How to get more giftcode in Football Arena

To get more giftcodes in Football Arena, players can apply the following methods:

1. **Follow the official fanpage and community group:** The game's media channels regularly release giftcodes on special occasions such as new version launches, like milestones, game birthdays, or weekly events.
2. **Participate in in-game events:** Activities such as daily logins, seasonal events (Tet, Christmas, Euro, World Cup.) often come with giftcode rewards for active players.
3. **Youtuber/Streamer:** Some giftcodes are distributed exclusively during livestreams or through authorized content creators.
4. **Search from reputable gaming newspapers and news sites:** Some gaming news sites may be provided with their own giftcodes by the publisher, usually in limited quantity.
5. **Invite friends or join a new player referral program:** Some games may give gift codes when players refer friends to join the game.

Common reasons why players cannot redeem giftcodes

If you enter a giftcode but do not receive the reward, it may fall into one of the following cases:

1. **Giftcode đã hết hạn sử dụng:** Mã giftcode của bạn có thể đã hết hạn sử dụng, hoặc đã được sử dụng hết. Khi quá hạn, mã sẽ không còn hiệu lực.
2. **Giftcode đã bị sử dụng:** Mã giftcode chỉ được sử dụng một lần. Nếu mã đã được sử dụng, dù còn hạn.
3. **Ngõ vào sai mã:** Nhập sai ký tự (chữ hoa, chữ thường, số, dấu gạch dưới, khoảng trắng, hoặc copy-paste lỗi) hoặc có khoảng trắng, hoặc copy-paste lỗi. Bạn có thể kiểm tra lại mã.
4. **Tài khoản đã sử dụng mã trước đó:** Mỗi tài khoản chỉ được sử dụng mã giftcode một lần. Nếu bạn đã sử dụng mã trước đó, mã sẽ không thể sử dụng được nữa.
5. **Giftcode không áp dụng cho khu vực hoặc server hiện tại:** Mã giftcode chỉ có hiệu lực tại các server cụ thể (ví dụ: chỉ dùng cho Việt Nam hoặc chỉ cho server quốc tế). Nhập sai khu vực sẽ không nhận được phần thưởng.
6. **Số lượng giftcode đã hết:** Mã giftcode chỉ có thể sử dụng một lần. Nếu mã giftcode đã hết, bạn có thể kiểm tra lại mã.
