Secret car of GTA Vice City

Car name

How to get

BP / DP / EP / FP / PP Admiral

This car is bulletproof, impact resistant, explosion-proof, fire-proof and has a puncture-proof tire. To obtain this vehicle, you must steal it from Diaz during the Guardian Angels mission. To do this, shoot all Haitians and allow one to escape. Diaz will leave the car door unlocked for you to enter. There is another variant of this car with locked doors. During the same mission Guardian Angels, shoot all Haitians and then shoot Diaz in the head as he sits in the car.

Romero's Hearse

To get this car, you have to shoot continuously to make the driver run but don't blow up the car. Players can find this car in the garage. This is done in Avery's Two Bit Hit mission.

Love Fist Limo

This limo is available in Love Fist missions, complete the quest and you will get the limo.

Spand Express

This truck is available in Jury Fury missions and can be stolen after crashing into a vehicle in the mission.

BP / FP / EP Saber Turbo

The bulletproof, fireproof and explosion-proof Saber Turbo car is available in the Malibu The Driver mission. There are many ways to get this car, but the most popular is to end the race beside the Saber Turbo. The driver, Hilary, will disappear and the car can be pushed back to the garage to unlock the door.

FP / PP / LD Banshee, Cheetah and Infernus

Banshee's fireproof, puncture-resistant tires and locked door versions are available in *Terminal Velocity* missions as well as all street races. To get this car, you have to complete the race next to Banshee, then shoot at the driver to force him to flee. This method is also made to take the Cheetah and Infernus cars.
