

Dell introduces a luxurious Vostro laptop in Vietnam

Notebooks feature many of the Adamo 'super products' with slim design, surface made of aircraft alloy and many advanced features.

Laptops have many characteristics of " *super product* " Adamo with thin design, surface made of aircraft alloy and many advanced features.

The Vostro 3400 is quite light in weight, about 2 kg, suitable for moving. The device allows buyers to choose multiple configurations such as Intel Core i processor, up to 6 GB RAM, 500 GB hard drive with 7200 revolutions per minute, video card from Intel or Nvidia GeForce 310M.

Product integrates 14-inch LED screen, resolution of 1366 x 768 pixels, Anti-Glare anti-glare technology for sharp images under the sun. The multi-touch TouchPad Gesture keyboard helps zoom in and out of images with 2 fingers.

Other notable parameters include USB, VGA and HDMI ports, a multi-format memory card reader and an expanded Express Card slot.

Vostro 3400 is distributed in Vietnam with a starting price of 14 million VND.
