

Complete guide ends in Brother Hai's Pho Restaurant

These are the endings in Anh Hai's Pho Shop, each ending will lead to a different story.

Brother Hai's Pho Restaurant is not only a horror game inspired by Vietnamese culture but also a detective journey about a **secret investigator** (Anh Hai).

Below is a complete and accurate guide to the 4 endings of the game, each of which is determined by the player's choices and gameplay. Remember to download Anh Hai's Pho Shop to play if you have not experienced this interesting game.

I. Analysis of some decisions leading to the end of Anh Hai

To get to the different endings, players need to pay attention to three important nodes:

1. Gameplay: Protect Mr. Gold

1. **Meaning:** Symbolizes Anh Hai's **negligence** in looking after Cau Vang while selling pho.
2. **Action:** Does the player **watch Cau Vang** carefully?

2. Core Decision: Dealing with the Father of Life

1. **Meaning:** Decide whether to **oppose or compromise** with the criminal organization from the beginning.

2. **Choice:** **Reject** or **Accept** the request of the Godfather (collect protection money).

3. Core Decision: Accept the Invitation of the Lady

1. **Meaning:** Decides the climax, determining whether to continue the investigation **mission or join the darkness** .
2. **Choice:** **Accept** or **Reject** the invitation to "Paradise" of the Madam.

II. Detailed instructions for unlocking the endings

1. Ending 1: "Mr. Yellow Is Dead, Teacher"

1. **Nature:** Ended due to a **mistake in the Side Gameplay** (Neglect).

How to unlock:

1. **Operation:** While making pho, you are busy making pho or doing other activities and **do not keep an eye on Cau Vang** for the necessary time, letting "Mr. Gold" run to the intersection and stand there for a few seconds.
2. **Result:** Cau Vang was "caught" by **dog ??thieves riding Exciter** . The game ends with a warning about being careless and not being vigilant against dog thieves.
3. **Hint:** To avoid this ending, always "**Pet the dog**" and keep Cau Vang in sight. Because just a few seconds standing at the intersection, Cau Vang will be taken away.

2. Ending 2: "There Will Be Dogs Who Pay" (The Failed Confrontation)

1. **Nature:** Bad Ending, due to **opposition but failure** in investigation.

How to unlock:

1. **Confronting the Godfather:** Must choose to **Refuse** the Godfather's demand for protection money.
2. **Investigation Failure:** After refusing, Anh Hai failed to perform the necessary **actions/tasks to protect the shop and expose the organization.**
3. **Result:** Pho restaurant burned down (caused by gas leak) and someone died.

3. Ending 3: "The Compromise Ending"

1. **Nature:** Ends loss due to agreeing to join criminal forces.

How to unlock:

1. **Madam's Decision:** Choose **to accept** Madam's invitation to "Paradise".
2. **Result:** Anh Hai **mysteriously disappeared**, the pho restaurant closed. Anh Hai chose to join the underground organization or be eliminated by the organization.

4. Ending 4: "The True Ending"

Plot: In the end, Brother Two fulfills his role as a **secret investigator** and justice is served.

How to unlock:

1. **Preparation:** Complete the side quests related to **the investigation clues** in the previous days, based on the decisions made towards characters like Bo Doi and Phu Ba.
2. **Phu Ba's Decision:** Choose **to decline** Phu Ba's invitation.
3. **Final Action: Fight** (do the correct QTE/keystroke sequences) to escape the gang attack.
4. **Result:** The authorities raided, destroyed the ring and exposed the person who covered up for **the Village Chief** as a key member of the criminal organization.

Frequently Asked Questions (FAQ)

Is Anh Hai's Pho Shop a pure business game?

No. This is a story- **driven horror** game combined with simulation. The pho selling element is just a cover for Anh Hai to carry out secret investigation missions.

What is the origin of the character Anh Hai?

Anh Hai is not just a pho restaurant owner. The **True Ending** reveals that Anh Hai is a **secret investigator** working undercover to destroy a criminal network in Dan Phuong. You can guess that right from the moment the pho restaurant only sells pho for "15K".

How to avoid the "Golden Boy Is Dead" ending?

You need to **focus on interacting with Cau Vang** ("Pet the dog" operation) and keep an eye on your pet dog. Don't let yourself be too busy with complicated orders and forget about this friend.

How does Bossfight work in the game?

The **Bossfight** or final confrontation is often presented through **Cinematic Cutscenes** that require the player to perform a series of **QTEs** (Quick Time Events) or quick controls (e.g. A/D bike/motorcycle controls) to overcome the criminal gang.

Above are the endings in Anh Hai's Pho Shop, each ending will lead to a different story, even some endings are very "oh my gosh". But please pay attention and choose the decisions with the bad characters in the game to lead to the True Ending.
