message: "Being with you is the greatest happiness of my life".

## **Lily**

With pure white, sweet beauty, this flower carries the meaning of return and happiness. Giving her this flower, he sent a sincere promise in love.

## Orchid

Give her orchids help you send her words to express a sincere, rustic and noble love. "Be the brother of the present and forever", please include this statement when giving this. Surely every girl is very happy to receive this meaningful gift.
