

# Download Among Us for free on PC, download Among Us Epic Games

Among Us Epic Games is currently free forever. Although it has cooled down compared to near the end of 2020, Among Us still has a certain number of players.

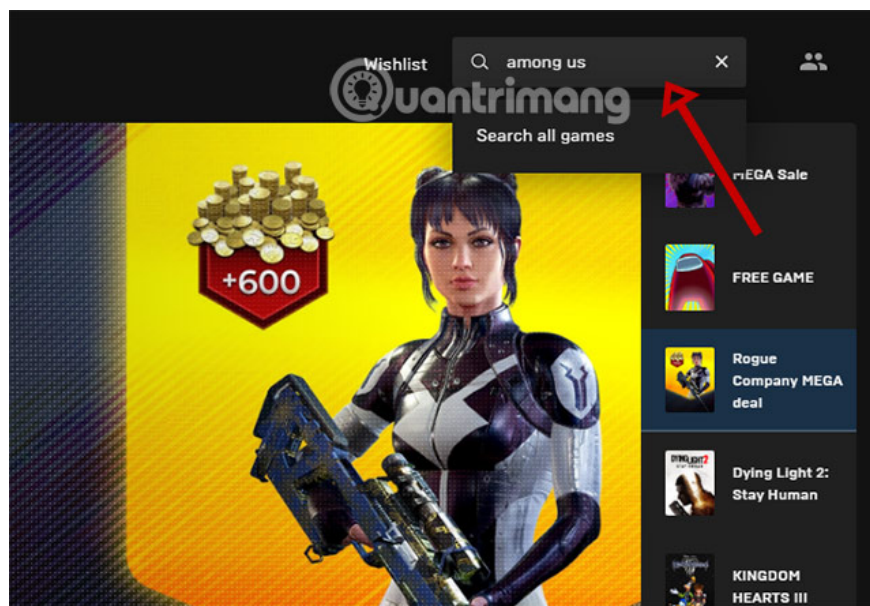

Among Us has now updated the new map Phi Thuy for players to experience.

Among Us is currently available on Steam and Epic Game. If you haven't downloaded Among Us on PC with Epic Game, please see the instructions below.

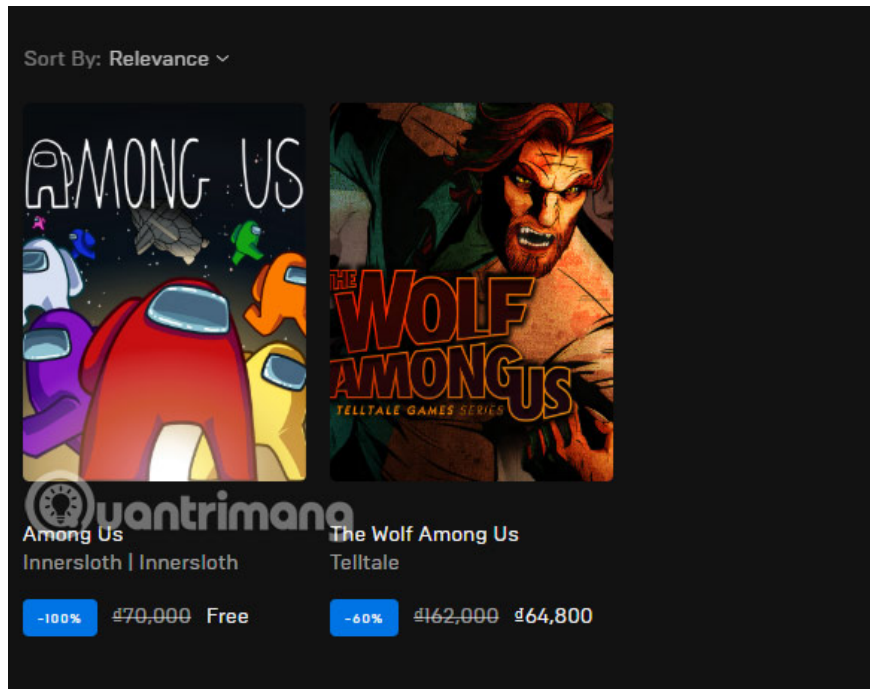

## Download Among Us for free, download Among Us for free on Epic Games

**Step 1:** Download Epic Games. If you don't have it yet, please download it from the link below and install it on your PC. Create an Epic Game account and log in. Right in the main interface, search for the keyword Among Us game on PC.

