

# Corel Draw: Drawing the icon of APEC Vietnam Conference 2006

On the occasion of the first Asia Pacific Economic Forum - APEC 2006 held in Vietnam, we will learn how to draw the official symbol of the forum this time.

**On the occasion of the first Asia Pacific Economic Forum - APEC 2006 held in Vietnam, we will learn how to draw the official symbol of the forum this time.**

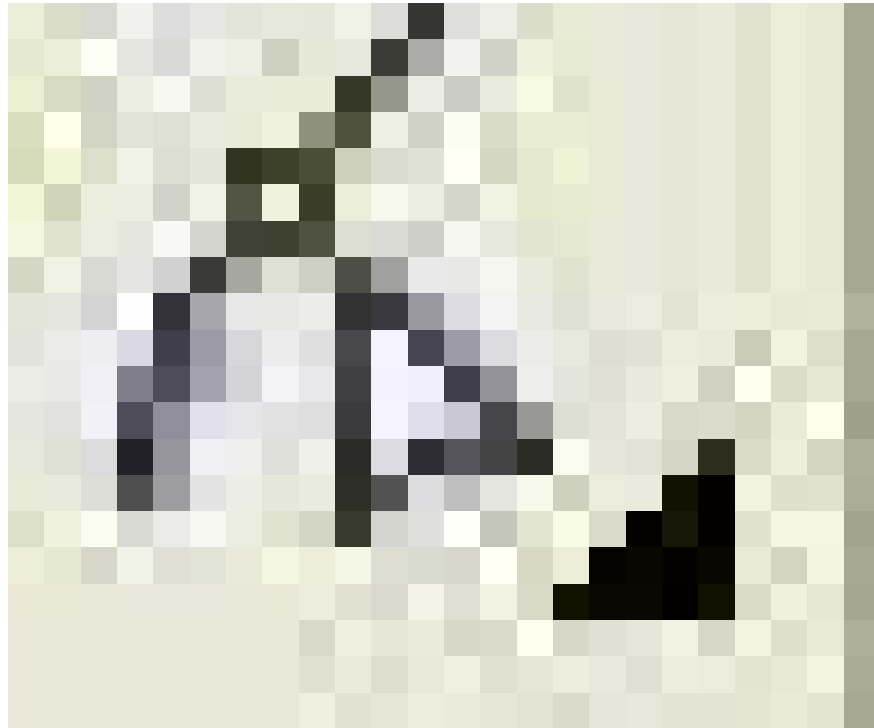

**Step 1 :** Draw the upper half of the cone shaped icon

- Select the *Bezier Tool*

then draw straight lines to create a triangle

- Select the node adjustment tool ( *Shape Tool - F10*

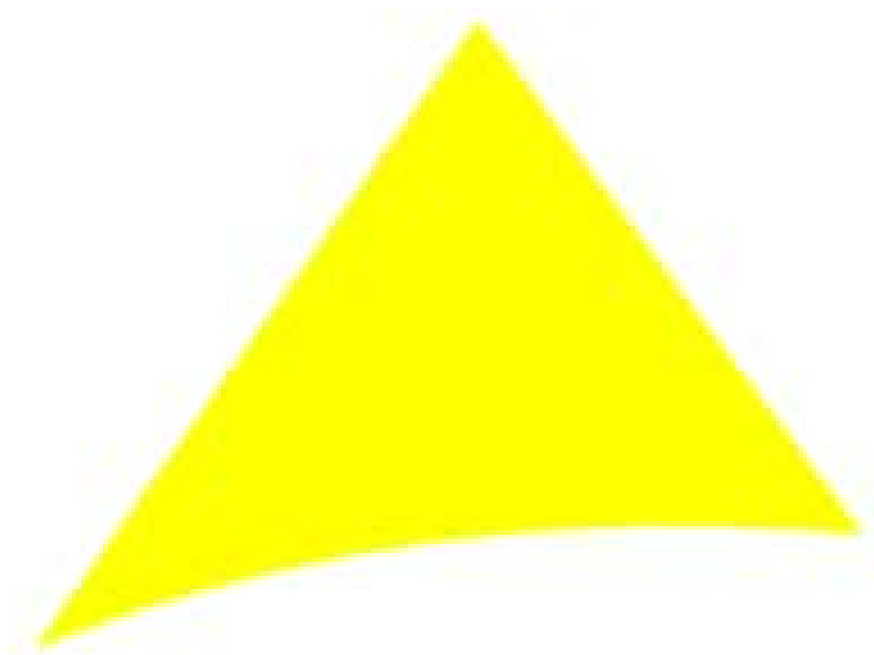

)

- Click on the bottom edge of the triangle, on the *Shape Tool* properties bar, select the *Convert Line to Curve* box

