Kingdom: New Lands is an exciting 2D strategy game with classic-style graphics, which received awards at the Independent Games Festival.

Kingdom: New Lands is an interesting 2D strategy game with classic-style graphics, which received awards at the "Independent Games Festival". In the game, the player will play the role of a king. Your first task is to control this king to gather resources, materials and solve riddles to recruit people and build his own kingdom on a strange island containing many mysteries.

When your kingdom is strong, you need to come up with reasonable defensive strategies to fight off attacks from strange creatures at night.

This is a game that combines elements such as strategy, adventure and survival, so to win the player will have to make reasonable calculations in the process of developing your kingdom.

Games and battles in the game are randomly set up by algorithms, which bring very different results after every turn so it does not cause boredom for players to play again.

Currently, this adventure, simulation game combined with extremely attractive survival elements is being given away for free on Epic Games Store until the end of June 23, 2019. If you like, you can quickly register and download before the program ends.
