

Court announced Steve Ballmer was able to buy Los Angeles Clippers

Steve Ballmer former Microsoft CEO is now able to buy Los Angeles Clippers. This is one of the most professional basketball teams that Ballmer tries to buy for \$ 2 billion.

Steve Ballmer former Microsoft CEO is now able to buy Los Angeles Clippers. This is one of the most professional basketball teams that Ballmer tries to buy for \$ 2 billion.

Donald Sterling , the former owner of the team, prevented the sale by a lawsuit and today the judge's verdict against *Sterling*, *Ballmer* is removed from the lawsuit to buy *Clippers* .

" *We are delighted that the court has affirmed Shelly Sterling's Los Angeles Clippers sale for Steve Ballmer. We look forward to the transaction as soon as possible.* "

Ballmer has always been an active person and we can expect the best that he will bring to LA. Maybe this team will be renamed *Los Angeles Clippys* .
