Tam Quoc Phan Cong is an idle strategy game that will be released by VNGGames in the near future in Vietnam, bringing a new experience to fans of strategy and card collecting. The game is developed with the familiar 3Q theme but expressed through a cute chibi style, creating a colorful and interesting playing space.

In Tam Quoc Phoi Cong, players will recruit famous generals from the Three Kingdoms period, build a team of 5 generals and participate in tactical battles. The generals are divided into 5 factions with the ability to counter each other, helping to create a deep and challenging strategic system. Players can overcome levels to collect resources, open treasure chests and recruit new generals.

Tam Quoc Phan Cong has an idle feature, allowing strategists to continuously collect resources even when offline, providing convenience and no time pressure. In addition, Tam Quoc Phan Cong also has PvE and PvP modes, where you can participate in activities, arenas and challenge other players to climb the rankings.

With cute chibi Q-style graphics and vivid sound effects, the game promises to be a great choice for those who love idle strategy games. Don't forget to visit the article every day, enter the new Tam Quoc Phan Cong code regularly to get free rewards.

If you are a fan of strategy games like Tam Quoc Phan Cong VNG, you certainly cannot ignore Tien Len Alita - a new strategy game from NPH Soha. Both possess attractive and interesting elements, do not forget to use **Code Tien Len Alita** to have the ultimate gaming experience.
