How to enter Play Together VNG code

Enter via the Play Together VNG link

You just need to access the link to enter the Play Together VNG code below. Log in to your Play Together VNG account, select a character and enter one of the codes above, then enter the confirmation code and select Receive Gift.

Link to enter code Play Together VNG

The screenshot shows the 'Play Together VNG' interface. At the top left, it says 'Play Together VNG' with download, home, and Facebook icons on the right. Below this are two buttons: 'Nhập code' (orange) and 'Danh sách sự kiện' (white). There are two dropdown menus: the first is labeled 'Máy chủ 1' and the second is 'Quantrimang06'. Below these is a 'Giftcode' input field with a red border, and a 'Mã xác nhận' (verification code) input field. To the right of the 'Giftcode' field is a button labeled 'Danh sách code khả dụng'. At the bottom is a large orange button labeled 'Nhận quà'. A watermark for 'Quantimeng' is visible in the center of the interface.

Enter the international Play Together code

Please download Play Together to your device and play, then access the Play Together code input link below to go directly to the Play Together code input page. Enter one of the coupon codes above and click OK, then click **Open** .

Step 2: You will then receive a notification that the Gift has been sent to your mailbox when entering the game.

Step 3: And the reward will appear in your mailbox. Check to claim your rewards and click Claim.

Missions in Play Together can help you gain money and items included in the mission. And it can also let you gain diamonds according to activity milestones in the game.

When you have money, you can buy pets, or buy furniture to decorate your house. In addition to doing tasks, you can receive rewards with codes, also known as coupons. Below is the latest Play Together code and how to enter it.

Because Play Together on iOS does not have a code input button, players still have to enter Haegin's own Play Together code input link. Let's wait in the next updates to see if Haegin will update this feature for Play Together iOS.

How to enter Play Together Android coupon code

Download Play Together for Android

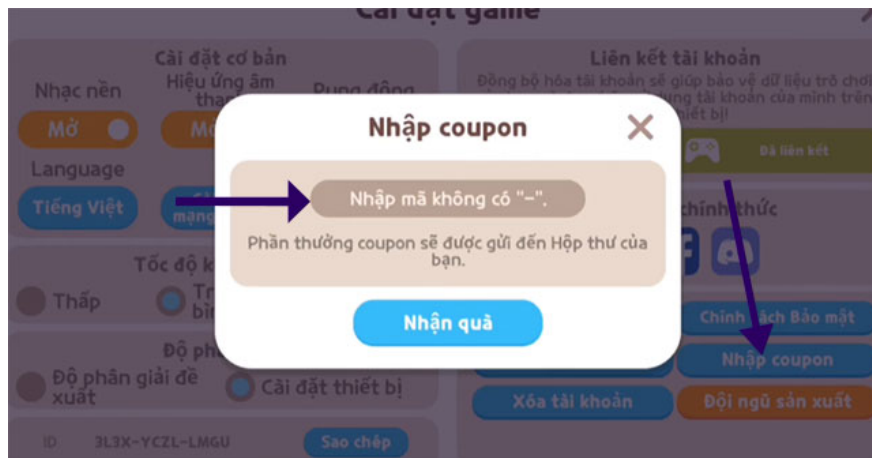

Step 1: In the Play Together Android interface, select the smartphone icon.

Select **Settings** .

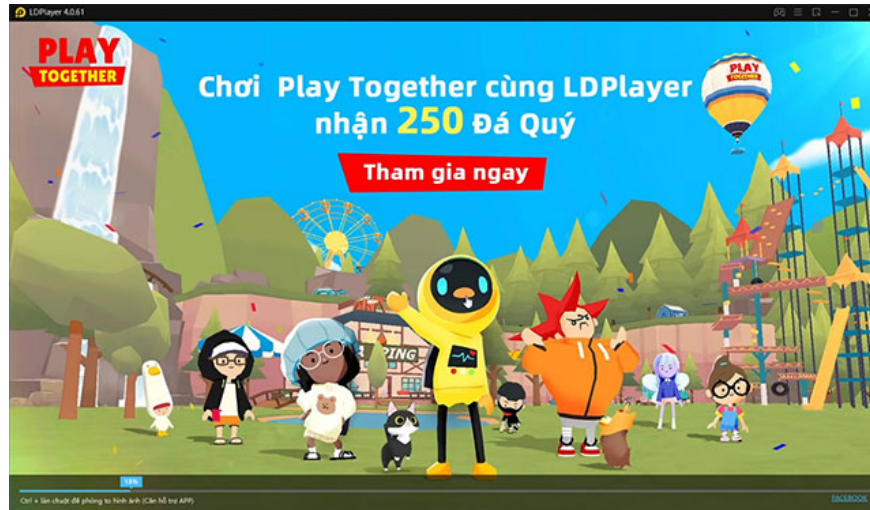

Select Enter Coupon and enter one of the codes above then select Receive Gift.

This way, you will receive support gifts right from the beginning of the game. Includes clothes, hairstyles, gems and star coins. Those things will provide additional support for new players.

Link to enter Play Together code on computer

Entering Play Together code on computer is similar to entering Play Together code on Android, because most players will use Android emulators to play Play Together on PC. So entering the Play Together code on a computer is exactly the same as entering the code on Android.

Where to get more Play Together codes?

1. **Play Together Fanpage:** Play Together's official fanpage regularly updates the latest codes. You can follow this fanpage to update the latest Play Together gift codes, in addition there will also be information about events that the game developer launches for players to participate and receive codes.
2. **Play Together's homepage:** This is also the information page that will regularly update the latest giftcodes. There you will have information about game updates as well as giftcodes and game developer events.
3. **Information pages about Play Together:** Not only the main website of Play Together, players can follow other information pages of Play Together, mainly on Fanpage or Group. Maybe when you follow these pages, you will receive information from many streams, not just the Fanpage or the official Play Together homepage.
4. **Streamer, Youtuber:** Some streamers and YouTubers often give away codes and also update the latest codes for their viewers. So in addition to fun gaming videos, you can also see videos where they introduce the game developers' latest giftcodes.

Can't enter the Play Together code?

Like many other mobile games, you may receive a notification that the code cannot be redeemed in Play Together. When you receive a message like this, the code you entered may have expired, or you may have entered that code before. Then you will receive a notification that you cannot change the code.

The game publisher releases Play Together codes with a period of use for them. And usually, from the time the game was launched until now, the Play Together game code usually has a fairly short usage time.

What can Code Play Together redeem?

1. **Star Coins:** Star Coins are the main currency in the game, used to purchase items in the store. This is the most visible reward when players exchange giftcodes for rewards.
2. **Diamonds:** Diamonds are the currency that everyone wants in Play Together, this is the universal currency in Play Together. You can use diamonds to buy many items and use many services in the game.
3. **Clothing and accessories:** These items can be used to decorate your home. There are also costumes that you can use on your character.

What is Play Together?

Play Together is a social simulation game developed by developer Haegin. In the game, players can create and customize their character, explore the open virtual world, meet and interact with other players.

The game allows players to participate in social activities such as playing with friends, chatting, fishing, designing and decorating houses, participating in events and many other entertainment activities if desired.

The game is available on mobile platforms, including Android and iOS, and players can download and install it from their phone's respective app store.
