

Collection of the most commonly used but useless objects in the world

Below is a collection of the most common but useless objects in the world by the Greek art creative artist Katerina Kamprani. Invite you to watch!

1. Die laughing with super funny photo editing thanks to "saint troll photoshop"
2. Watch 20+ "most charming" beard win the World Beard And Mustache 2017!
3. 25+ clever creative children startle everyone

The collection of " *The Uncomfortable - Unbearable* " quite crazy but also creative ideas of the Greek art creator **Katerina Kamprani** about everyday objects.

Most product designers often try to create the most useful objects possible to improve productivity, make work and life more comfortable. However, Kamprani here is completely opposite, she tries to discover the best way to annoy people with her creativity - fix everything not in the direction of improvement but . reform.

Instead of making everything more useful, **Katerina redesigned everything that inhibited style for viewers right from the first glance** . Invite you to watch!

1. The double cup is useless

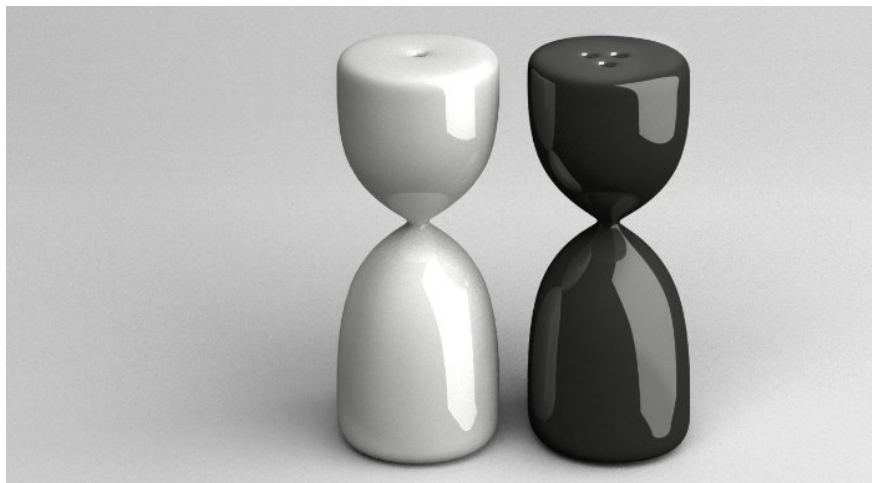

2. Her creations always give the wrong feeling to those who admire it.

3. What kind of food is this thick plate like?

4. Vials of pepper and weird salt

5. Have you ever seen a cup like this? Drink it right?

6. Tea kettle

7. The concrete umbrella is not a medium form!

8. The door of 3 cells is unique. Just looking at it was uncomfortable like this, I don't know how much it will be until I see it firsthand.

9. Do not drink alone, drinking is a substance. It is these things that have made the project successful "*uncomfortable*".

10. What kind of disk does this disk hold? For decoration or to eat?

11. Ventilation door handle

12. What kind of seat is that?

13. What is the cutting knife?
