

Disney Park is now available on Google Street View

Now you can explore all 11 Disney-themed parks right on the Google map app.

Now you can explore all 11 Disney-themed parks right on the Google map app.

There is a much cheaper way to explore the Disney world, which is a virtual journey through Google Maps and Street View applications. Google recently announced that it will put 11 Disney-themed parks in its application.

Deanna Yick, manager at Street View, said, 'We want to bring new amazing views'.

Discover every place in Disney park

Accordingly Google Maps will have a 360-degree image and video that Street View users have turned and shared. Let's explore Disney's fantasy world here.
