

## Download Lara Croft GO and Monument Valley 2 are now free limited on both Android and iOS

In these days of disease outbreak, developers are also very 'generous' to gamers when free two mobile games of the year for a limited time.

A lot of game publishing companies have released their games for free to help people stay home during the epidemic. Today, two mobile games rated as monumental products Monument Valley 2 and Lara Croft GO, both being free on Android and iOS. To download these two games, players only need to go to the store, enter a search name and download. Gamers should do this as soon as possible, because these two super products will not be free forever.

The first super product is Lara Croft GO, developed by Square Enix - this is a turn-based puzzle game based on the Tomb Raider series. In this game, you play as Lara Croft, an explorer / archaeologist. To overcome the challenges in the game, gamers will have to control the character to overcome many obstacles and pitfalls. There are 115 puzzles in Lara Croft Go, each puzzle is intricately designed with stunning visuals and uses a swipe to move.

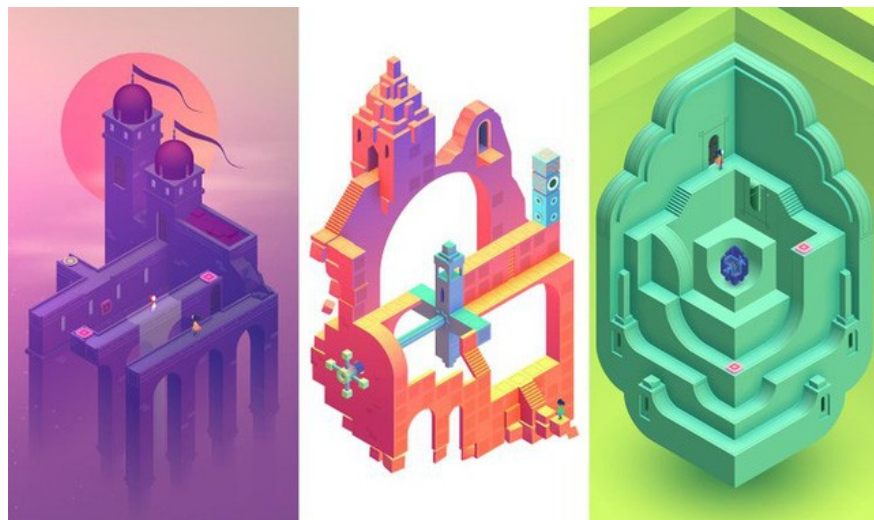

Lara Croft GO was released in 2015 and has been a great success, becoming the winning game in the 2015 Game Awards, one of the biggest gaming gala in the world.

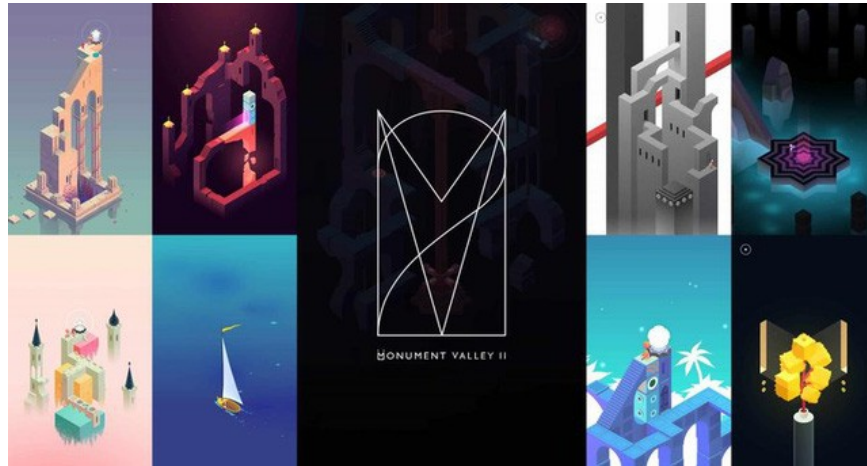

### **DOWNLOAD LARA CROFT GO:**

Android : <https://play.google.com/store/apps/details?id=com.squareenixmontreal.lcgo&hl=vi>

iOS : <https://apps.apple.com/vn/app/lara-croft-go/id971304016?l=vi>

The second blockbuster is Monument Valley 2, another puzzle game - the sequel to Monument Valley, one of the biggest hits of 2014. In this game, you play as Ro, who is on a journey to explore. Along with his daughter through the maze and challenge in the game.

The Escherian-style optical illusion is the main attraction of this game - the puzzles are extremely thorny and skillfully woven into the plot to create an exciting journey that Players will not be able to stop when turning on this game. Monument Valley 2 is the best mobile game in The Game Awards 2017, earning over 3.5 million downloads in just one year, a milestone for paid games.