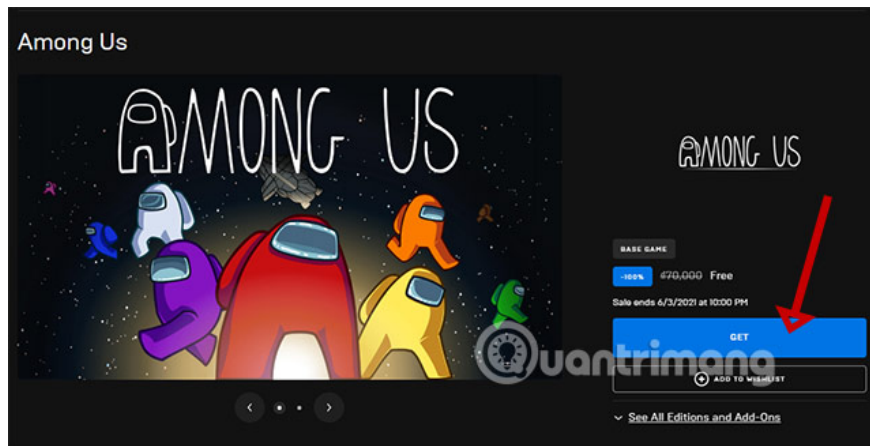

Download Epic Games PC

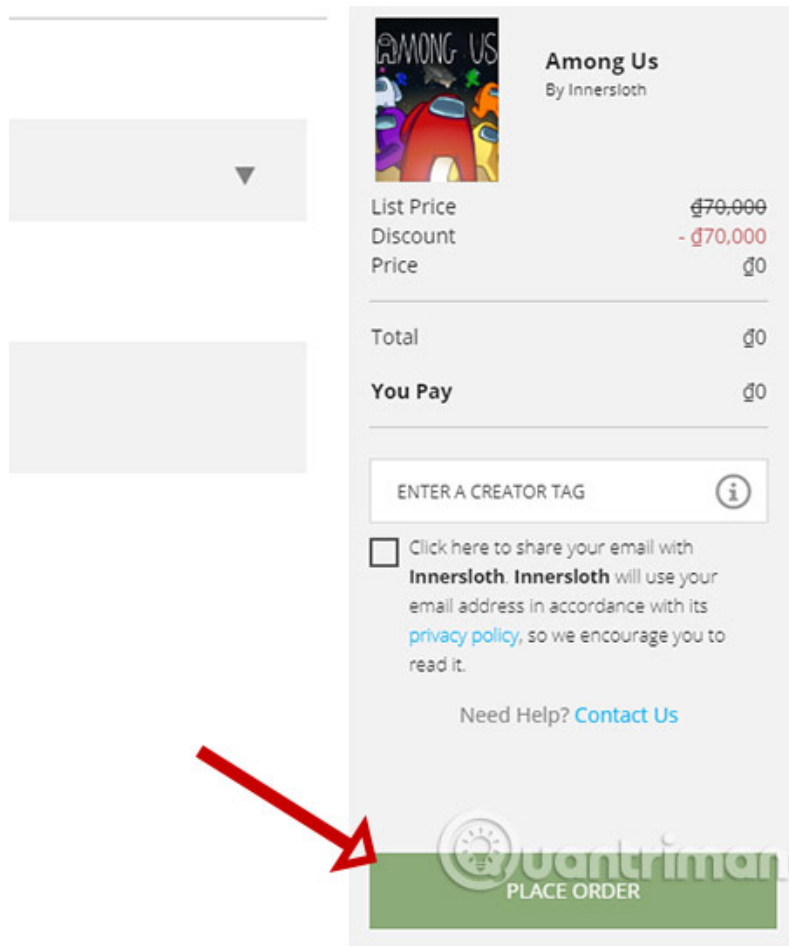

**Step 2:** Select Among Us free below.

