

Delete WhatsApp account on phone in 6 steps

WhatsApp Messenger is currently one of the most popular mobile messaging applications, especially for young people. Therefore, it is also addictive to distract your daily work. At that time, you may want to delete WhatsApp account. If you still have concerns about how to do this, please refer to the steps below.

WhatsApp Messenger is currently one of the most popular mobile messaging applications, especially for young people. Therefore, it is also "addictive" to distract your daily work. At that time, you may want to delete WhatsApp account. If you still have "concerns" about how to do this, please refer to the steps below.

1. Download WhatsApp Messenger for iOS
2. Download WhatsApp Messenger for Android

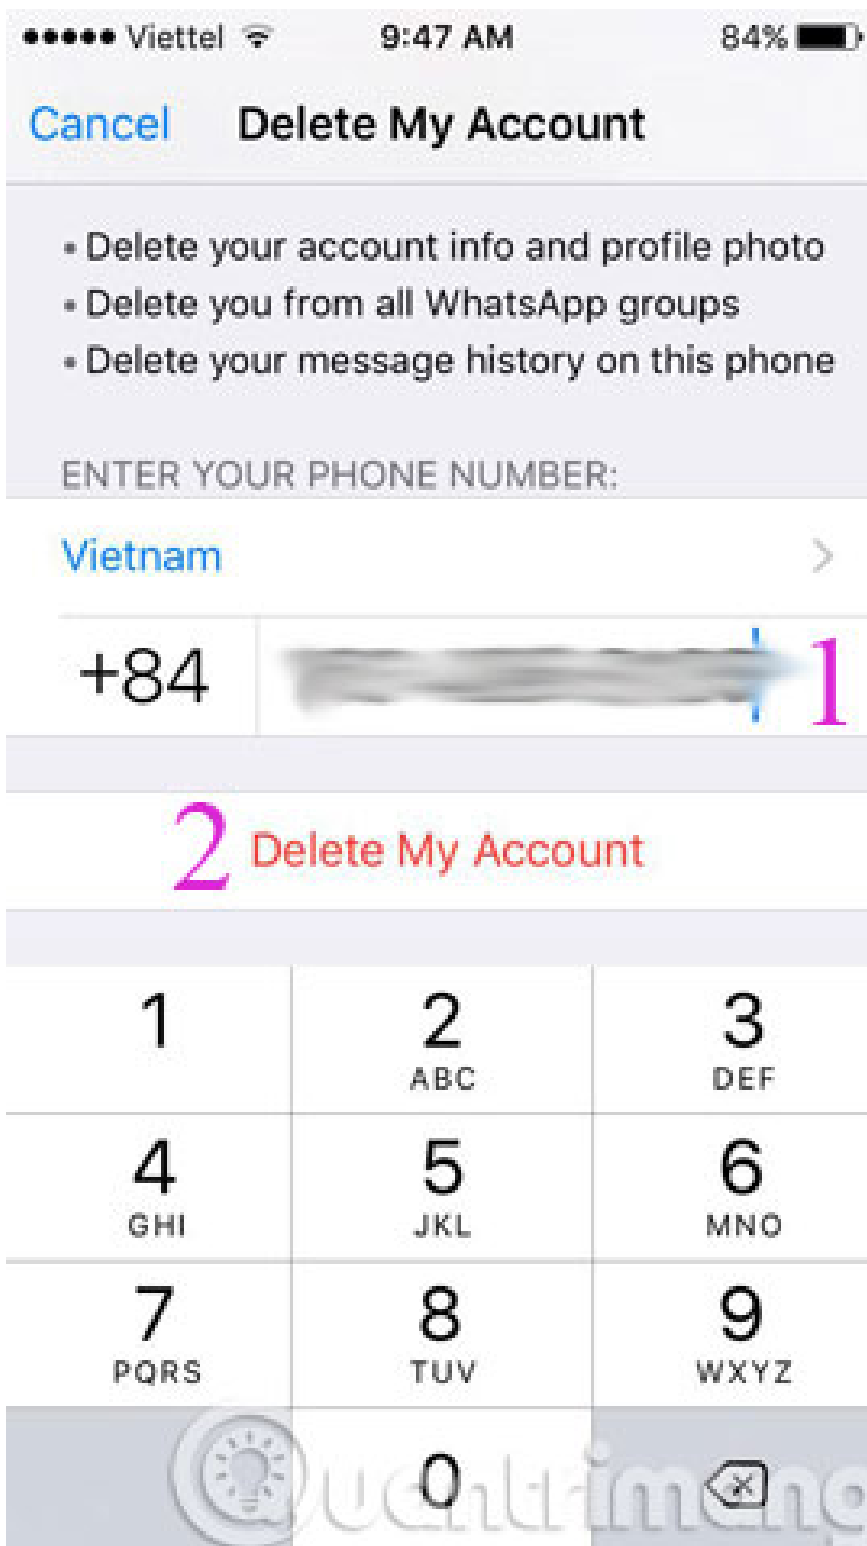

Step 1: Open the WhatsApp application, click the Settings menu and select Account

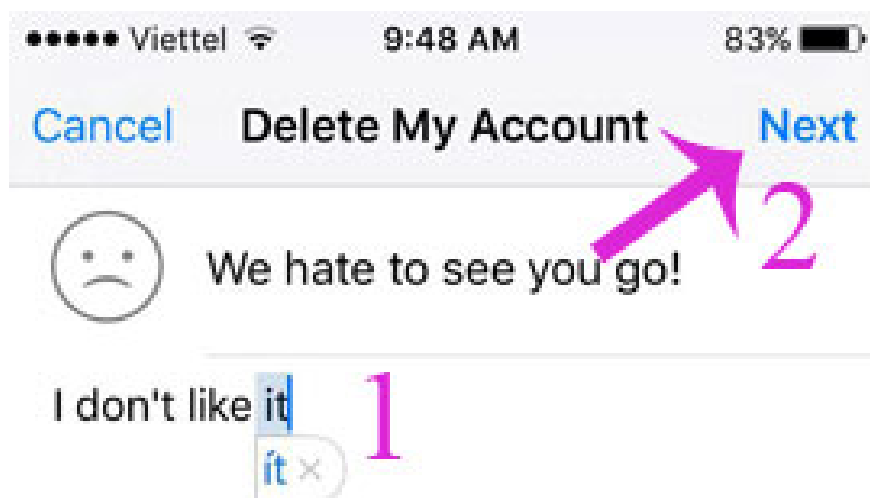

Step 2: In the Account interface, click Delete My Account

