

Coloring pages for kids with many themes

There are many coloring page themes for girls, coloring pages for boys, or coloring pages tailored to different age groups, such as princess coloring pages, superhero coloring pages, animal coloring pages, etc.

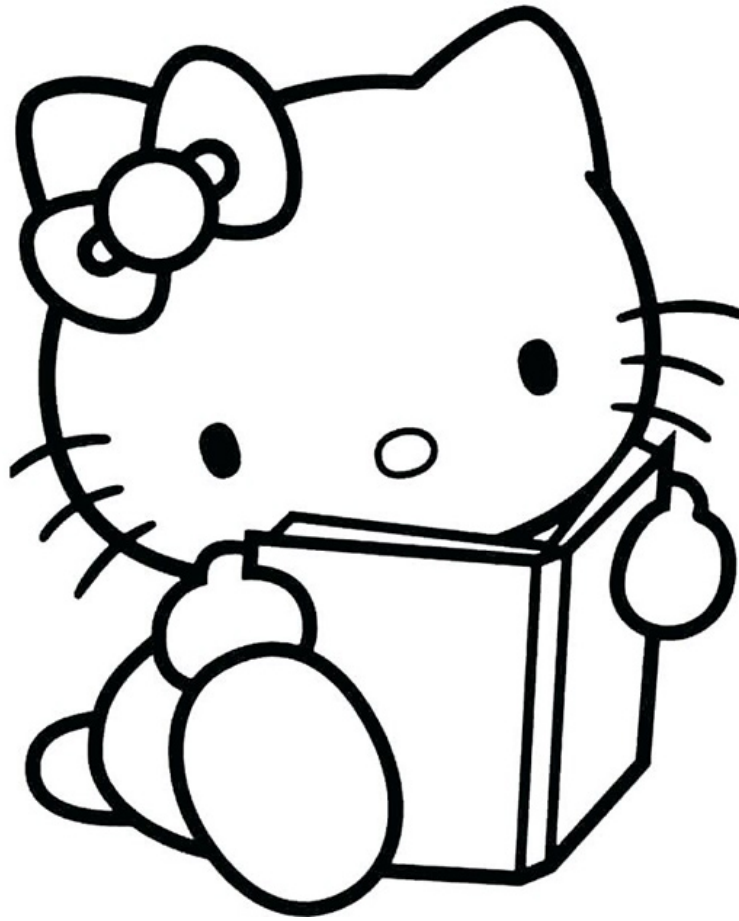

Coloring is a fun activity that helps children develop concentration, perseverance, creativity, visual skills, and a passion for art, especially for children aged 3 to 6. TipsMake.com has compiled a collection of drawings with various themes, from flowers and animals to cartoons, airplanes, cars, and princesses, for both boys and girls. Please browse to find a drawing your child will love.

1. Coloring pages for girls

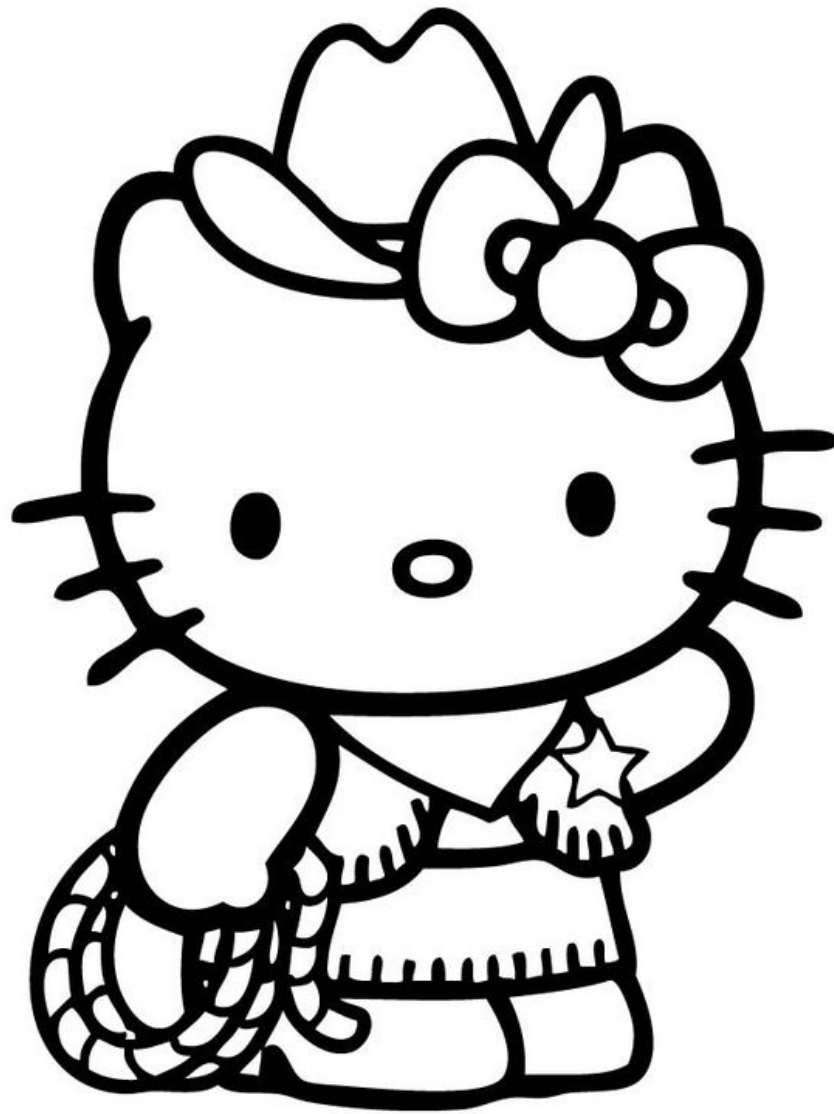

Coloring pages for girls often feature cute animals like Hello Kitty, princesses, flowers and plants, or adorable cartoon characters. Parents can choose suitable pages based on their child's age, then gradually increase the difficulty to help develop their skills.

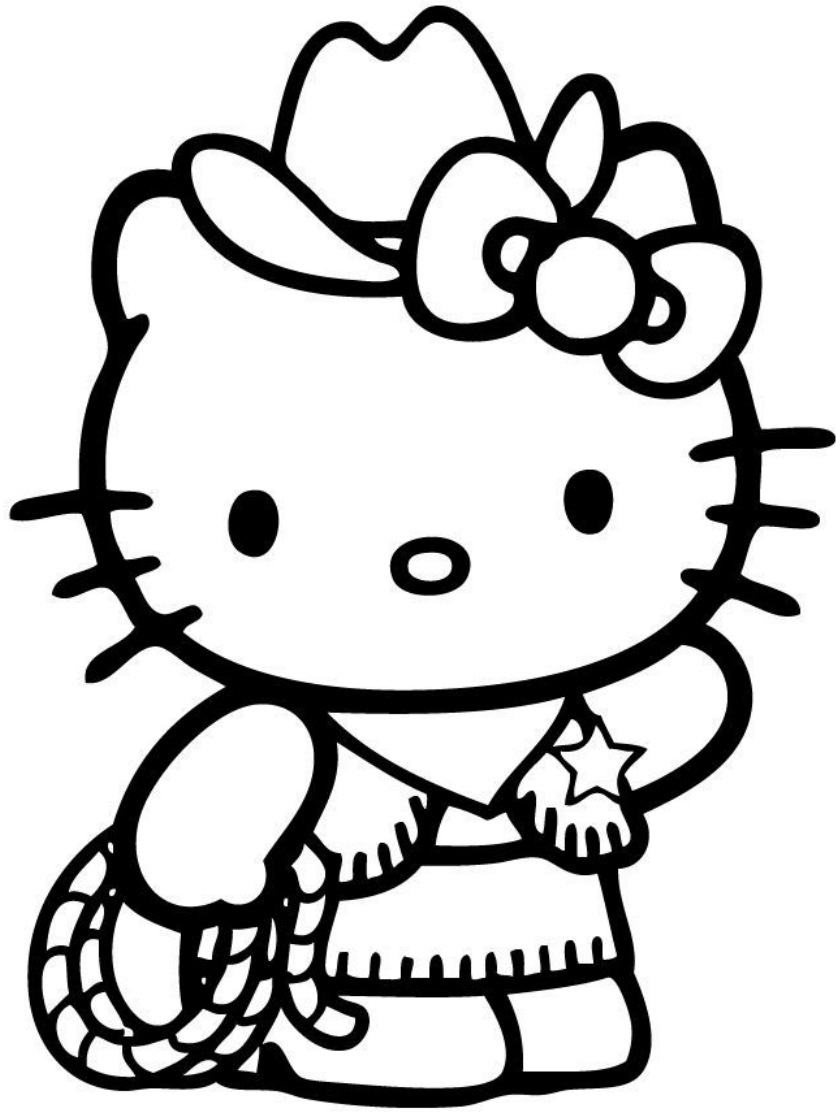

1. Hello Kitty coloring pages

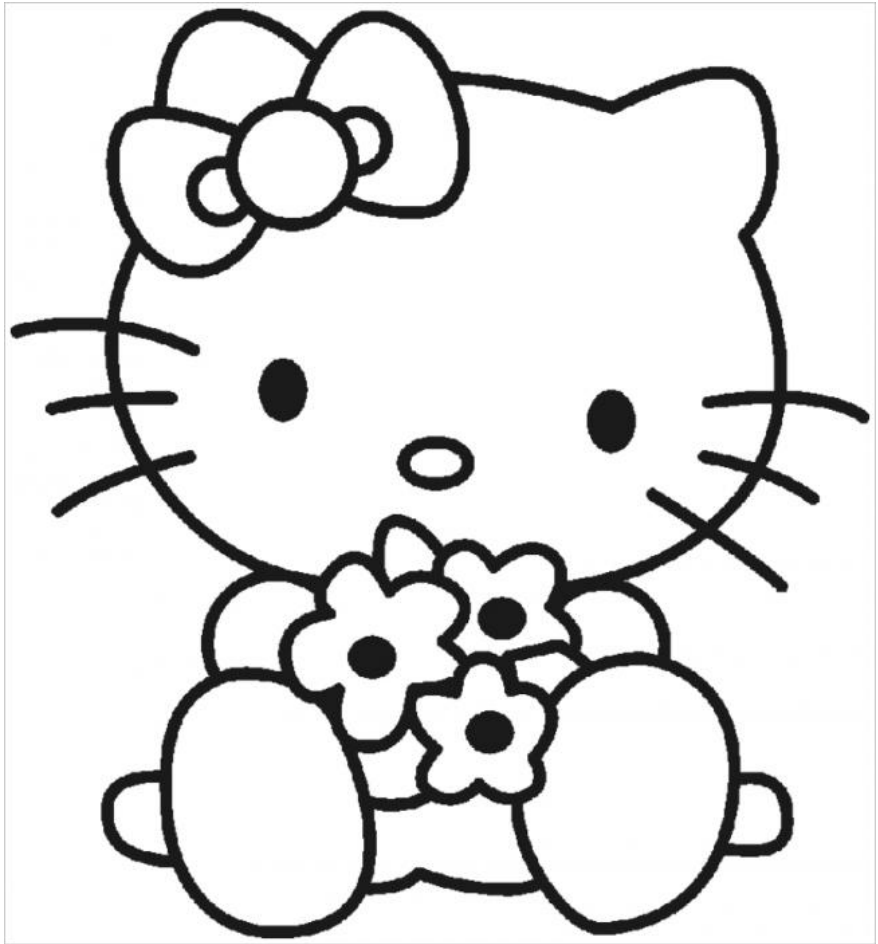

Little girls are surely familiar with the cute pink cat Kitty. They will have access to several Hello Kitty coloring pages with various designs to enjoy and unleash their coloring skills.

