

Coc Coc adds the Torrent file download feature

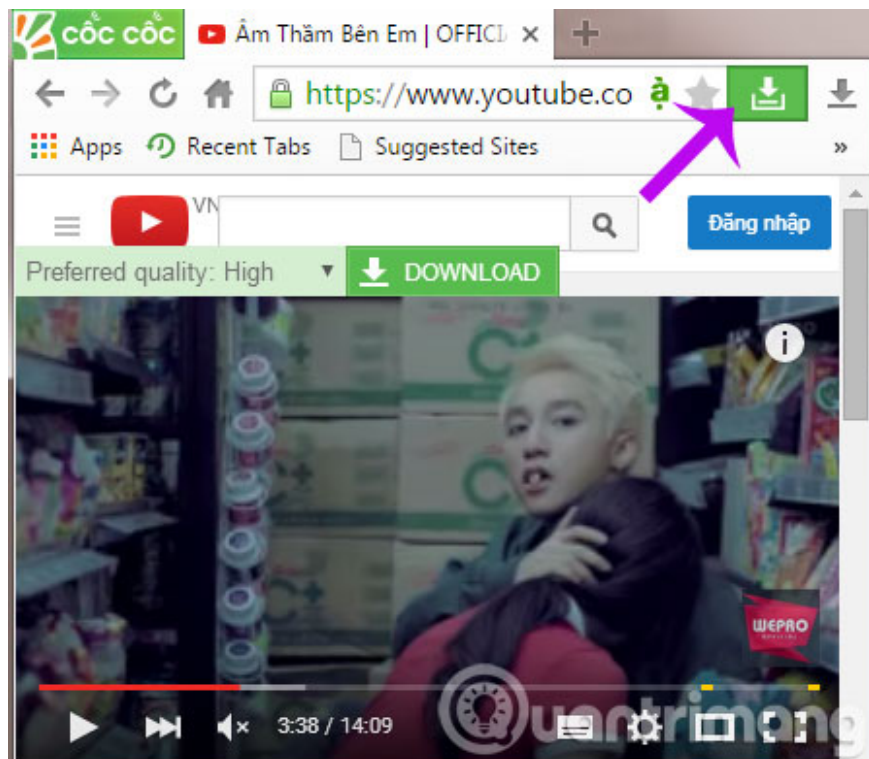

Coc Coc browser, developed by Vietnamese engineers - provides a lot of attractive features, aiming at the needs of Vietnamese people like downloading YouTube videos, Zing, Nhaccuatui ... blocked Facebook access, increasing speed download files 8 times faster than normal, automatically add Vietnamese accents, look up dictionaries right on the website.

Coc Coc browser, developed by Vietnamese engineers - provides a lot of attractive features, aiming at the needs of Vietnamese people like downloading YouTube videos, Zing, Nhaccuatui . blocked Facebook access, increasing speed download files 8 times faster than normal, automatically add Vietnamese accents, look up dictionaries right on the website.

When using Coc Coc, you will no longer have to use third-party software such as **Ultrasurf** , **Hotspot Shield Free** or edit DNS with complicated but impartial actions to surf **Facebook** , Twitter, Tumblr and many other pages. Other blocked web. It saves a lot of time and effort and you won't have to endure the slow surfing experience that apps like Ultrasurf cause. This feature will be really useful for users who have a clear sense of blocked site they will visit.

As you know, YouTube blocked IDM from downloading video links. If you want to download videos, you must install additional software like **YTD Video Downloader** . On Zing, you will have to register an account or go through cumbersome loading steps. This situation is similar on other music and video sharing sites.

With Coc Coc, downloading music and videos will become extremely easy and Savior is the main factor that helps Coc Coc do this. With the ability to quickly detect files that can be downloaded quickly, automatically catch strong links, provide users with different options before downloading, Savior has strengthened Coc Coc. Moreover, Coc Coc's download speed can be 8 times faster (depending on the transmission line, bandwidth limit) thanks to parallel multi-threaded loading mechanism like **IDM** . With just one click, your video has started downloading.

Recently, Coc Coc also integrated download torrent specialized in downloading movie files, games, large capacity software with fast speed. Just click on "**download torrent**" or "**download magnet link**" as Coc Coc will automatically download the file to your computer, reducing it by half compared to regular torrent software.
