

# Criteria for choosing partners of world billionaires

To demonstrate this, let's see how life's most intelligent men, nobles and rich men are intelligent.

A smart woman is always the focus of the men and has a strange attraction to them. A smart woman is not only successful in society but also a strong rear in hard times as well as happiness. They can be a great supporter for husbands not only in business but also in family life.

To demonstrate this, let's see how life's most intelligent men, nobles and rich men are intelligent.

**Prince Harry: Choose a wife with a kind heart, a confident and noble style**

In the past few days, the information that Prince Harry married has attracted a lot of attention from many people around the world, not only the grand wedding but also the intimate and lovely gestures of Prince Harry. for his fiancée Meghan Markle is an American actor. Before the "Cinderella" girl reached the position that millions of people wished for, she had been widely talked about by public opinion that was not commensurate with the Prince of England.

Meghan Markle is a multi-ethnic person, has passed a boat once and is more than 3 years old. The first time the two met in 2016, when Meghan Markle was 35, the Prince was 32 years old. After that fateful meeting, Harry was "struck by love" with Meghan even though Harry had never watched any of the films she played. Before becoming a girlfriend of the Prince of England, Meghan used to be an expensive show actor who had a super-bad cat. However, many people will be surprised by her life is very simple, living in a rented house and often wearing the costumes of popular fashion firms.

Apart from the above factors, what about this girl who attracted our Prince Harry? The answer is that Meghan not only possesses bright eyes, bright smile, attractive way of talking, a confident and noble manner, but she also has a kind heart.

Meghan is the global ambassador of Canada's World Vision Humanitarian Organization for the protection of equal rights for women. At the age of 11, she wrote to Procter & Gamble, a dishwasher, objecting to the gender discrimination in their advertising, and sent to the first lady Hillary Clinton's lawyer for her impact on the property. Export removes the broadcast.

In 2014, Meghan Markle became an advisor to One Young World Charity and a member of the United Nations Organization on Gender Equality and Feminism. In addition, the actress also praised many people for the sharp words in the speech about women's leadership and political participation in 2015.

### **Billionaire Warren Buffett: Choose smart people, personality and perfection**

Billionaire Warren Buffett once shared that the most important thing in his life is choosing a partner to accompany him throughout this life, how to choose a mate that will directly affect life and work. how is your job With the support of your wife, you can rest easy to set sail.

Warren Buffett has spent two wives and his wives are wonderful women. The first wife of billionaire Warren Buffett is Susan Thompson, she is both a singer in the tea room, and a well-known businessman and philanthropist. Susan was born in a prestigious family (father and lecturer of a university), Susan was considered a smart, beautiful, personality and sure woman. She even understood and followed every little hobby of billionaire Buffett.

However, the two were separated later, but Susan always paid attention to her husband Warren Buffett. She was one of the few women looking for her husband's happiness, and after a lot of time researching and asking friends to introduce her, Susan chose Astrid Menks - a waitress at the cafe where she sang. .

Astrid Menks after moving in with Buffett without a title, but she still silently beside Buffett taking care of him from meals, sleep. Astrid Menks, despite being a billionaire's wife, is still very simple in her lifestyle, and many times she is found at a discount store. After Susan died of serious illness in 2004, Menks helped the billionaire overcome his sad days and two years later, her silent sacrifice finally paid off when officially becoming 2nd wife of Warren Buffett.

**Billionaire Jeff Bezos: Choose "solid", intelligent, intelligent "rear"**

Jeff Bezos - the founder of Amazon - the online retailer is not alone in building the world's first trillion dollar company. In the adventures he always has a companion.

Probably not only Jeff Bezos but many men are always proud of having an intelligent, intelligent, resourceful and open wife. Before getting married, Jeff and his wife were co-workers with the same company. Jeff's wife's selection criteria is a smart, resourceful woman. After working together and getting to know each other, MacKenzie is the woman who is qualified to be Jeff's wife. They got engaged after 3 months of getting to know each other and getting married 6 months later.

Although not a person with much experience in the business field, MacKenzie has always been a supporter of her husband to establish his own company. In 1994, two people led hands to leave the old company and moved to Seattle to create Amazon. Jeff Bezos's wife takes on the role of accountant at her husband's company.

**Billionaire Bill Gates: Choose "subordinate" simple but profound, intelligent and rich in compassion**

The criterion that Bill Gates chooses is not beautiful or high-class people like supermodels or famous stars, the most important thing for him is to find the first-minded person, to build a happy home together happy. After a period of searching, the woman of his life finally appeared. She was a very popular, but extremely intelligent and compassionate person, Melinda Gates.

Bill Gates has found every way to conquer Melinda. Although she is intelligent, she is very principles. Although she has feelings for Microsoft boss, she still distinguishes between work and emotion. When she became a billionaire lady, Melinda Gates still kept a simple lifestyle and regularly participated in charitable activities.

Bill Gates once shared that Melinda was the one who helped him change his mind, from a dry person, only known to work that became more open, patient and compassionate.

**Billionaire Mark Zuckerberg: Choose a girl with a kind heart, full of love**

The billionaire marriage of Mark Zuckerberg and Priscilla became the focus of attention when Facebook boss chose his wife who has a normal appearance. Perhaps, in Mark's eyes, he saw Priscilla as a man with a kind heart, strong and full of love.

Priscilla is Chinese-American, her parents are just ordinary workers. Priscilla graduated with two prestigious universities, Harvard and California. Because of her love for young children, she became a pediatrician. After the kiss ended, she and her husband created a charity to help people with unhappy lives. It is the simplicity of Priscilla Chan that holds the heart of the world famous billionaire.
