

Download Facebook video 100% successful

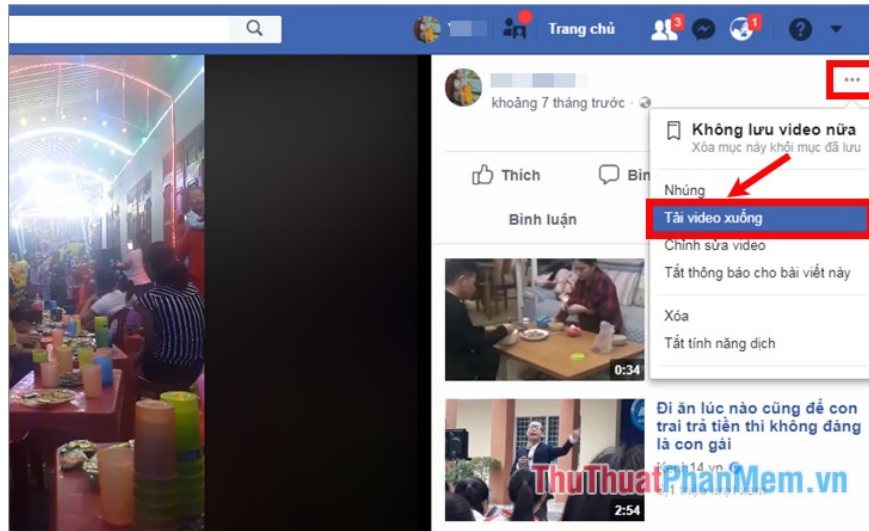

During the process of surfing Facebook, sometimes you see videos that your friends share very well and meaning, you want to download it without knowing how to download it? Or do you want to upload videos uploaded by yourself to Facebook many years ago? Here are ways to download videos fa

During the process of surfing Facebook, sometimes you see videos that your friends share very well and meaning, you want to download it without knowing how to download it? Or do you want to upload videos uploaded by yourself to Facebook many years ago? Here are ways to download Facebook video 100% successful, you can refer and perform.

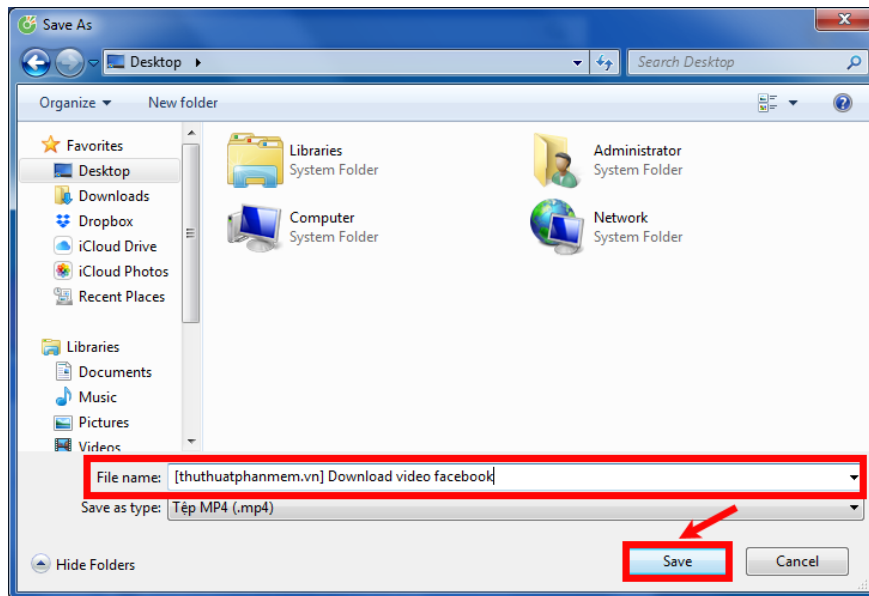

1. How to download videos uploaded by yourself to facebook

Step 1: Go to the **Photo album** section and open the video you want to download to your computer. On the interface you click the select **icon 3 dots (.)** -> **Download videos**.

Step 2: The **Save As** window appears, select the folder to save the video and name the video in the **File name** section and select **Save** to save the video.

2. Download videos from friends, share facebook fanpage

Method 1: Use website fbdown.net

To use this method, the video you want to download must be public.

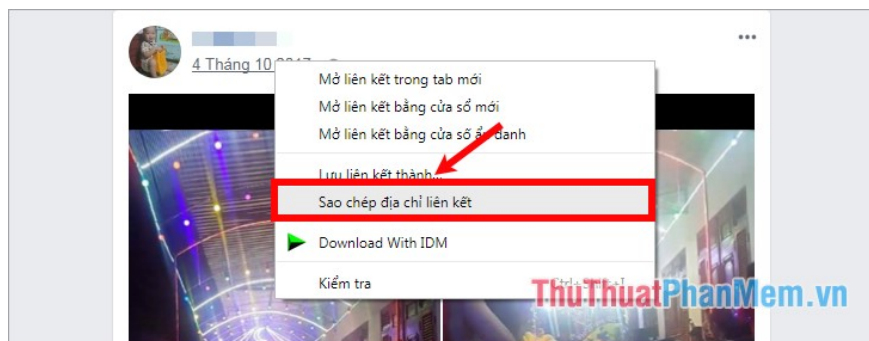

Step 1 : Open the video to view, **right click -> Display video URL.**

Then copy the path shown.

In addition, you can also right-click the time on the video and select **Copy link address** to copy the address.

Step 3: Go to **fbdown.net** and paste the URL into the white box and click **Download** (download).

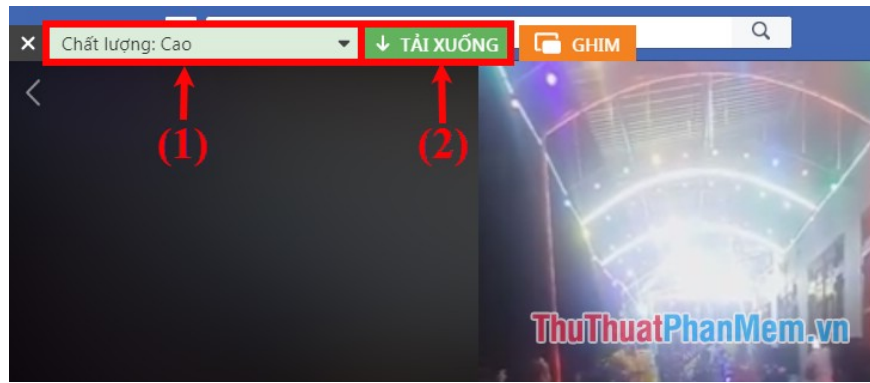

Step 4: Click **Download Video in Normal Quality** (download normal video) or **Download Video in HD Quality** (Download HD video) to start downloading the video.

In addition to the website <https://fbdown.net/>, there are a number of other websites that also support you to download facebook videos quickly such as: <http://www.filevid.com/>, [http://en.savefrom.net /](http://en.savefrom.net/), <http://www.downvids.net/> .

Method 2: Use the Coc Coc browser

You open facebook with Coc Coc browser and go to the video to download (you can use the link just copied above then paste it into the address bar of Coc Coc). Coc Coc provides video download right on every video you watch, you can **choose the video quality (1)** and click **Download (2)** to download the video to your device.
