

Decode 10 interesting details in Unpacking game

Undeniably, Unpacking is a healthy, light and cozy puzzle game suitable for all ages. While playing the game Unpacking, you will accompany someone to go through many different stages in life.

Through moving, organizing, and decorating, we can better understand their hopes, dreams, choices, and important decisions.

While unboxing, arranging and decorating the bedroom, kitchen, living room, etc., you will interact with many different items. And they are not simply objects, the developers cleverly put small messages into them. Let's discover 10 interesting hidden details in the game Unpacking.

10 hidden details in Unpacking

My Little Pony

It's a classic toy of the 90s, reminding us of a brilliant childhood sky.

Tomagatchi and Giga Pet

2 types of pocket pets that you will take care of every day. It was also a popular toy in the '90s, before we had Nintendo and more sophisticated consoles.

Do you remember Troll Doll?

Apparently the developers at Witch Beam have very fond memories of the '90s as they continue to include a classic toy from this period, the blue haired Troll doll.

Cassettes

Long before they were the concept of files or CDs, cassettes were the primary means of entertainment in life. In Unpacking PC, you will once again encounter colorful cassettes and have to find a way to arrange them properly in the box and then put it on the shelf.

A book about Peter Pan

A story book for children, recalling the golden age of children's books. Do the 2 words PP on the cover of the book remind you of the boy Peter Pan and endless adventures?

Board game Operation

The board game was extremely popular at the end of the 20th century. And it's impossible not to mention Operation.

Gameboy game console

The console that appeared in Unpacking was inspired by the legendary Gameboy.

Put the brush in the cup

The action associated with the childhood of many people is to put the toothbrush in the cup. Now you have a lot of items to organize them more scientifically, but this image is still extremely impressive in everyone's memory.

George Foreman Grill

As soon as you reach the kitchen area, you will see what looks like a George Foreman grill. You have to put it on the top of the cabinet because the size is quite large.

Stuffed animals

An interesting point in Unpacking is that there are items that live forever, such as stuffed animals. Whether you are in kindergarten or going to university, stuffed animals are still with us in every sleep.

Not just simply arranging items, the game takes you back to your childhood and past memories through a lot of unique items. How many of them do you recognize?
