

Download Broke Protocol, the 'weird' game between GTA and Minecraft is free on Steam

Broke Protocol is currently free on Steam for 100 hours from 0:00 on August 16.

Broke Protocol is a unique game, even a bit 'weird' when inspired by 2 GTA and Minecraft games.

Graphics of the game is designed in Pixel style bold Minecraft with scenery around, from houses, trees, to cars . all are funny blocks. But the gameplay of the game is in the style of GTA game. The scene in the game is a city filled with criminals as well as police.

Players will play one of the criminals, can comfortably drive on the road, fight with the NPCs, explore buildings .

In the game, players can freely choose and create their own character appearance so that they will not be "touched". Broke Protocol also has Battle Royale mode, players will have to face 9 other players to survive the game without rules.

Broke Protocol is currently free on Steam for 100 hours from 0:00 on August 16. If you like this game, please quickly access the link below to be able to own the permanent copyright of Broke Protocol.