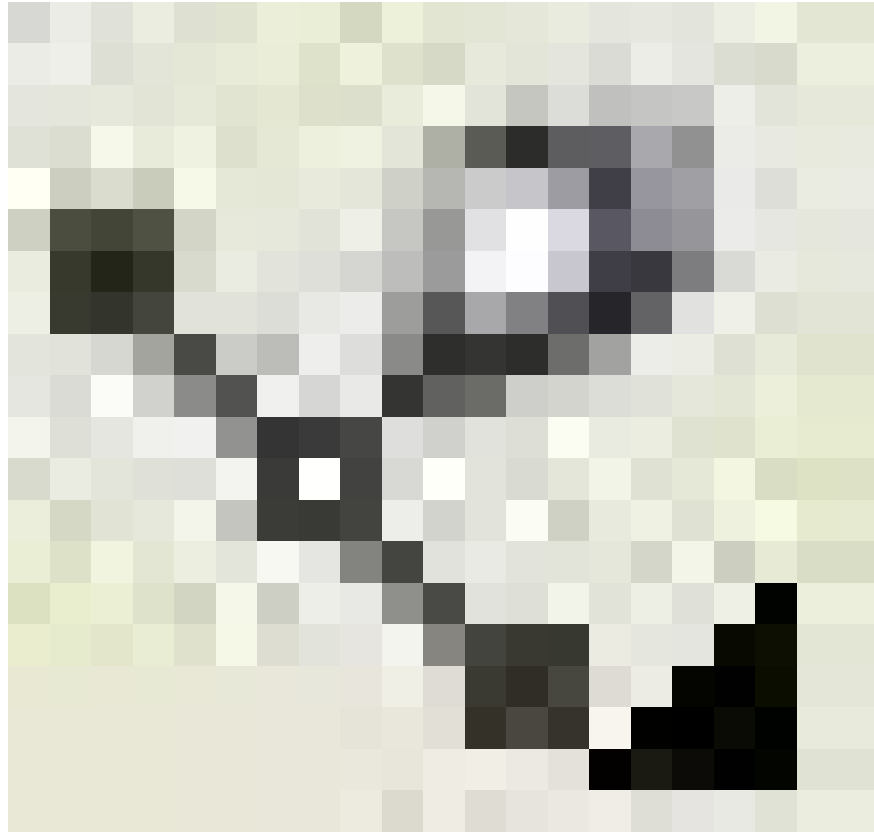

then bend this straight line

- Select the image then right click and left mouse button on the yellow icon to color the background and the border

**Step 2** : Draw the lower half of the cone shaped icon

- Similarly step 1 you select the *Bezier Tool*

then draw a triangle

- Select the node adjustment tool ( *Shape Tool - F10* )

)

- Click on the bottom edge or left edge of the triangle, on the *Shape Tool* properties bar select the *Convert Line to Curve* box

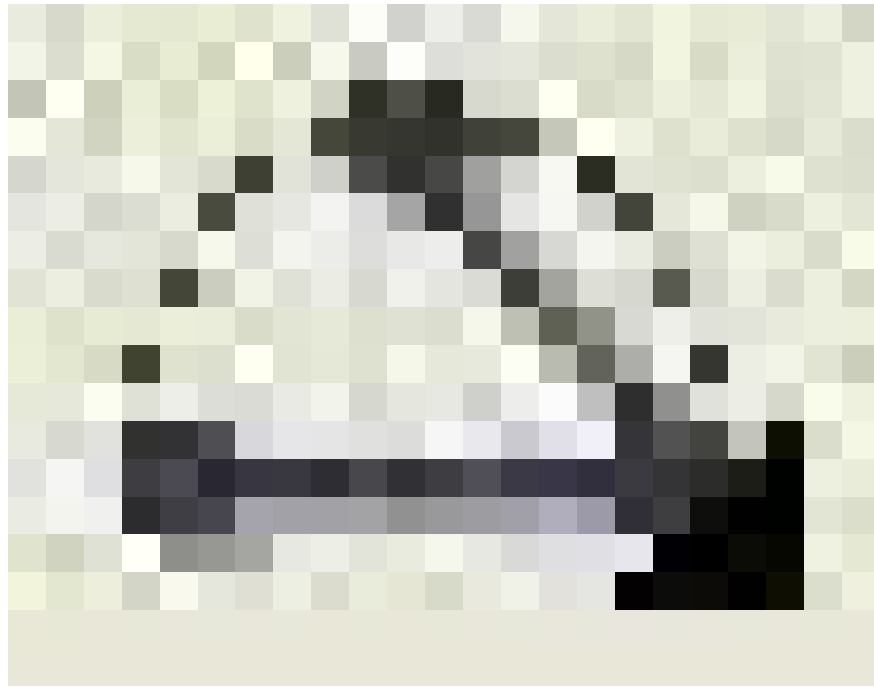

then bend these straight lines

- Fill the background and border with blue

**Step 3** : Draw the arc symbol

- Select the *3 Point Curve Tool*

then draw two bow lines that have the same beginning and end points

- Adjust the bow curve accordingly and fill it with yellow

**Step 4 :** Write the word

- Select *Text Tool* - *F8*

then write 2 words, **APEC** and **VIETNAM 2006**

- Choose *Font* and *font* size accordingly and fill it with red letters for **APEC** , blue for **VIETNAM 2006**

**Step 5** : Complete

- Move the arrangement of images to complete the work
- Select all shapes, right click and select Group to group all shapes into a single image