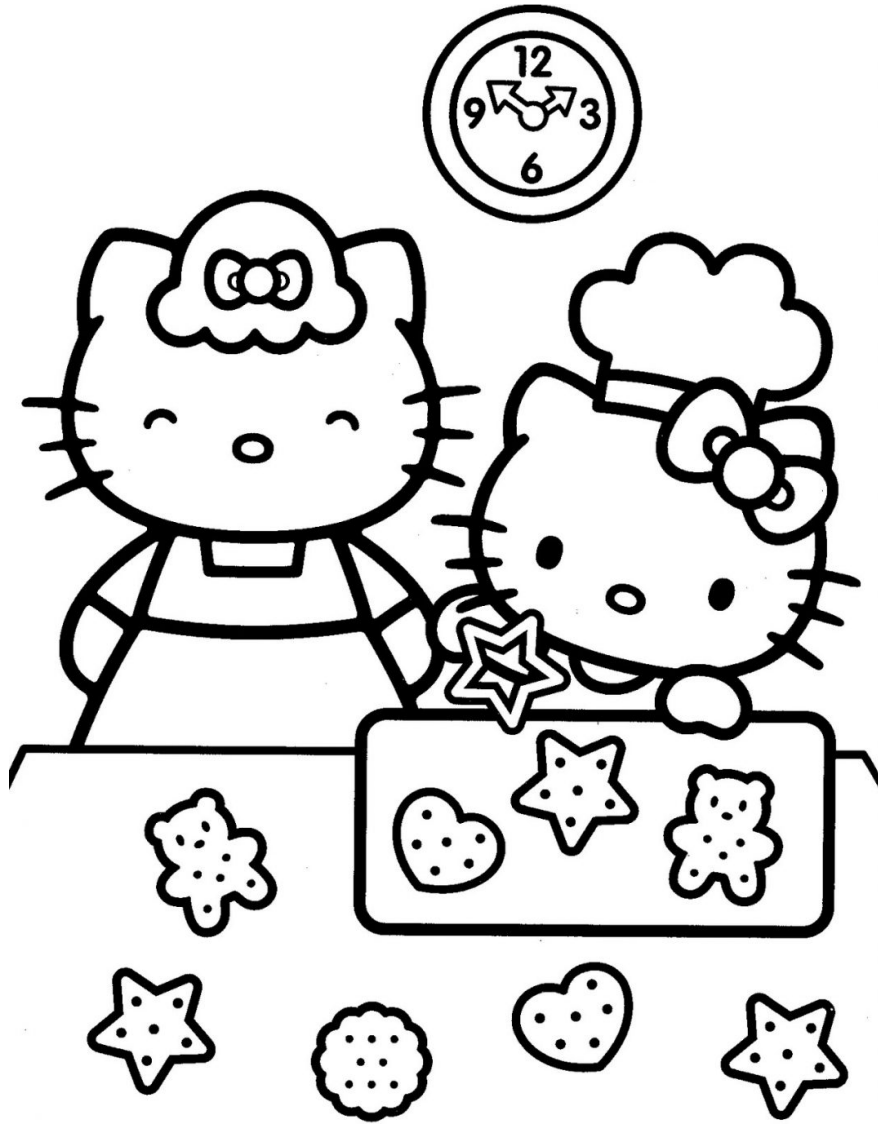

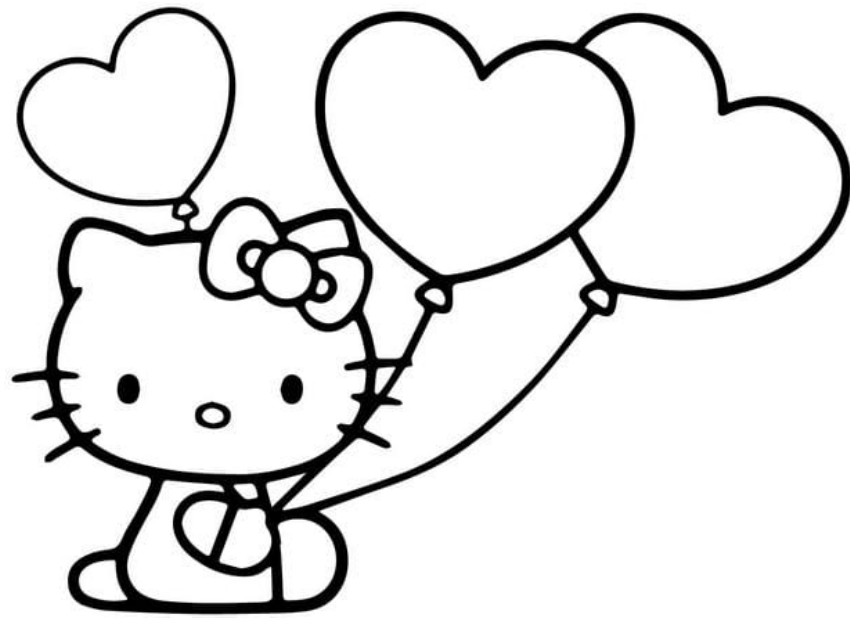

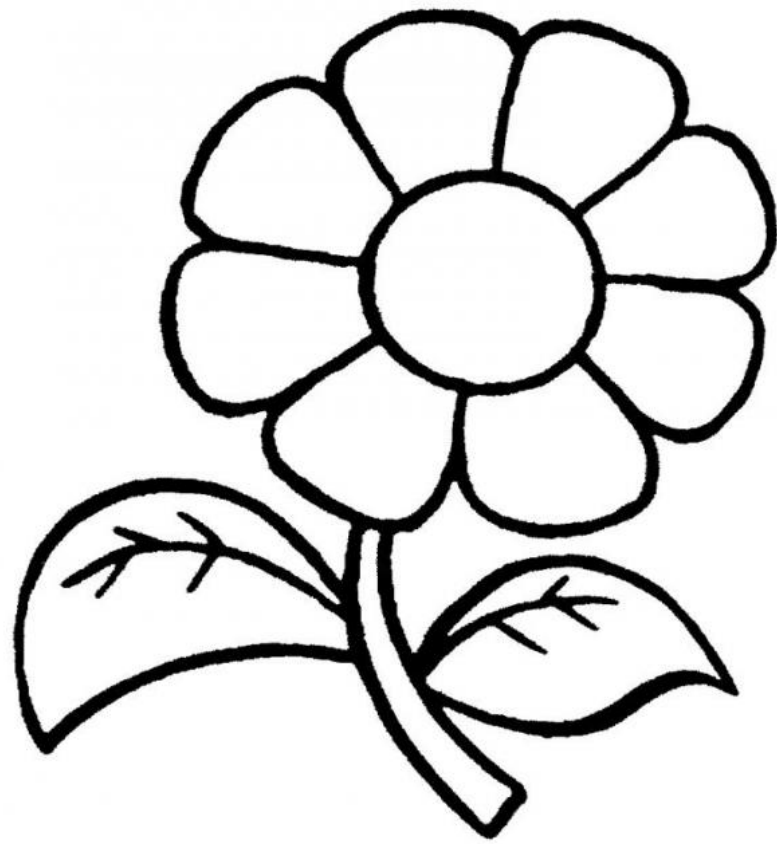

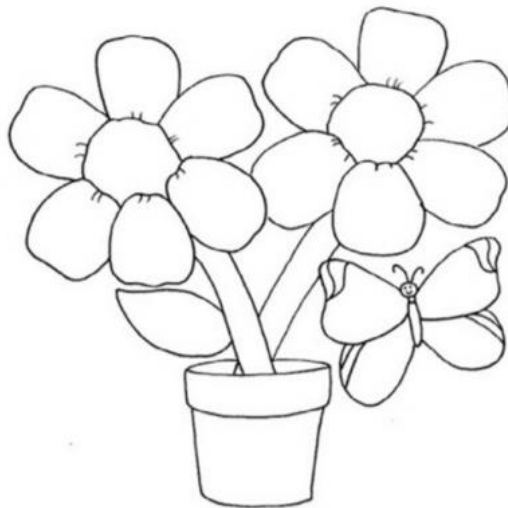

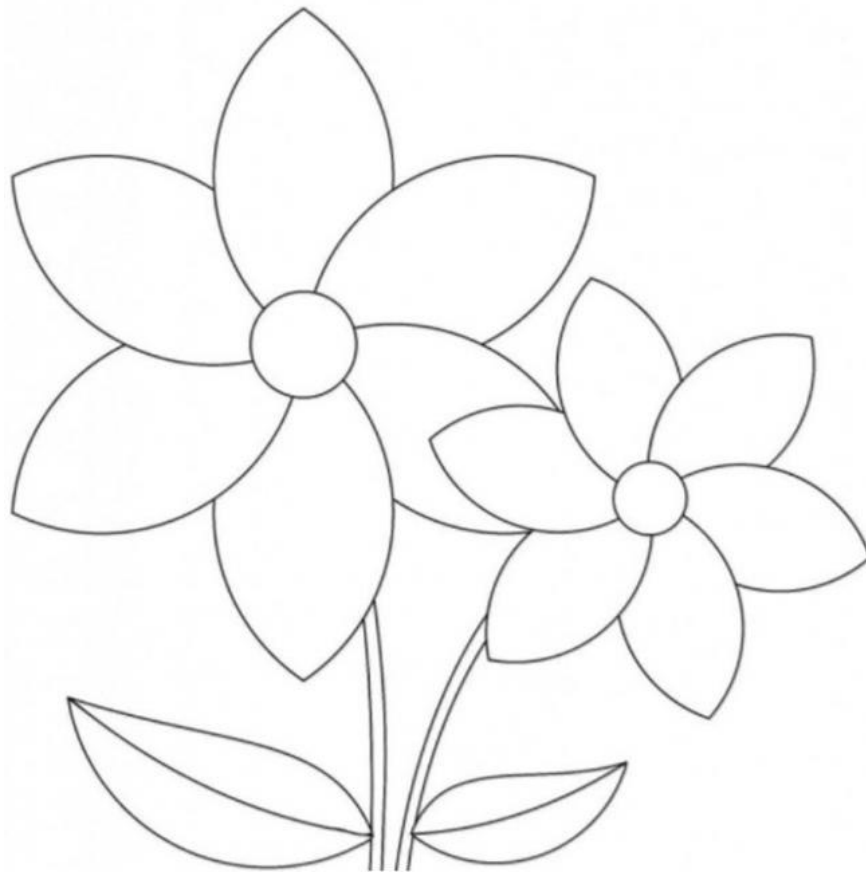

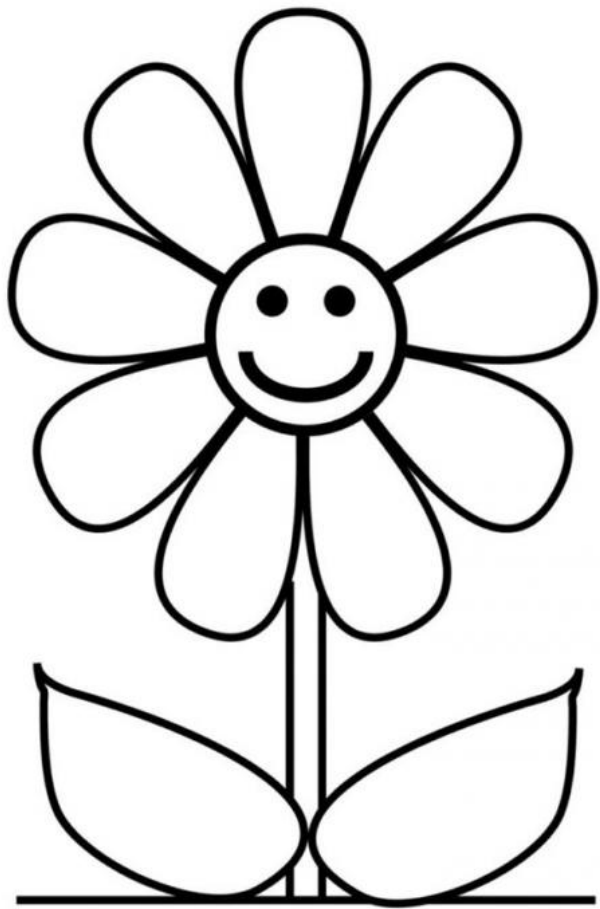

2. Flower coloring pages for children

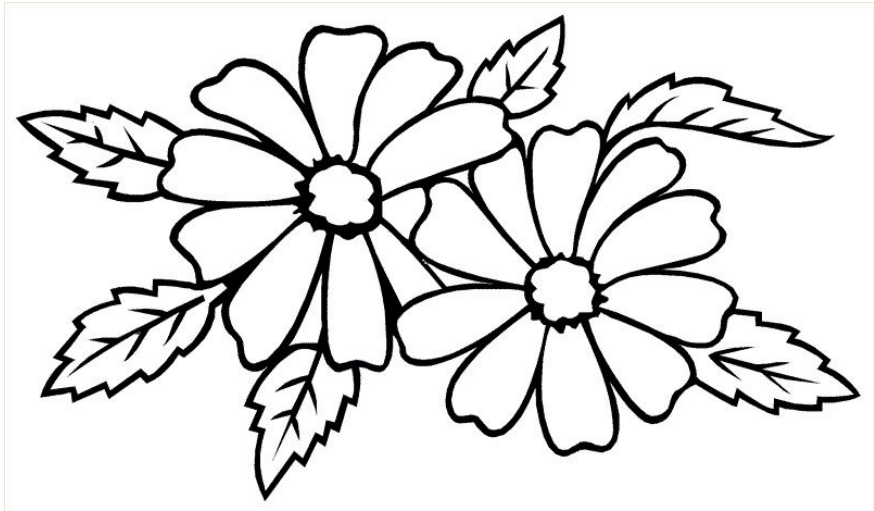

