## Decorative sofa

In order to make the space on the sofa more eye-catching and impressive, you can use pine branches and pine leaves to form a series of leaves that hang on the sofa. Decoration for this pine tree leaves a few small, white stars are also a suggestion to blow the soul and attract the attention of more guests.

This method is very beautiful and very unique.

If you still feel that you are not enough to adorn the living room, you can combine Christmas and Christmas laurel wall stickers to decorate. Depending on your ingenuity, we can tailor to each area in the house.

## **Decorated tea table**

You can make pine leaves into big laurels, put in the middle of a colorful flower pot to match the color of the house. Don't forget the highlights on the laurels for a few pine nuts. To increase the light and warmth for the living room, you can also decorate candles for Christmas night to add sparkling colors.

Certainly it will attract every look of any visitor to your home.

## **Decorate shelves and podium**

At the shelves, the podium in the house you can flower or flower. For a white house like in the picture, white flowers are the best choice. Remember to add a few pine nuts on the flowerpot, it will catch a lot more eye.

No need for a big Christmas tree, the Christmas atmosphere still pervades your home with this new idea. If possible, add a few gift packages and candlesticks to make the shelves and podium more perfect.

Using pine and pine leaves to decorate Christmas is quite suitable for small houses.

## **Decorate the Christmas kitchen room**

To decorate Christmas for the kitchen area, you need to clean and store kitchen utensils for space. Similar to the above, you continue to use pine needles and pine cones into laurels and display them on shelves. To make it stand out, you can put small pine nuts in a glass jar and display it at the location you want.

Design right for your kitchen this idea come on.
