

# Download Epistory - Typing Chronicles, adventure game combining action elements for \$ 14.99, is free

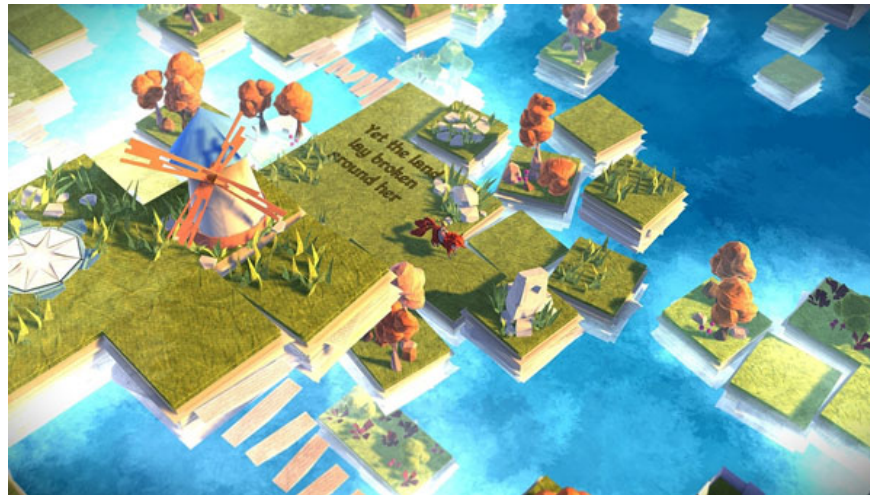

Epistory - Typing Chronicles is an adventure game combining extremely attractive action elements, highly appreciated by both players and professionals.

Epistory - Typing Chronicles is an adventure game combining extremely attractive action elements, highly appreciated by both players and professionals. The story of the game is about a writer who is not inspired to write, so he needs the help of players to write a new book. In the game, the player plays the role of a girl who performs the process through a strange 3D world on the back of a large fox. Starting from a blank page, and when players collect items (inspiring writers) the world will gradually expand. Of course, in the process of exploring the world, you will have to solve mysterious things and defeat the enemy.

The real story opens in the writer's mind according to the player's discoveries.

Currently the Epistory game - \$ 14.99 Typing Chronicles is being given a free license on the Gamesessions until April 24, 2019. If you love adventure games, combining action elements, please quickly download this game for free before the experience expires.