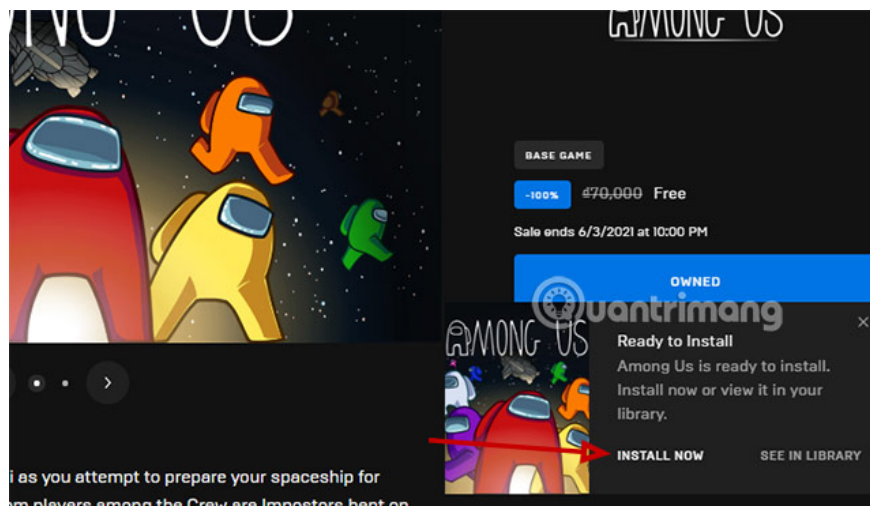

Select Get

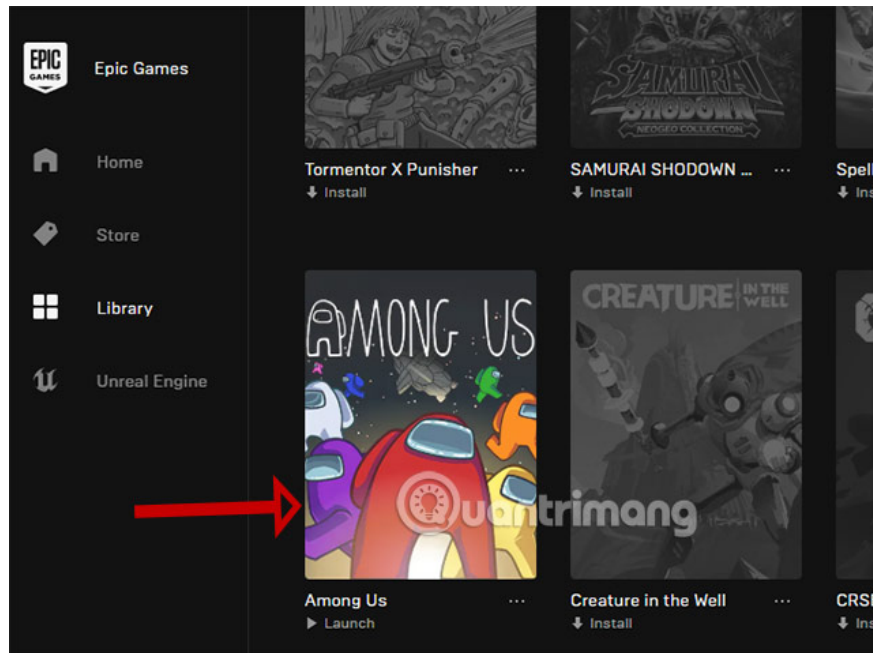

Next click Place Order.