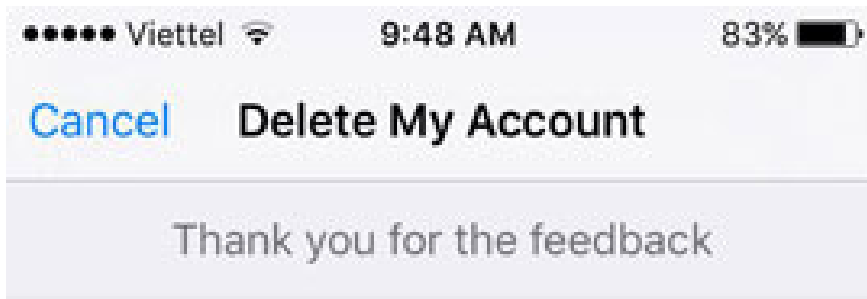

Step 3: Please enter the phone number then click Delete My Account

Step 4: Please specify a reason that you want to delete and click Next

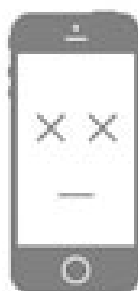

Step 5: Please confirm the deletion by pressing Delete My Account again

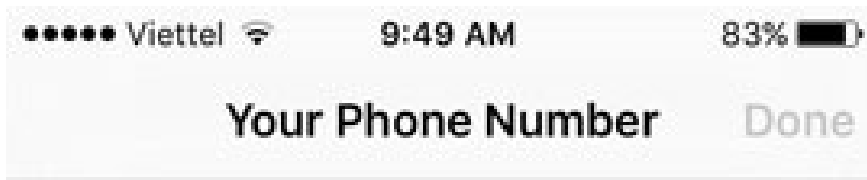

Proceed to delete your account?

It is impossible to reverse this action!

If you reactivate your WhatsApp account in the future, your data will not be recovered.

Step 6: When the screen appears the following message means that you have successfully deleted.

Account deleted successfully. If you want to use WhatsApp again, please confirm your country code and enter your phone number.

Vietnam >

+84 | your phone number

If you want to delete more accounts, do the same steps.

1. How to use WhatsApp to chat, call, message your friends
2. Things to keep in mind when using WhatsApp on the Web
