## Why is the code for Danh Tuong 3Q failing to enter?

Often, the reason why gift codes cannot be redeemed is because the code has expired. When new codes are released, the game publisher only announces the game code but doesn't specify its expiration date. Therefore, players have no choice but to enter the code to find out if it has expired.

Additionally, if you are unable to redeem the gift code, it may be because you did not enter the code characters correctly. If you cannot copy the code from the code table above, please enter the code characters accurately; the redemption system will distinguish between uppercase and lowercase letters, numbers, and even special characters.

## Why should I get the Danh Tuong 3Q code?

The rewards in gift codes, both event gift codes and codes given by the publisher to gamers, will support not only new players but also long-time players. They will help players save a lot of time as they only need to enter a code instead of having to painstakingly "grind" to get them.

## What do the Codes for Danh Tuong 3Q usually include?

The rewards in 3Q Legendary Generals include various currencies such as silver, gold ingots, and many other items such as general chests, equipment chests, experience-boosting items, general power breakthrough scrolls, golden keys, etc.