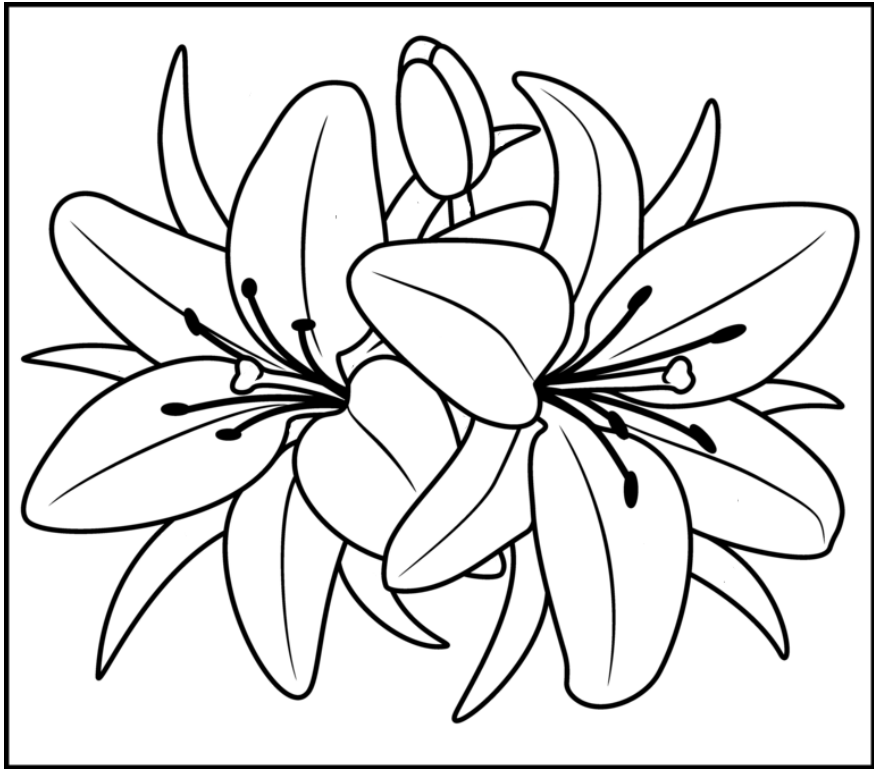

Flower themes are also very common for children to use as coloring pages. For preschool children, families should choose pictures with fewer details, then gradually increase the number of pictures with more details so that the child can get used to them.

