

Download Aegis Defenders, a super cool action game, for free

Aegis Defenders has colorful 2D graphics with unique gameplay, mixing tower defense and metroidvania with 2D action scenes to create challenging levels.

Aegis Defender is a 2D action-going action game that blends an extremely attractive tower defense system. In the game, players will be taken to a new world, where the lost ancient technology has an unpredictable power, including a legendary weapon called the Aegis. An evil empire has risen and is racing to find Aegis.

The task of the player in the game is to play a group searching for ancient ruins in hopes of finding a legendary weapon so that it does not fall into the evil empire.

Aegis Defenders has colorful 2D graphics with unique gameplay, mixing tower defense and metroidvania with 2D action scenes to create challenging levels.

Aegis Defenders is currently priced at VND 188,000 and is being offered free of charge by the Humble Store game distribution platform from now until May 17, 2020. If you love this game, you should quickly follow the instructions below to be able to own Aegis Defenders without spending any money.