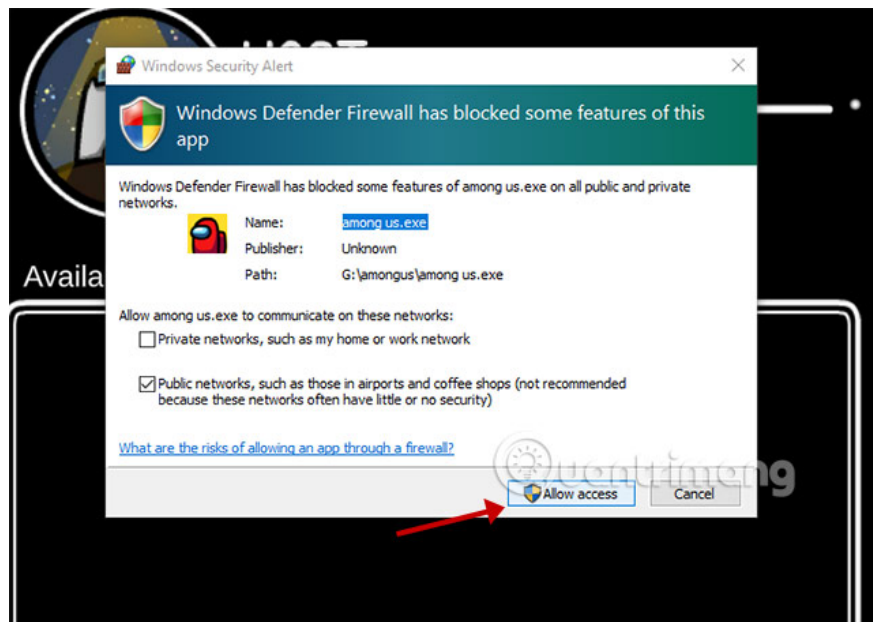

**Step 3 :** When you see the **Ready to Install** message , you can choose Install Now to install immediately or click the X in the right corner to install later.

If you install later, you just need to go to **Library** to install the game. When installation is complete, select Launch to run.

**Step 4:** Select your date of birth and click OK. Then create an account or choose to play Offline. If you create an account and play Online, select **Allow Access** in the notification below to allow Among Us to access the game.

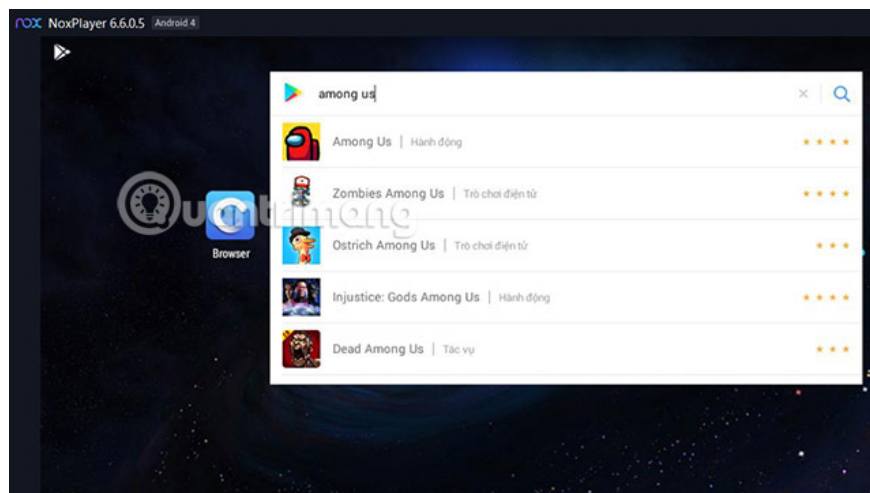

How to control Among Us on Epic Games is no different than on Steam. You still use the WASD keys to move and use the mouse for buttons like Use, Report and other icons in the game.