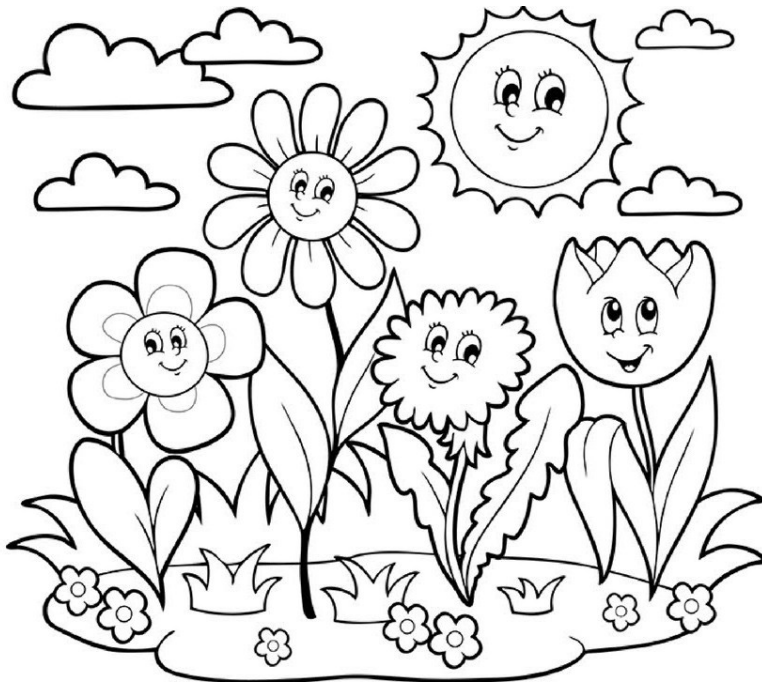

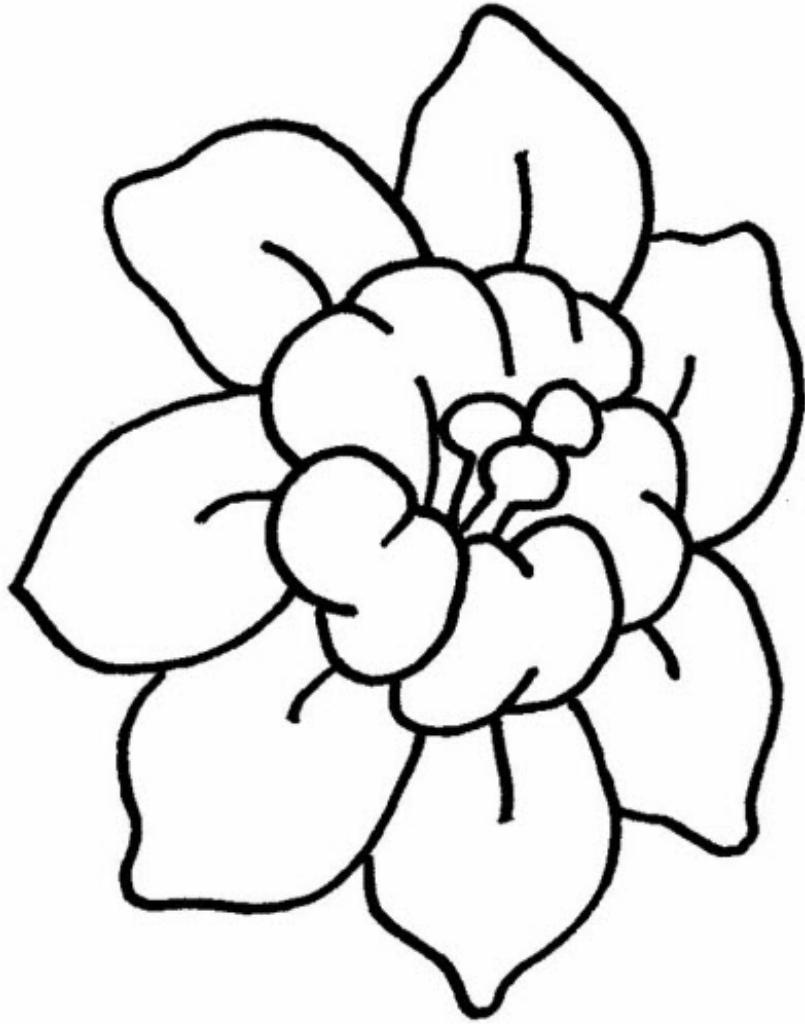

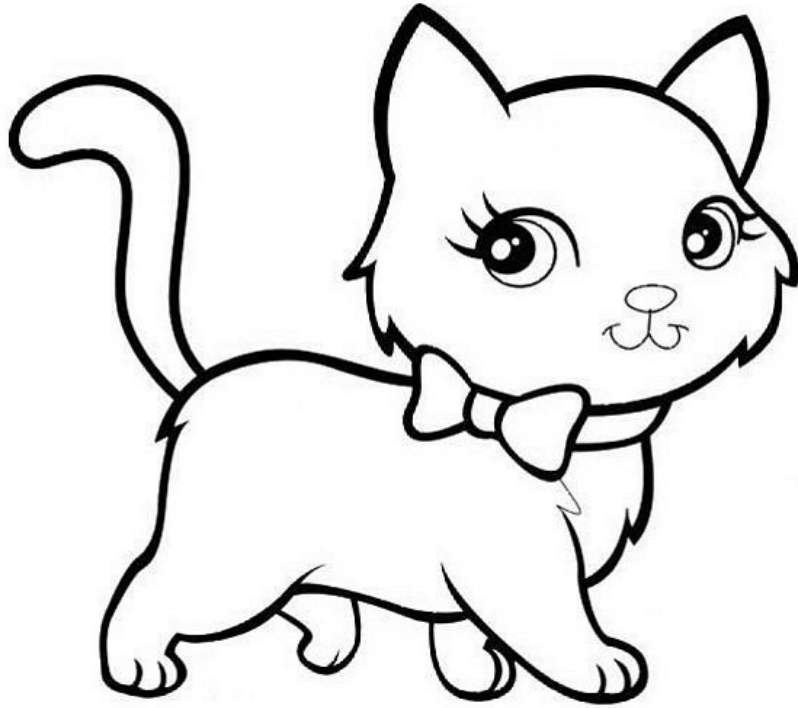

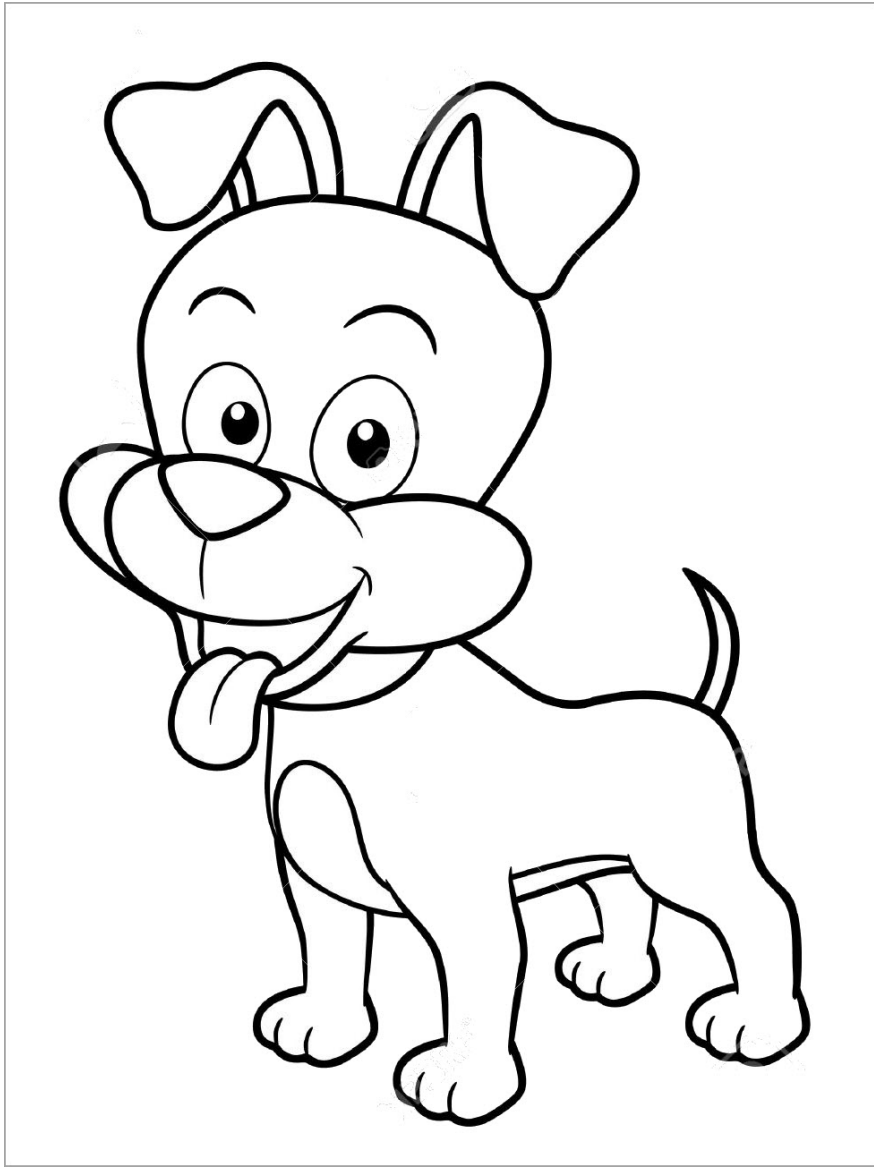

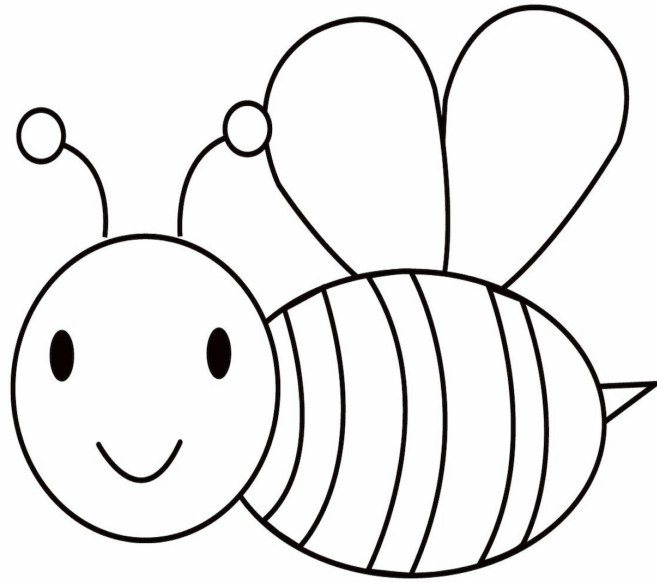

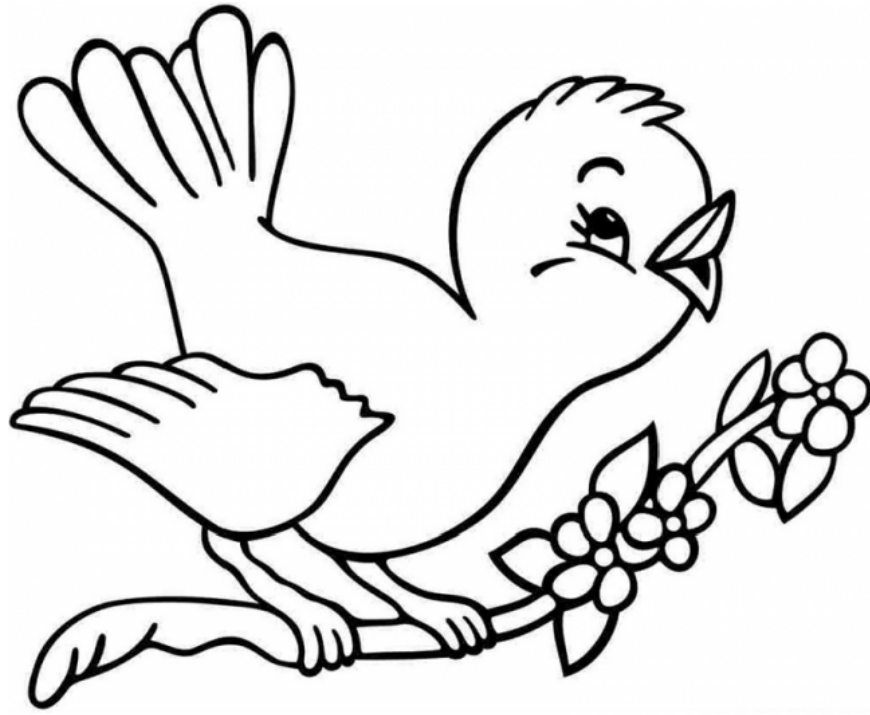

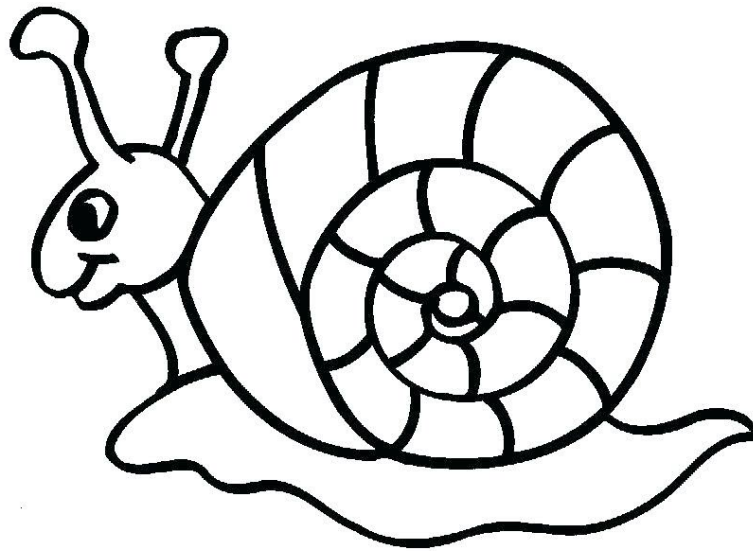

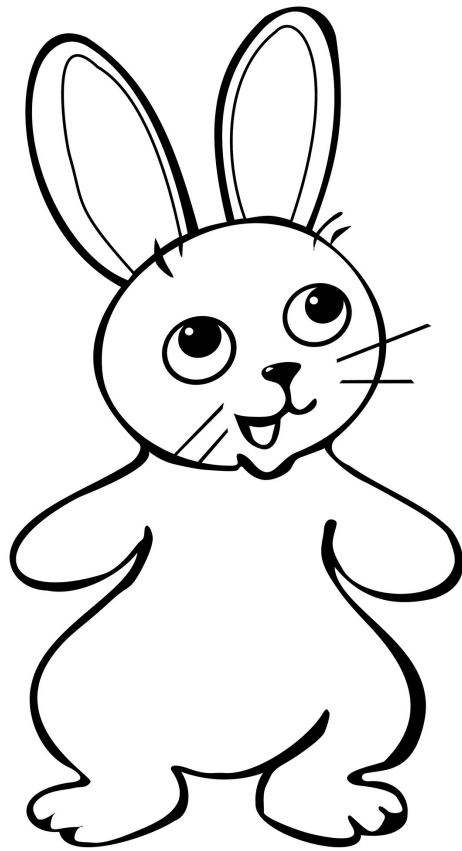

3. Animal coloring pages for children

For girls, we can find cute animals for them to color, such as pictures of fish, cats, or dogs.

