

# Do you know how to wear a watch so beautiful?

There are quite a few people who pay attention to how to wear the watch properly, suitable for themselves. If you know how to choose the right type of watch for you and how to wear it, it will enhance the luxury for the user.

Today, many people use watches as jewelry rather than the usual watch. But not everyone knows how to make this jewelry accessories suitable for themselves, as well as exalted nobility when we put it on our hands.

While simple, small, the watch can help you stand out for your personality, show your flair if you know how to choose the right type and use it. In the article below, we will tell you some experiences to wear watches that are luxurious and noble

## 1. The watch fits the wrist surface diameter:

Choosing a watch that is the right size for your wrist is crucial in whether the watch is right for you. Even if you really like a watch whose size is too big for your wrist, it's best to look for another option, because wearing a watch that is too big on your wrist is like wearing a copper Wall hanging on hand.

There is a recipe on the internet about choosing "gold" for wrist watches that you can refer to:

1. Wrist circumference / 4.5 = optimal clock size
2. Wrist circumference / 4 = maximum watch size
3. Wrist circumference / 5 = minimum clock size

If your hands are thin, don't wear thick watches that will look very heavy and like dumbbells dangling in your hand, choose thin or moderately thick ones.

## 2. Select the clock according to the intended use:

Gold watches from AZ always cause eye pain and hard to associate with clothing, even causing you to lose feelings with others. If you still like gold, please suggest that you should wear rose gold, which will look younger and more elegant.

If you are an office worker, a working office always wears elegant clothes, you should choose simple and elegant watches with metal wires. It will help you be right and assertive at work. Your age is a bit old, you can choose yellow bands, a little younger ones, you can choose white or half-colored, it will be very elegant and luxurious.

If you are a sports lover, having a strong personality often works with your hands and feet, you should choose big, thick watches. Because these watches can withstand very good impact and water resistance.

## 3. Combine with bracelets:

Whether you are young or old, while going to school or working, wear a watch with 1 or 2 bracelets that will look young and honor the watch you wear. Of course, if you are old, you should refrain from wearing fancy

rings of rainbow colors. These types of bangles with watches can be easily found on online shops on facebook or purchased on your own.

#### **4. Clocks combined with costumes:**

When wearing a dress, you should combine it with a silver or gold watch with a glass surface. Contraindication to electronic clocks or watches with electronic numbers. This type of metal wire watch can be used in parties or social meetings. You can also mix colors with the skirt and shirt tones you wear. At that time, you will be stylish and suck your eyes.

The watch with leather strap or dial or electronic dial is suitable for everyday communication, popular outfits. If you don't need to be "cool", you can also choose sports watches that are comfortable.

You can use sports watches for your active dress style like jogging shorts, wide T-shirts, loose pants . These watches should be waterproof and have digital numbers. , make sure your activity is sweating as well as your workout.

Be cautious when matching watches with your fashion. Dark color watches will blend easily with different costumes, whereas bright colored watches attract eye contact and are harder to control.

Men should wear black wire watches, combined with black or gray items. With brown dresses, choose brown cord watches. Likewise, metal wire watches should go with bright, white color suits.

## 5. Which clock can replace the wire:

You must have wondered because the watch that you want to buy with the face of the watch I really like but has the cloth or steel wire, while you like the leather strap. Never mind because you can easily buy another replacement cord with the price ranging from 100-400 thousand dong. The operation is very simple, you can ask the pavement watchmaker to replace them or buy the tool set for only 10 thousand dong for self replacement.

With the above notes, we hope that you will have more experience when choosing to buy watches to enhance the beauty of yourself, as well as highlight your own personality.
