How to enter Brainrot Evolution code

To enter the redemption code in Brainrot Evolution, you just need to follow these instructions:

1. **Step 1:** Open Roblox and select Brainrot Evolution from the game list.
2. **Step 2:** In the main menu, click on the shop icon on the left side of the screen.
3. **Step 3:** Select the 'Code' icon next to the text entry box.
4. **Step 4:** Copy and paste the code from the list above or type it in manually exactly character by character.
5. **Step 5:** Click Verify — the reward will be automatically deposited into your account.

Tips for players

1. Codes are often released during special events like Halloween, major updates, or developer livestreams.
2. Please check back often as new code may appear unexpectedly.
3. Don't forget to join the weekend event to get more free Crates and EXP!

Brainrot Evolution is one of the outstanding Roblox games with unique fighting style, character evolution ability and extremely interesting brain upgrade system.

Don't miss the opportunity to enter the code as soon as possible to upgrade your power and lead the leaderboard today!