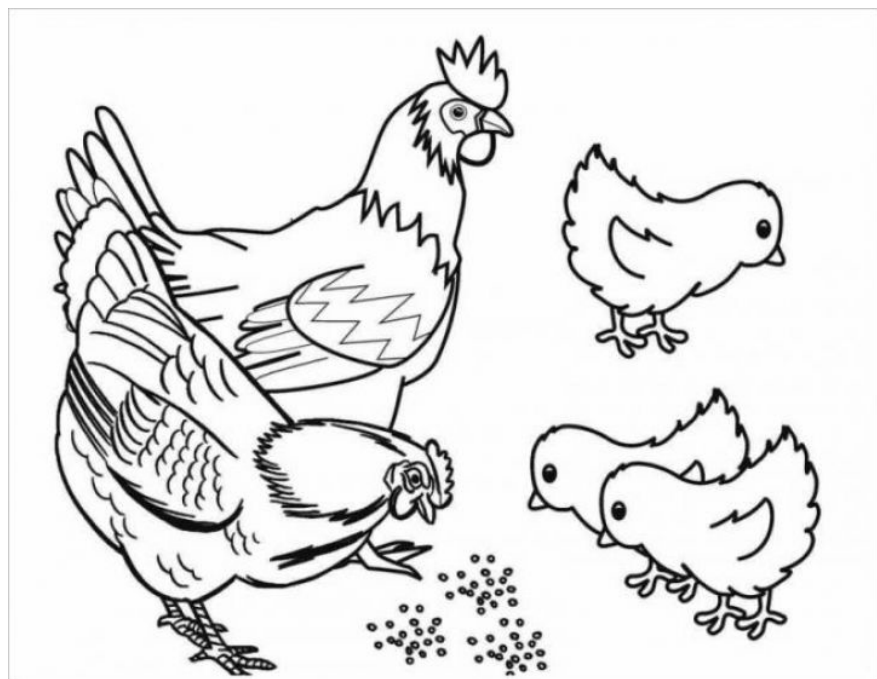

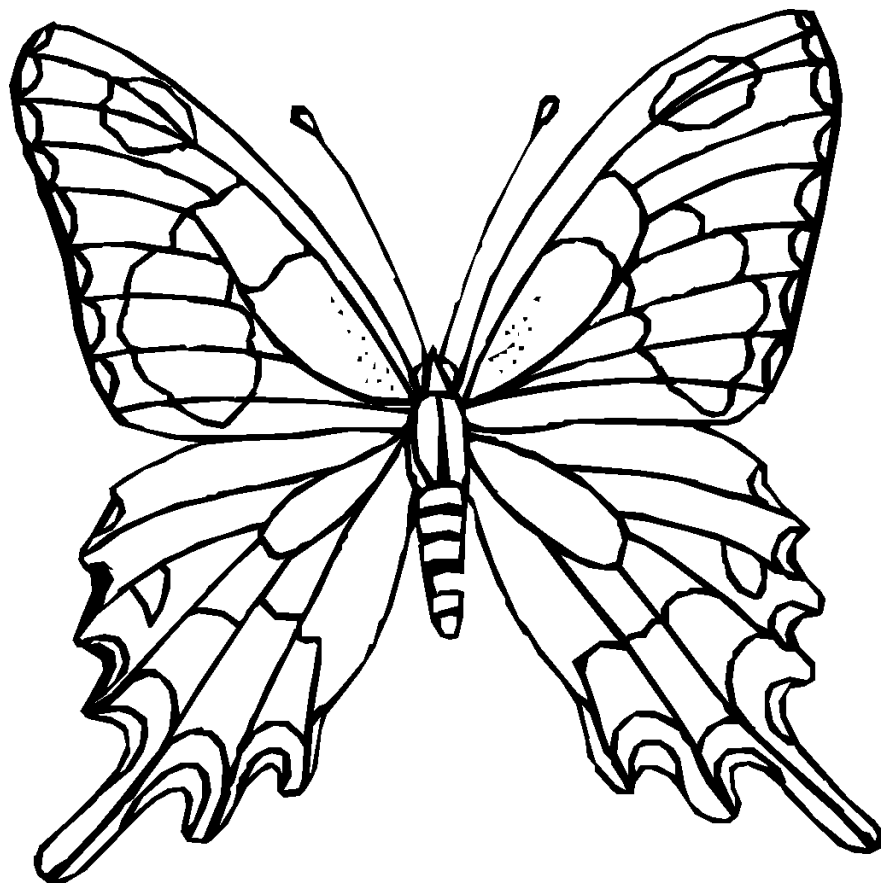

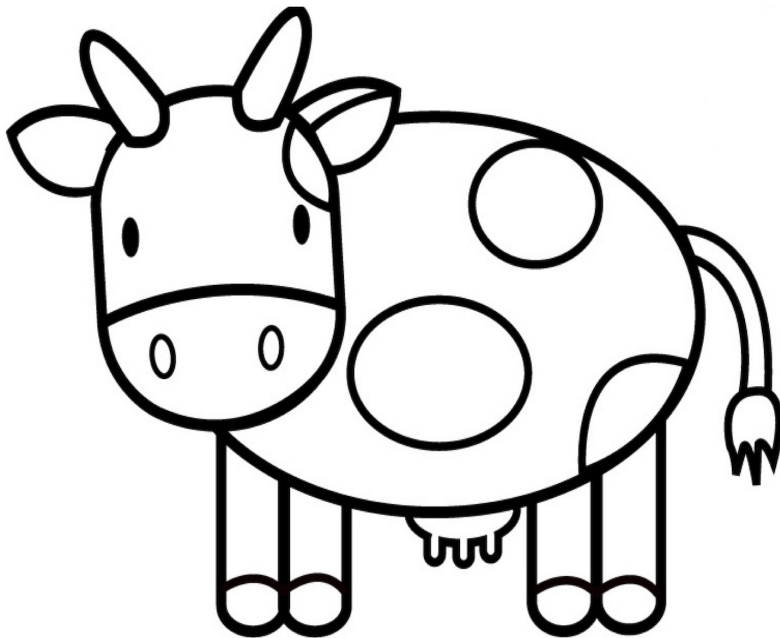

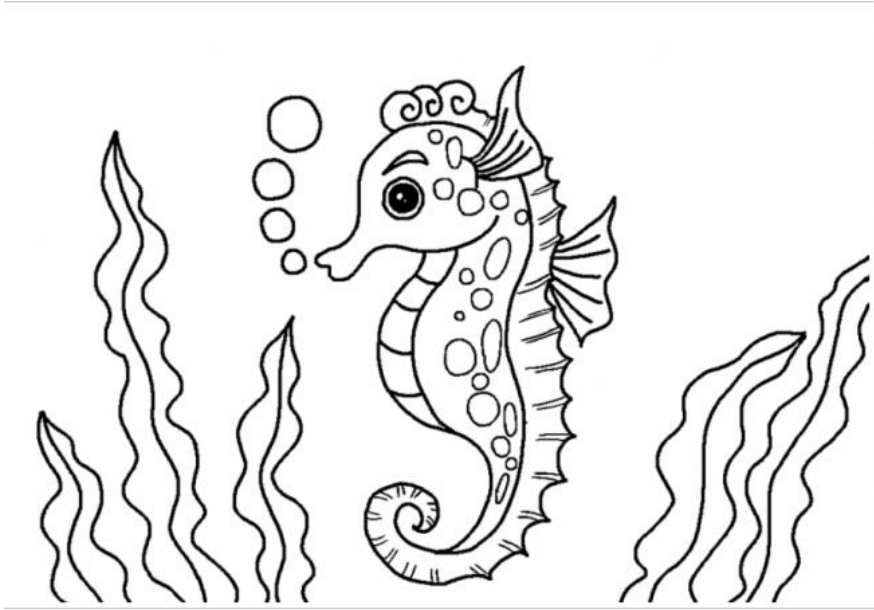

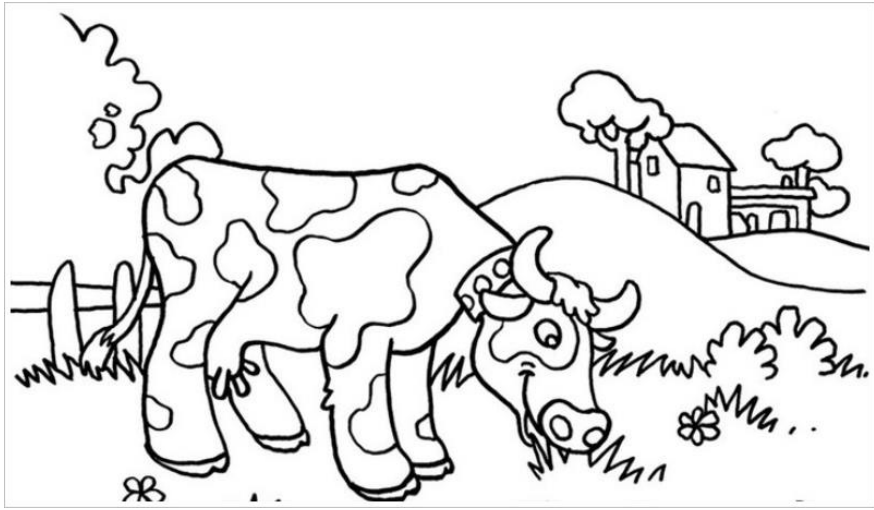

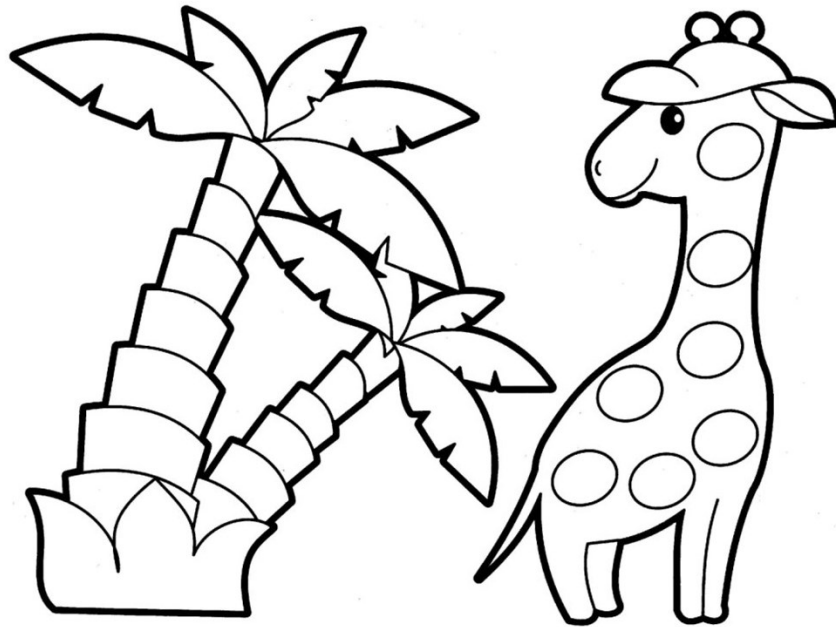

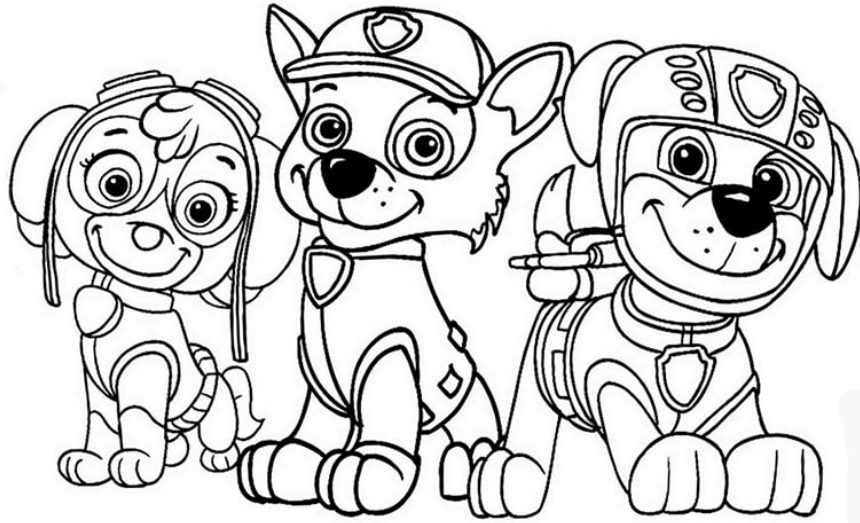

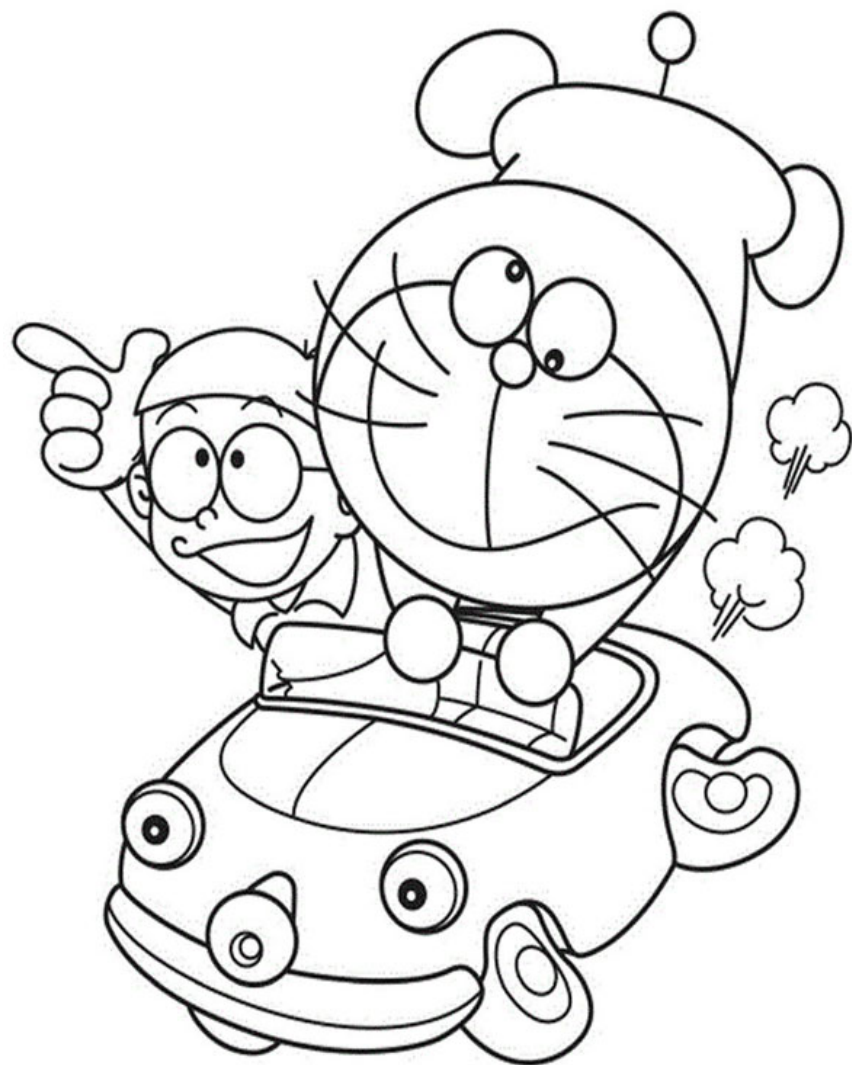

4. Cartoon-themed coloring pages for children

Cartoon images featuring popular characters like princesses, princes, Snow White, Doraemon, etc., will make coloring more enjoyable for children.