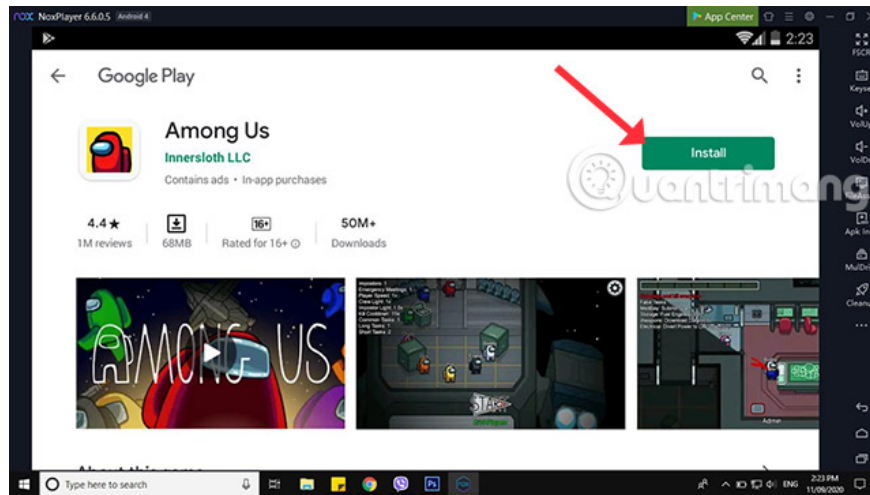

## Install Among Us on computer, install Among Us on PC for free

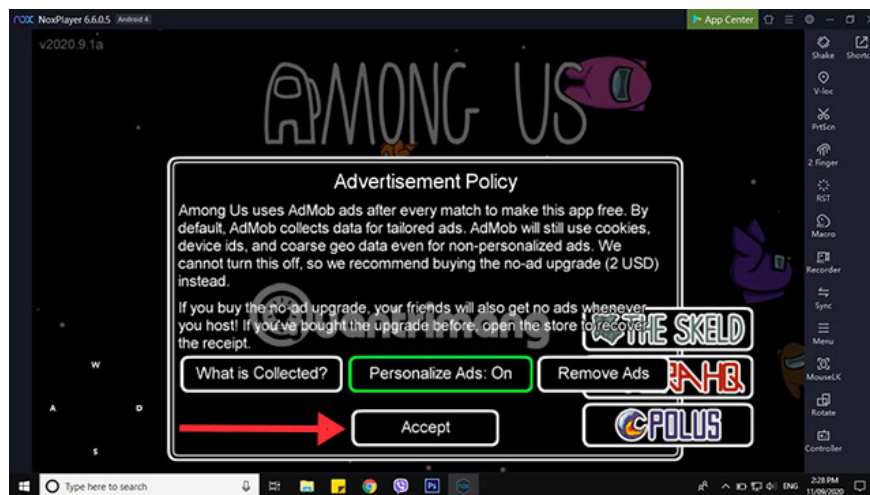

**Step 1:** First you need to have an Android emulator, it can be **Bluestack** , **Nox Player** , **MEMu** . Then turn on your emulator, write the keyword Among Us into CHPlay and select the result as shown. below picture.

**Step 2:** Click Install to install the game, then download Open to open the game.

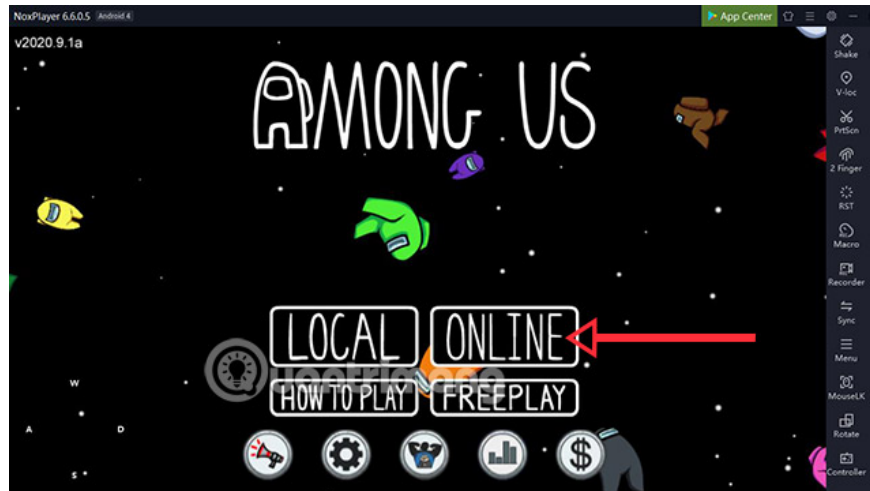

**Step 3:** Open the game, if you see a black screen, turn off the game and reopen it. Then select **Accept** at the beginning of the game.

Next you will go to the Tutorial section for instructions on how to play. If you already know how to play, click the settings icon in the upper right corner and select go out.

Outside the lobby, select Online to find a room.

Done, now you can choose a room to play Among Us.

In Among Us, you will play as a member of the crew on a spaceship. Among this crew will be one or more Imposters, who will kill each person and sabotage the ship's systems.

But he will pretend like he is other normal people, he only kills people when he is sure he and the victim are alone. You will have the duty to denounce someone if you suspect that person of murder, and that is not an easy task. If you don't justify it properly to others, you might be the one who gets kicked off the train.
