

# Collection of photos of our regime is not her level

Originating from the title of the song 'I don't like her', many people have created and created extremely funny humor.

The 'feverishness of the floor of the old man' has not been 'cooled' yet, so the network community has once again been dislodged with a new trend called 'I am not a girl.'

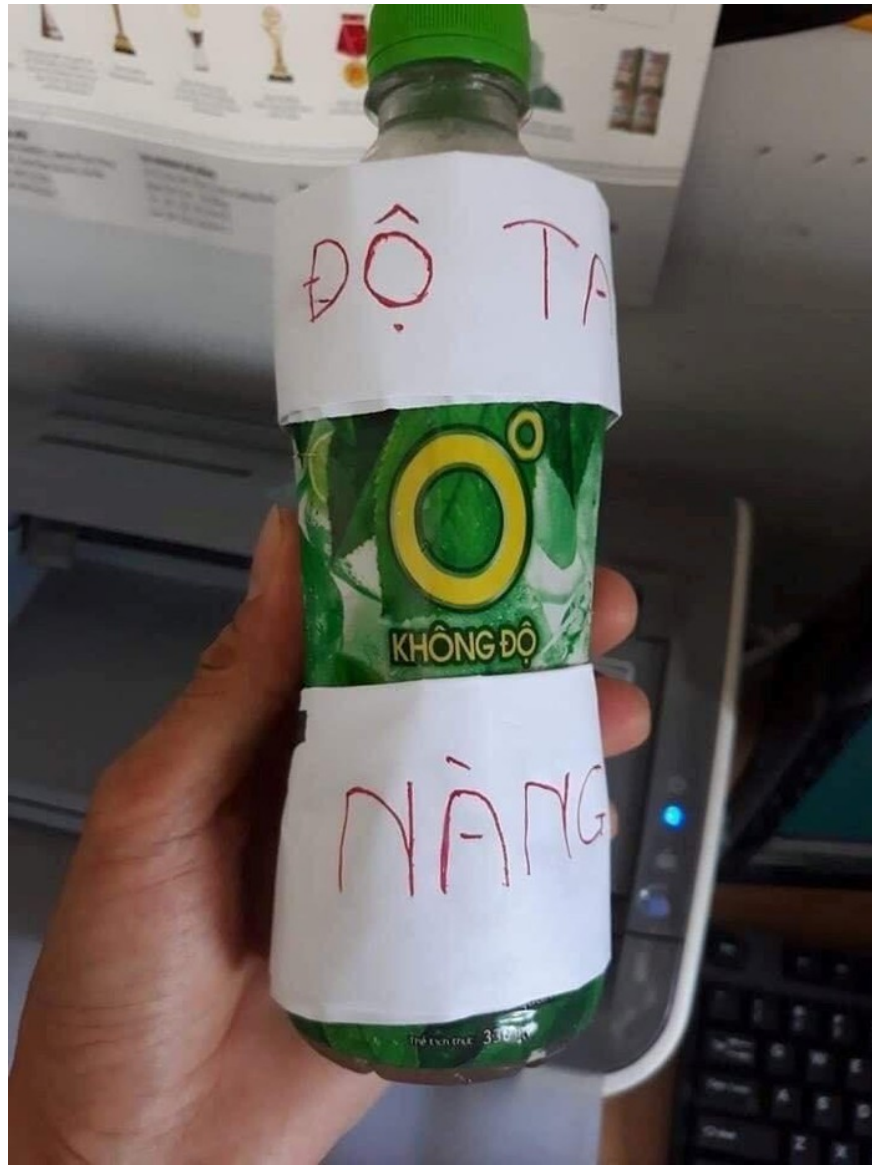

Only after a period of time appeared, 'I am not a girl,' has created a fever for Vietnamese youth, immediately there are dozens of copies on the internet 'I don't like her' shared by netizens. 'Stupid' obsessed with anyone when surfing the web or watching youtube.

Originating from the title of the song 'I don't like her', many people have created and created extremely funny humor. Please follow the pictures below to relax.

## 1. My Facebook cover photo is not her degree

Appearing with dense frequency in the past days, it can be seen, "our degree is not her" has been and continues to cause storms, and become a very hot trend on the current social media!

A brand of drinking water is very normal but suddenly floats like alcohol thanks to the song "I don't like her"

The players in the Vietnamese team are also allowed to make a photo of "I don't like her". The two characters in this fabrication are goalkeeper Van Lam and Cong Phuong. This photo wants to talk about the King's Cup final match with Curacao last time when Cong Phuong broke down in the penalty shootout.

For those who love cars, surely will like this mechanism "rather than the car, not her". She doesn't have a lover like that, so don't be sad. Then there will be a degree for her.

After the debut, "I don't have her", immediately creates a devastating storm across all fronts.

"My degree is not her" new slogan of young people

Min's song was also renamed to match the "I don't like her" trend.

To "Bao Ng?u" in the Judge must also "follow" the degree of My degree not to her.

The monks were happy to face when the Buddha Dharma was noticed by many people through the hit level I did not measure her.

My degree was not so much that she heard so much that she had ruptured the eardrum.

# Độ ta không độ nàng
