From now until July 2 , Epic Games Store will free 2 AER games: Memories of Old and Stranger Things 3: The Game for players to download and experience the game.

AER: Memories of Old is an adventure game, discovering a series of mysteries to wake up the ancient gods after 9 years of 'sleeping' on the 9 clouds, leaving the world in an imbalance and withering.

As for Stranger Things 3, it will surely be familiar to those who have ever seen the movie Stranger Things, when the game is based on the plot but has changed some details and content to be more suitable. Players will explore the town of Hawkins and solve conundrums along with the dangers surrounding the world from The Upside Down. The following article will guide you how to download free games.
