

# Couple Destroying Run - A fun game for young FAs to break couples in love

The Couple Destroying Run is a fun and extremely funny game that helps the long-time FAs to do what they want to do long ago, breaking the lovers on the road.

The Couple Destroying Run is a fun and extremely funny game that helps the long-time FAs to do what they want to do long ago, breaking the lovers on the road.

The Destroying Run couple comes from the land of cherry blossoms with the original name "? ? ? ? Run".

In the game, players will play a longtime FA youth who breaks down intimate couples in public places, namely knocking out couples in hand from behind. Talking is simple, but in the game players need to skillfully control the character to have the correct direction to run through the middle and to knock the couples down or you will be 'thrown for a match' and play again from the beginning there.

With 2D graphics, the characters in the Couple Destroying Run are extremely cute and colorful. In addition, the game also possesses funny sounds that contribute to the enjoyment of the player.

While the Couple Destroying Run has been around for a long time, this 14-2 valentine's day is unexpectedly shared on social networks.
