Any new faction appears to make waves. Not only is the expectation of people who like to discover new things, but besides that, the other factions also feel very 'excited' because there is about to be a new force, and they expect that force. can it be done cleverly or not?

Coc Coc officially became the 10th sect of **Tan Thien Long Mobile** . A game with many sects, especially a swordplay game, surely attracts a lot of attention plus the inherent curiosity of gamers who love this genre, making it even more attractive. . Simply want to discover how great martial arts on the Wanderer, any faction against which faction is still a mysterious sky 'super huge' that explores nostalgia still does not go away.

A lot of mixed opinions appeared immediately after the information on Coc Coc was released in Tan Thien Long Mobile was announced. There are gamers interested but there are also gamers who are not satisfied with this. If they like it, they don't have to discuss it because they are excited about something new, because of the game, who doesn't like the concept of 'making a new version'?

And not satisfied, why? Because this is mostly the number of old players of Thien Long Bat Bo PC version, they come to Tan Thien Long Mobile to remember the olden times and back then, Coc Coc was still a rather 'luxurious' concept, they are only impressed with Wudang, Minh Giao, Tinh Tuc, Tieu Dao, Nga My, . are many. And more correctly, the Devil on the PC version was only updated by VNG in 2018, which is quite new.

Does Coc Coc will satisfy all gamers of Tan Thien Long Mobile? Let time answer!

The new version not only has a fever with the new discipline, but also brings a feature that has been long-awaited by the community: Lien Server Competition. In this copy, players fall into a chaotic state, competing with hundreds of players on a large scale, promising dramatic dramas that will take place constantly. Anyone who plays the swordplay game also 'refuses to stand up' to such an attractive feature, they always want to compete with people from other servers to prove their bravery, even learning more.

In addition, the version also updates an extremely new feature, Long Van. Long Van originated from the custom of tattooing of nomadic peoples, gradually spreading to Trung Nguyen. Long Van's tattoo has a strange power that helps the Gypsy players break through their martial arts limits.

Accordingly, when wearing Long Van, you will add penetration properties to help the character bypass both internal and external defenses and attribute resistance. Who plays the PC version is certainly no stranger to this equipment.

While waiting for the new version, let's go to a more scattered place about the origin of Coc Coc.

Demons have high internal strength, a combination of Thien Dia Huyen Co and an agile move that cannot be avoided. Coc Coc has been practicing Phu Luc Thuat and Quan Tinh Thu since childhood and incorporated into martial arts. They also controlled many Star Gods, causing the aura to move, restraining the enemy.

Coc Coc's martial arts is more of a strategy, the disciple is capable of displaying many battles, reversing the situation. They are strong in internal attack and attack attributes Huyen and Hoa. With a balanced system of manual skills, Dem Coc promises to create a new dimension for Tan Thien Long Mobile.

Coc Coc appeared in the spring and autumn of the patriarchs Vuong Thien, who is Holy Hien Dao Gia, famous by Tung Hoanh Thuat, hiding in Devil Coc, calling himself Coc Coc Tien Sinh.

Coc Coc knowledgeable Tung Hoanh Thuat, changed arbitrary yin and yang, taking the need for treatment. Martial art school combines Quan Tinh and Horoscopes, difficult to change tactics.

Period of rotation, everything changes. Coc Coc devotees use Tung Hoanh Thuat to decide the world, they can be high-ranking people or can be the imperial army but absolutely never mention the monk . That's why the sect This gradually disappeared in Gypsy.

Until the Northern Song period, the people were in chaos, the Coc Coc propaganda gave up the refuge and monks to support the Song Dynasty. The good at the court, the good martial arts to protect the publicity. Other than the rule of the disciple, Devils disciples do not hesitate to do anything. They can destroy enemies in a blink of an eye, can even disturb the royal court. The royal conduct, loving the people, taking control of the world, that is the unmistakable demeanor of Coc Coc.

It can be said that Devils are smarter than people, knowledgeable Tung Hoanh Thuat can swap yin and yang at will, taking the need for erection. Martial art school sect combines Quan Tinh and Horoscopes, which can change suddenly and suddenly.