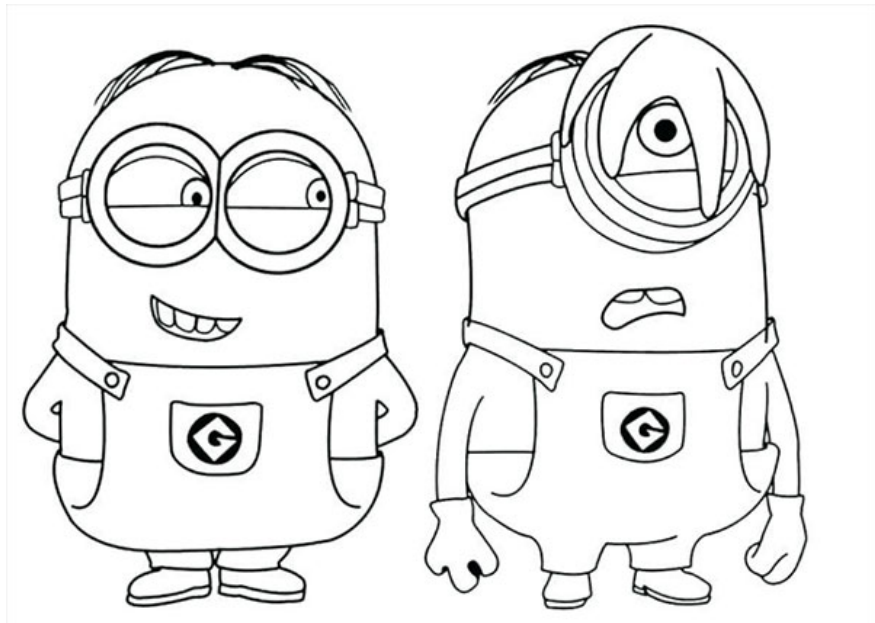

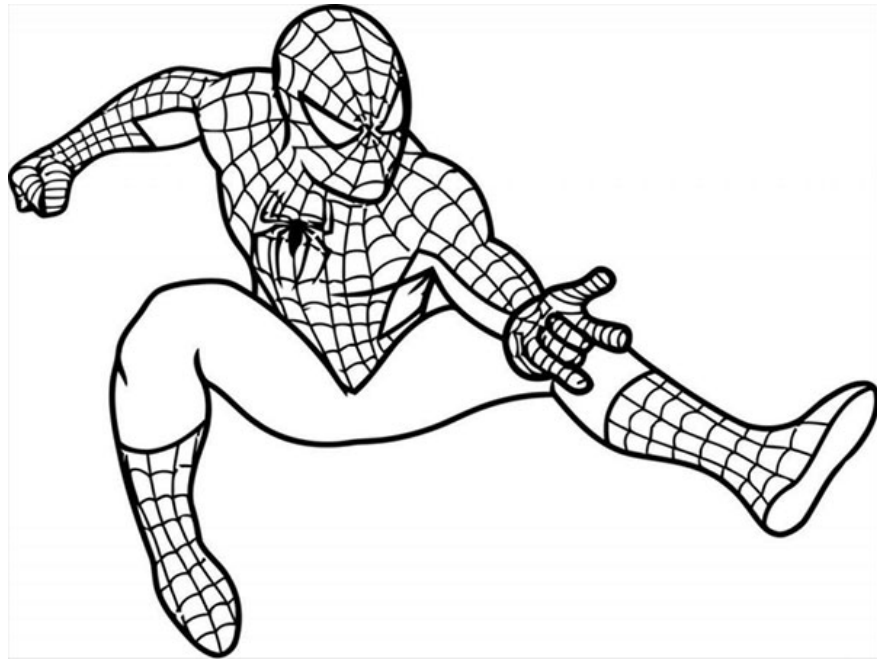

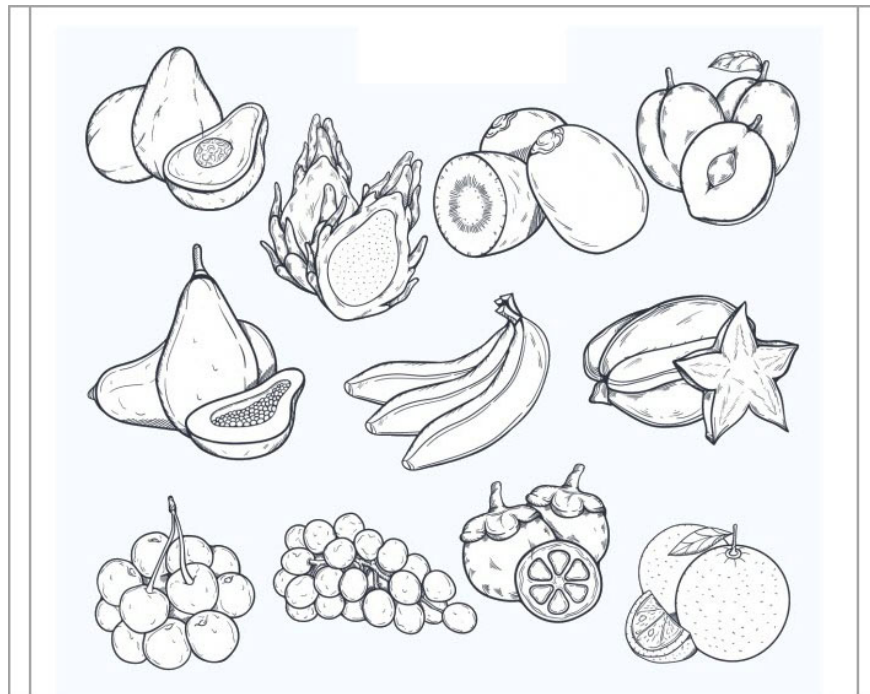

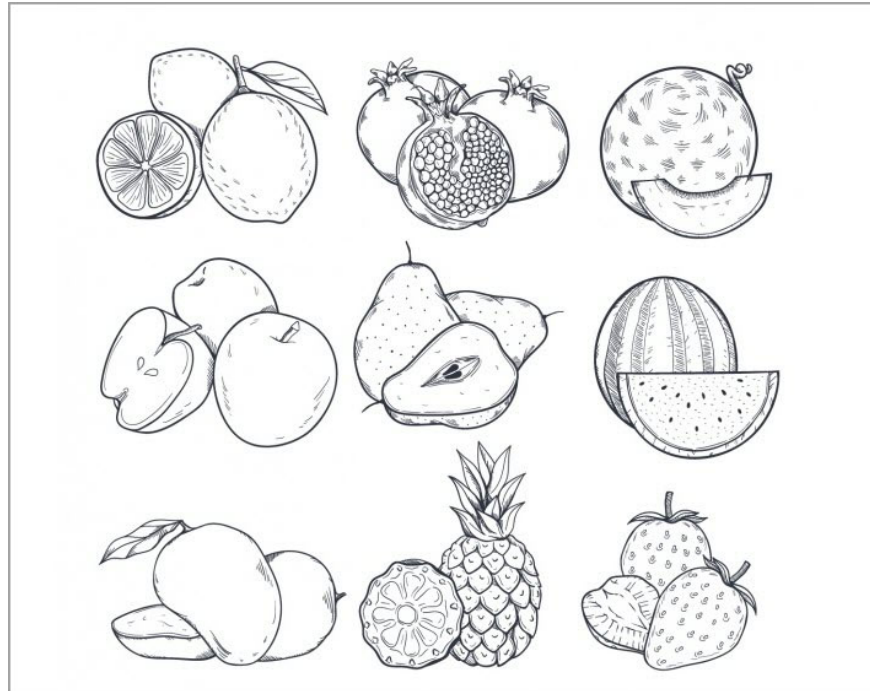

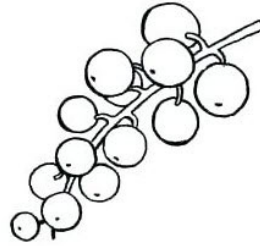

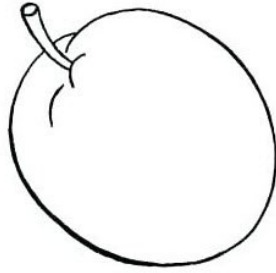

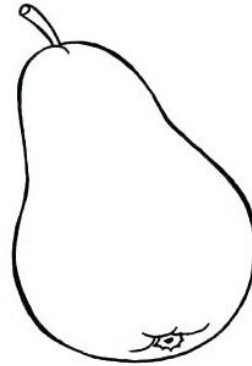

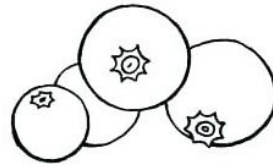

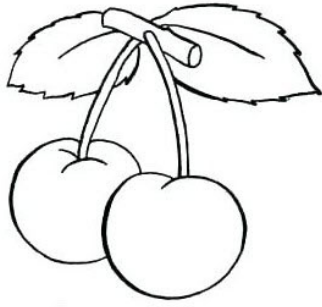

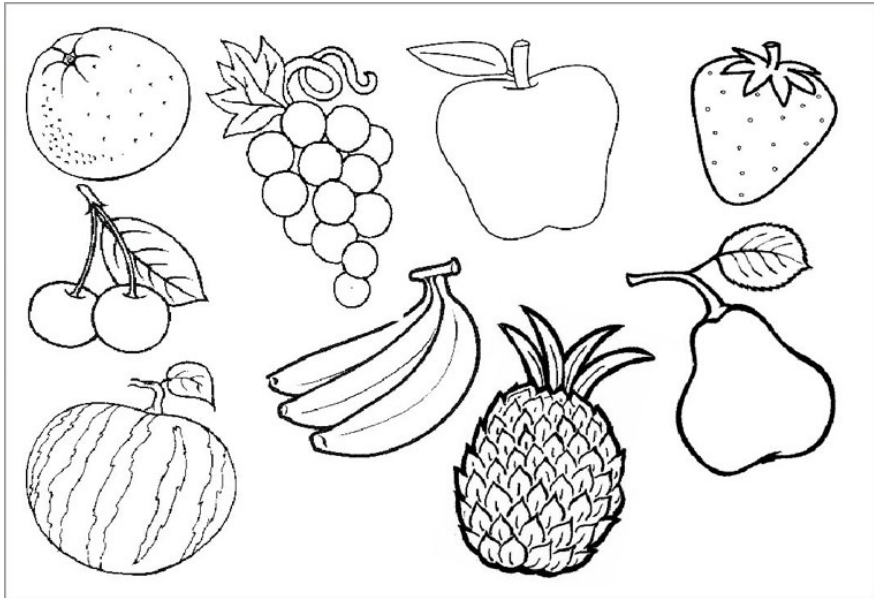

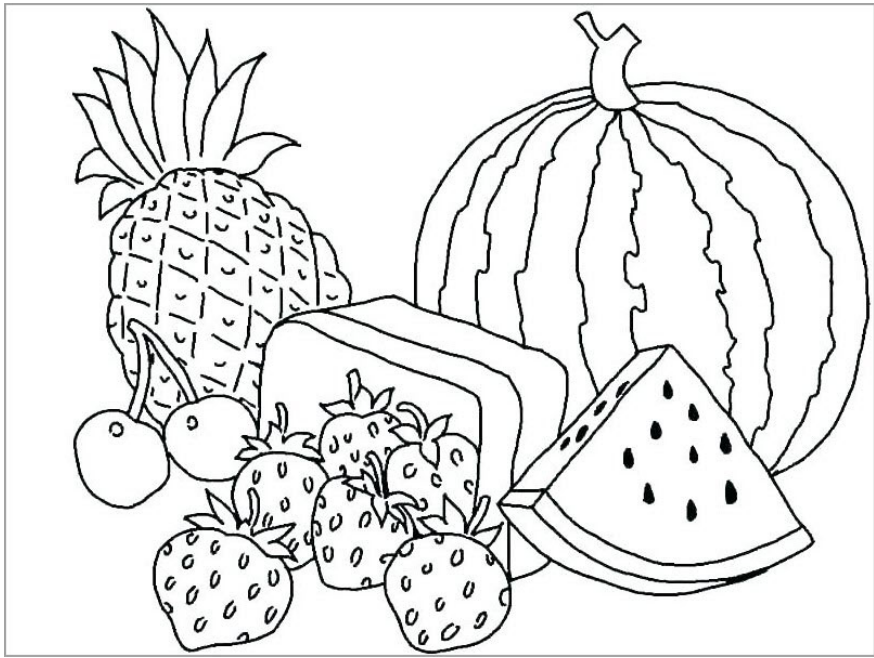

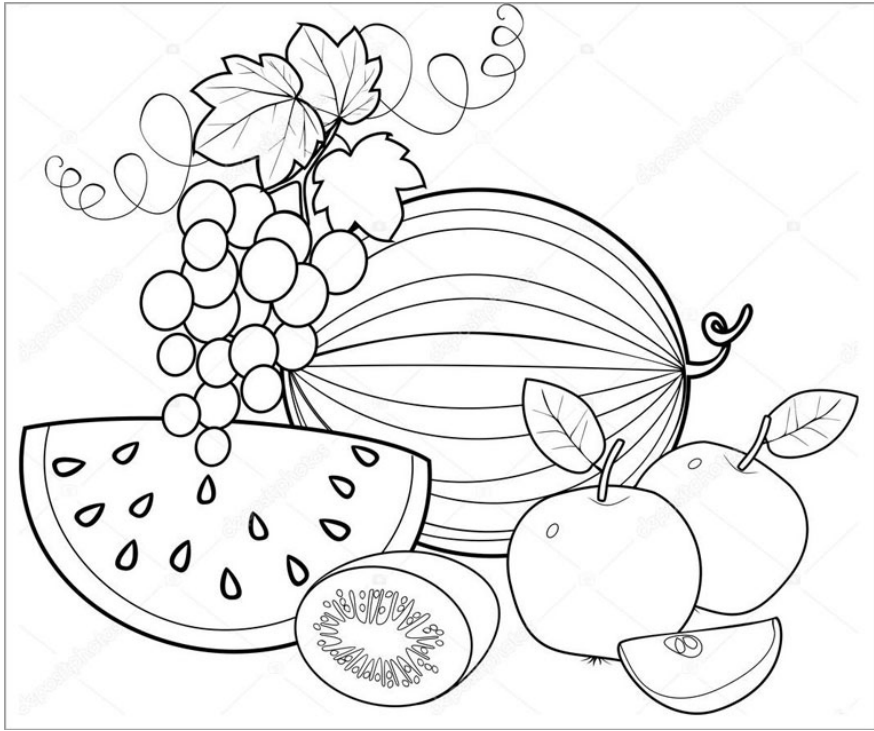

5. Pictures of fruits and plants for children to color.

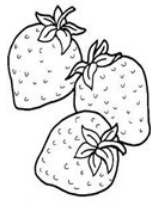

Fruits and plants are familiar themes in everyday life, so introducing them to children is essential. Coloring pictures of fruits and plants will help children become acquainted with the world around them more easily and quickly.

2. Collection of coloring pages for boys

Boys can find coloring pages featuring cars of various types, superhero coloring pages, and animal coloring pages, which are also great themes.

