

Compare Galaxy S10E and iPhone XR: Where is the flagship model worth spending?

Galaxy S10E, Samsung's newly launched smartphone has a starting price of \$ 749, the same price as Apple's iPhone XR rival. So, between the Galaxy S10E and iPhone XR, where is the new phone worth your money if you have a budget of about 749USD.

Galaxy S10E, Samsung's newly launched smartphone has a starting price of \$ 749, the same price as Apple's iPhone XR rival. So, between the Galaxy S10E and iPhone XR, where is the new phone worth your money if you have a budget of about 749USD.

Like their higher-priced brothers, both the Galaxy S10E and the iPhone XR are equipped with the latest processors. But for such low prices, Samsung and Apple have to cut down on a number of factors such as screen resolution, RAM, internal memory . on these two models.

See the comparison table below to see if Samsung's cheap flagship version is worth more than Apple's iPhone XR?

SAMSUNG GALAXY S10E VS. APPLE IPHONE XR