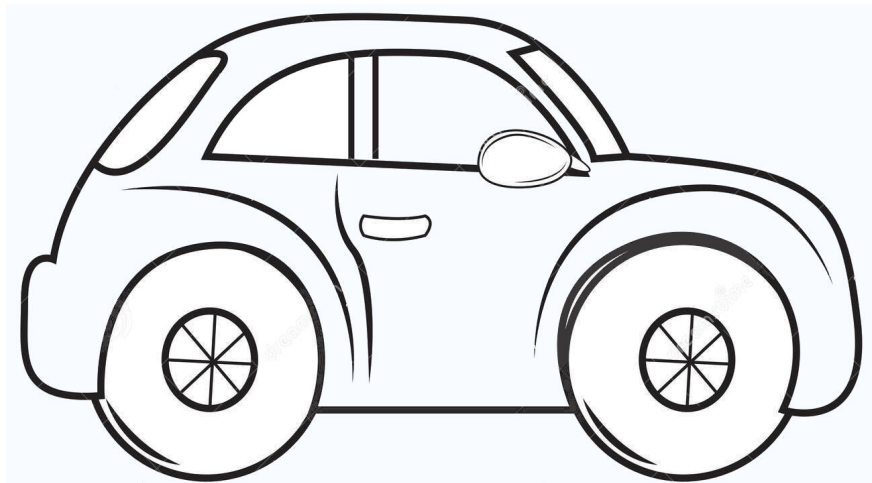

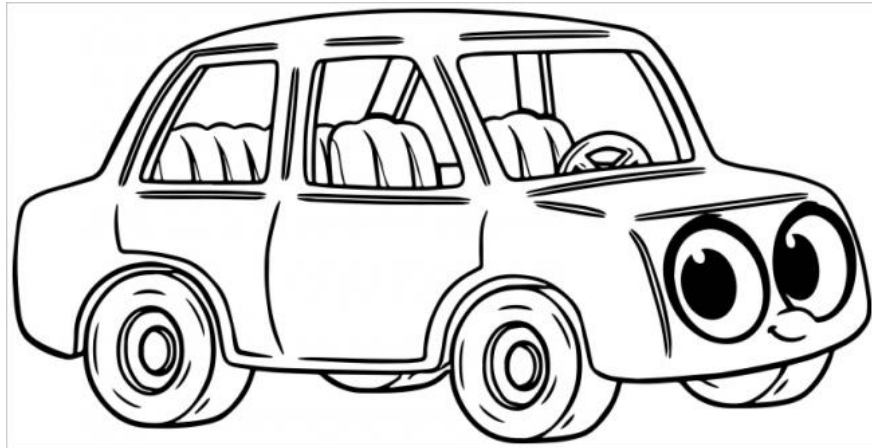

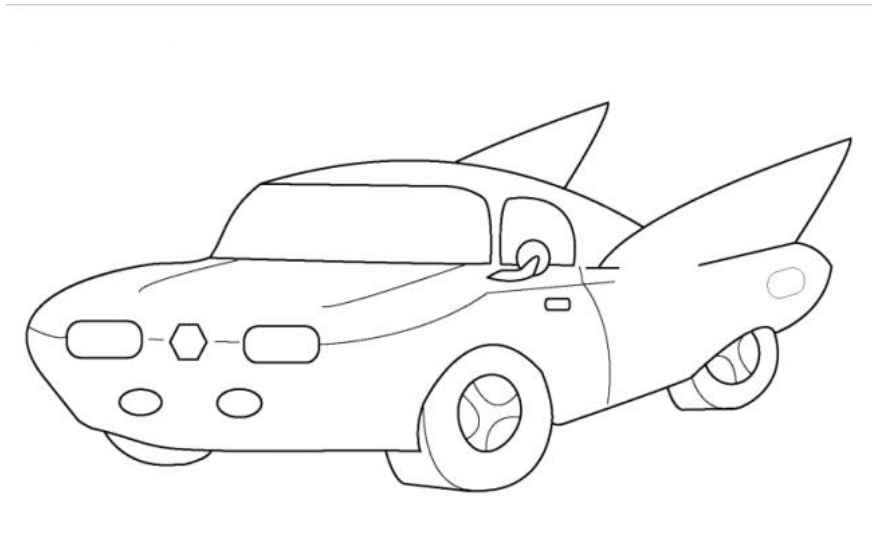

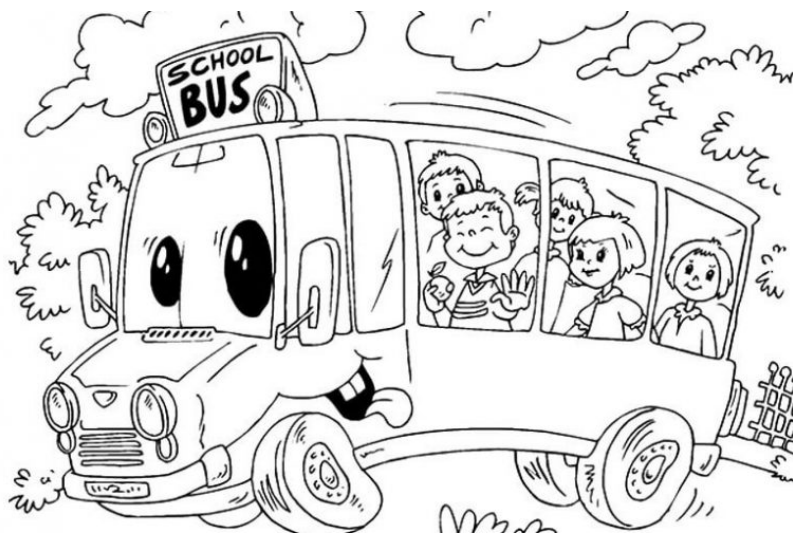

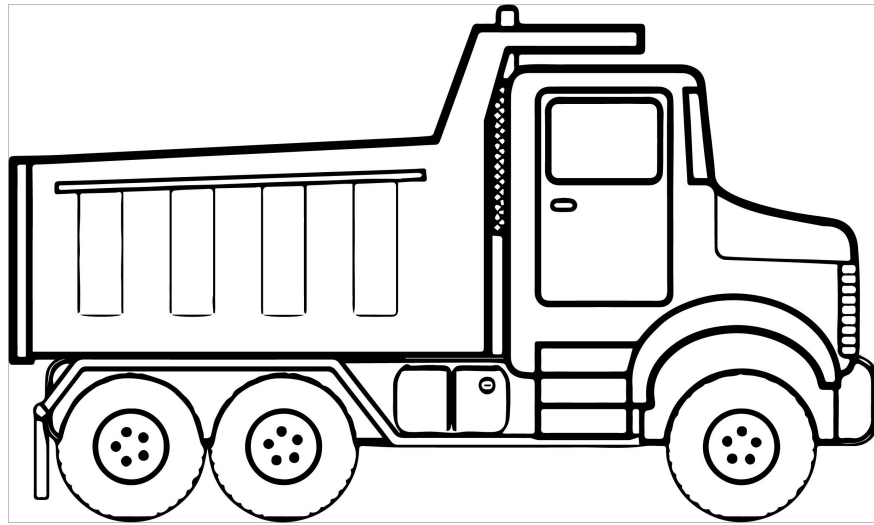

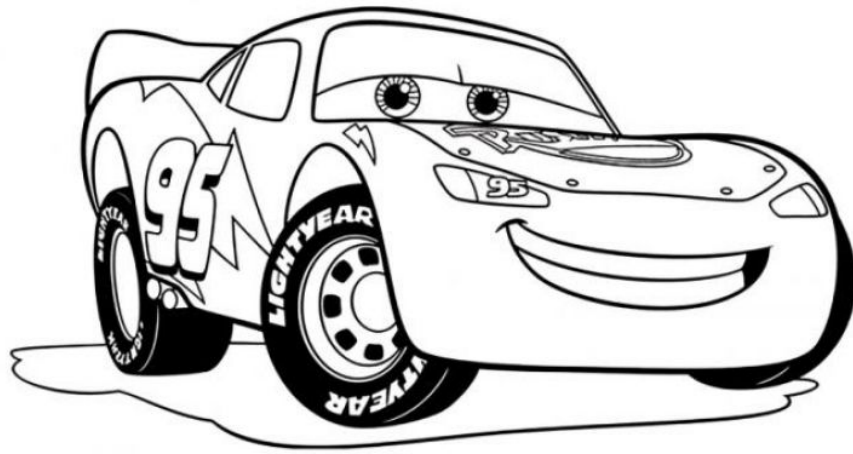

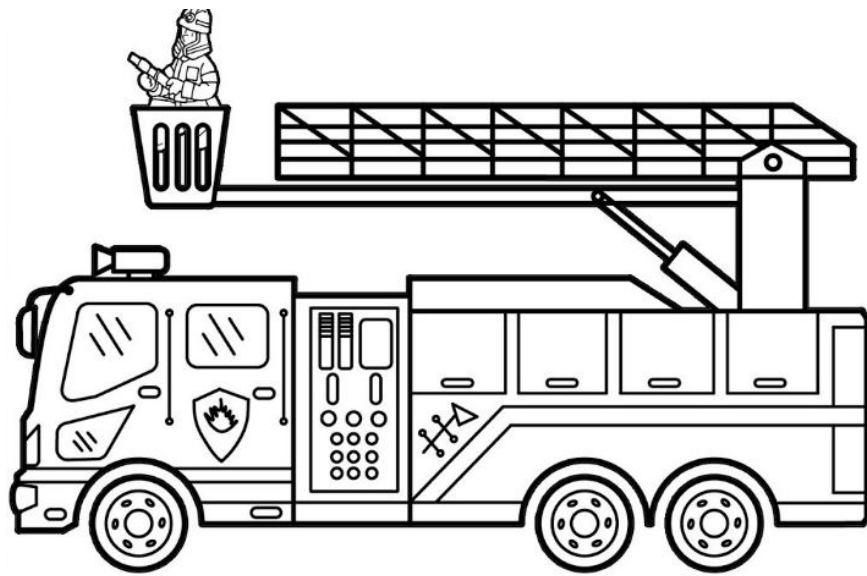

1. Car coloring pages

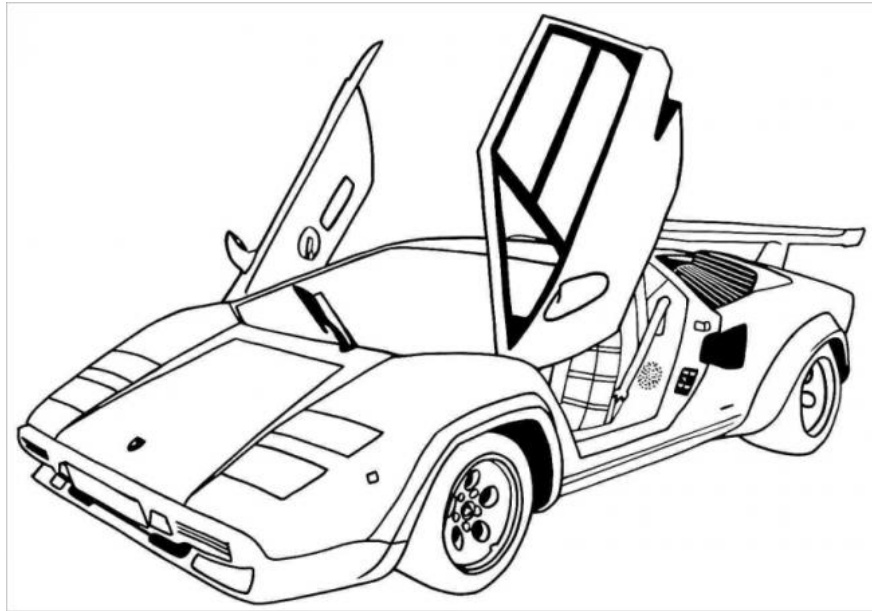

The world of cars is always fascinating for young boys. There are so many different types of cars in real life that they haven't seen before. Parents can teach their children about different cars through pictures and then have them color them according to their own creativity.

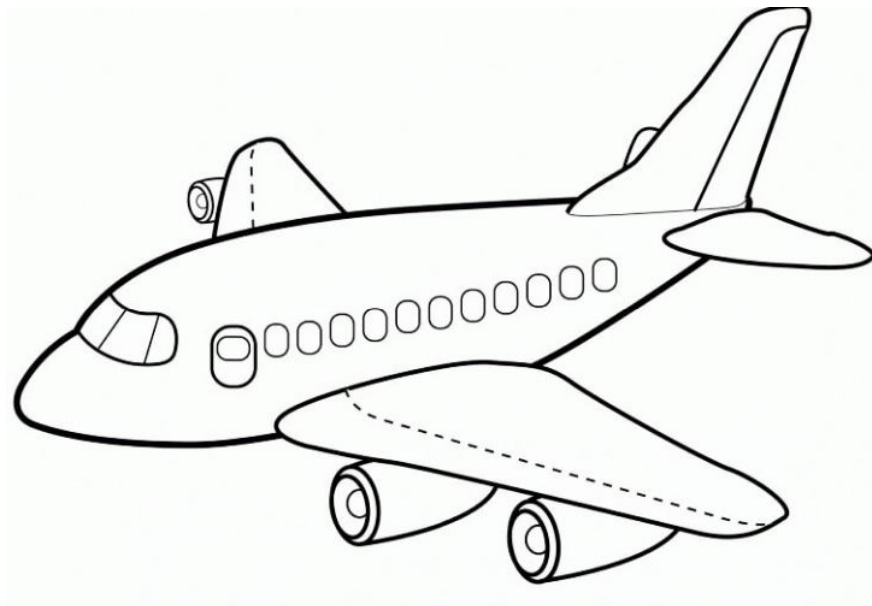

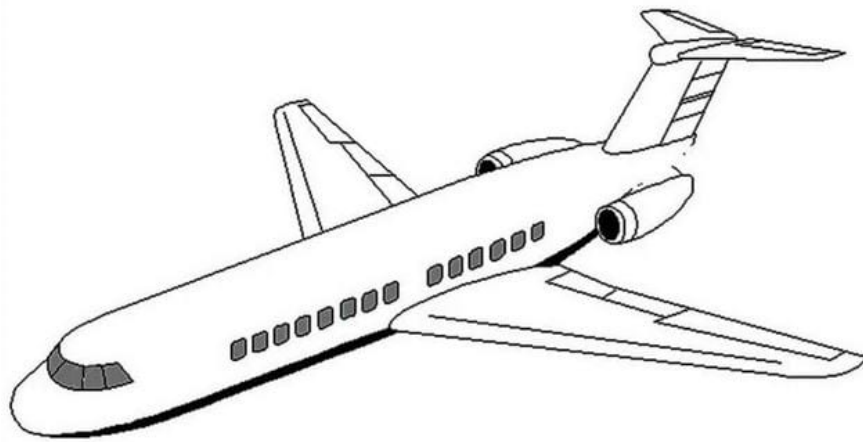

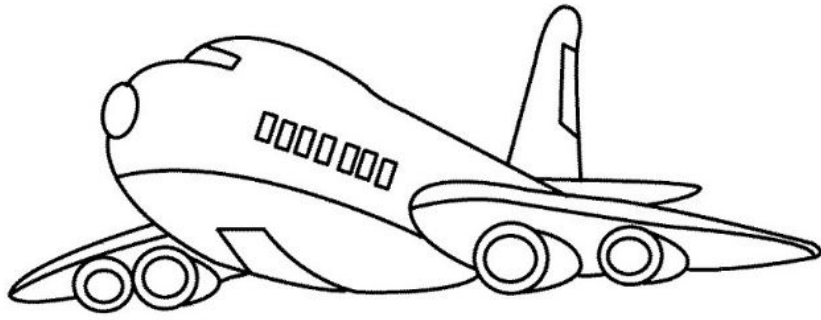

2. Airplane coloring pages

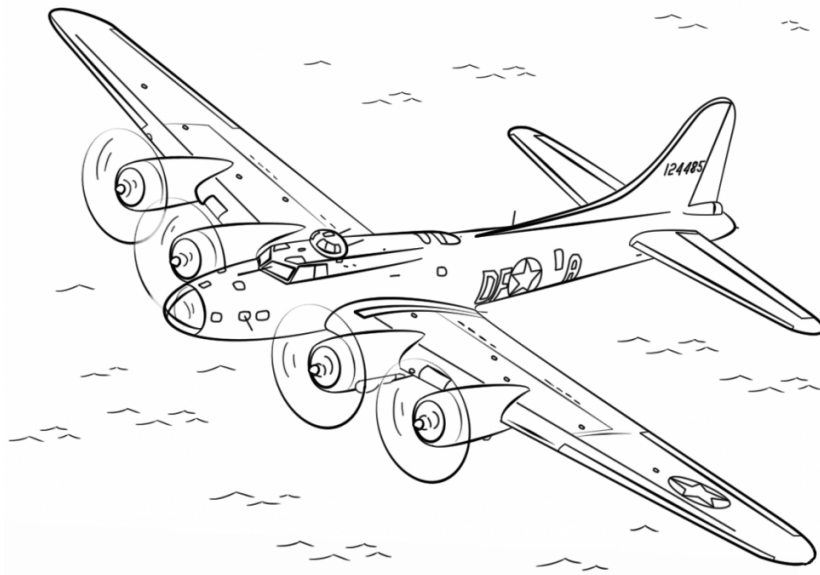

From helicopters and jet planes to passenger planes and Boeing aircraft, many types of aircraft will take children into the exciting world of the air.

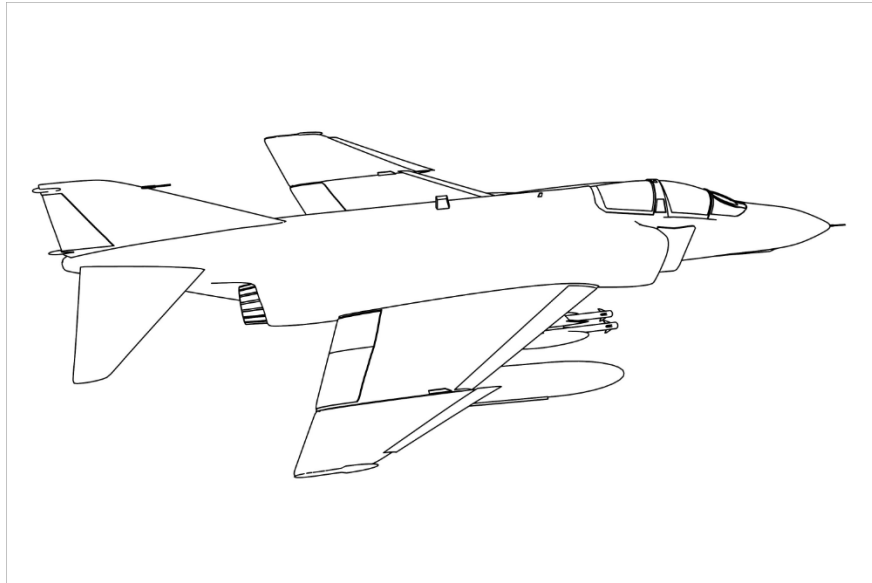

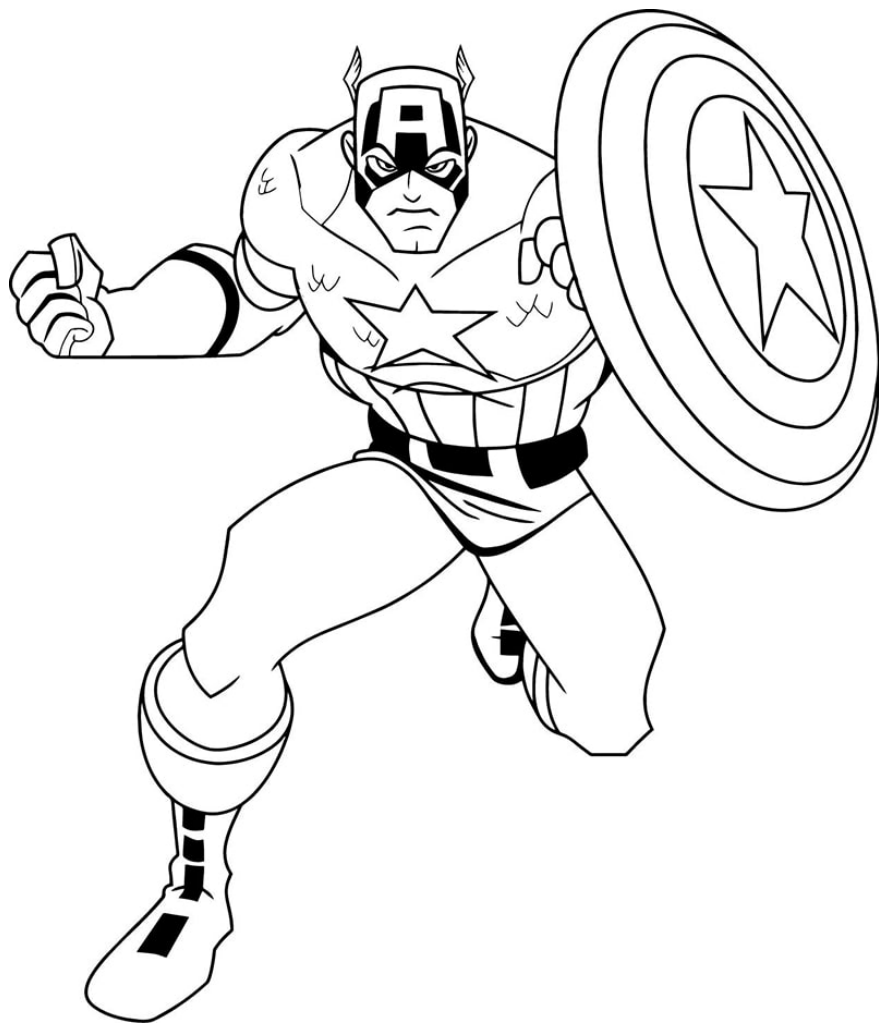

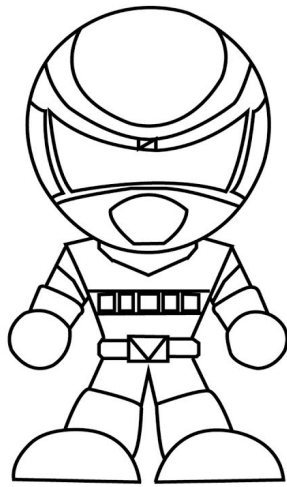

3. Superhero coloring pages

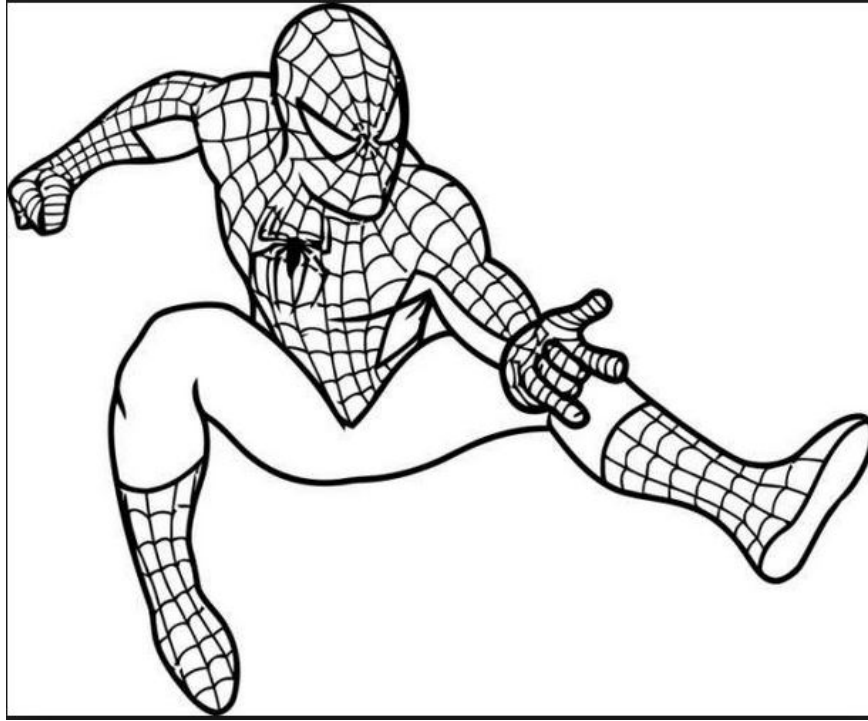

For older boys, you can find more superhero coloring pages with more details for them to practice coloring.

We hope your children will enjoy the coloring pages of fruits, flowers, superheroes, cars, airplanes, cartoons, etc., that we have shared.
