

Download now the entire Galaxy Tab S4 wallpaper

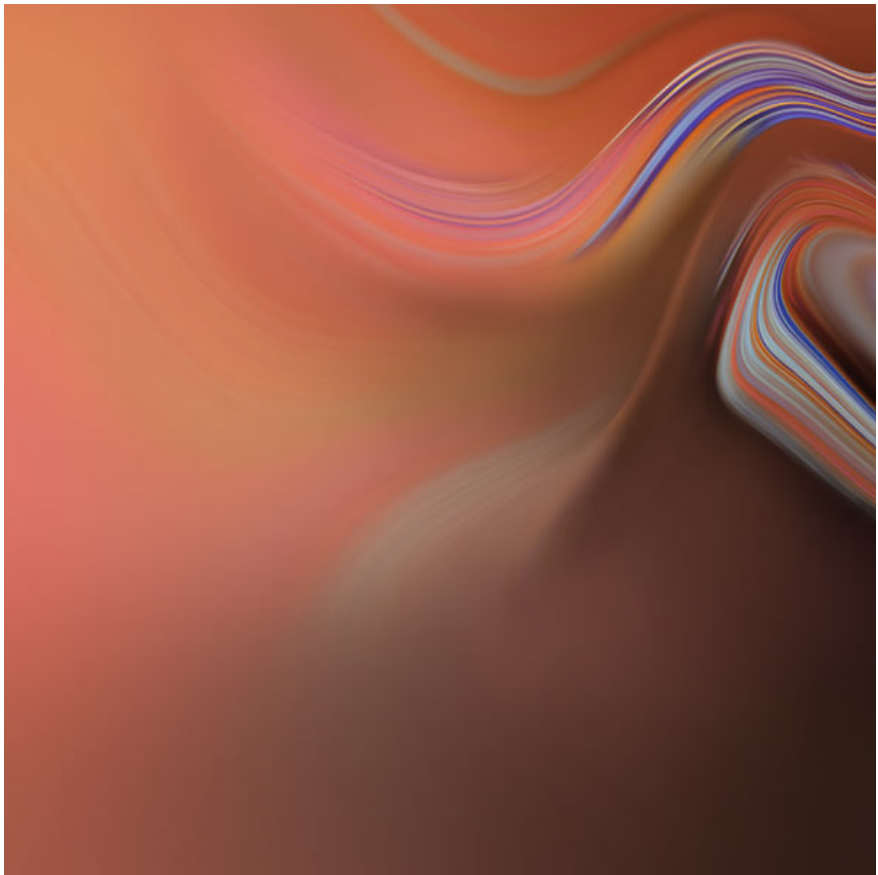

Although until 9/8 of this product has just been released to the market, thanks to the appearance of the device firmware on the network, many people have extracted the wallpaper for this device so you can Any device used. Let's see what the wallpaper on Galaxy Tab S4 is interesting.

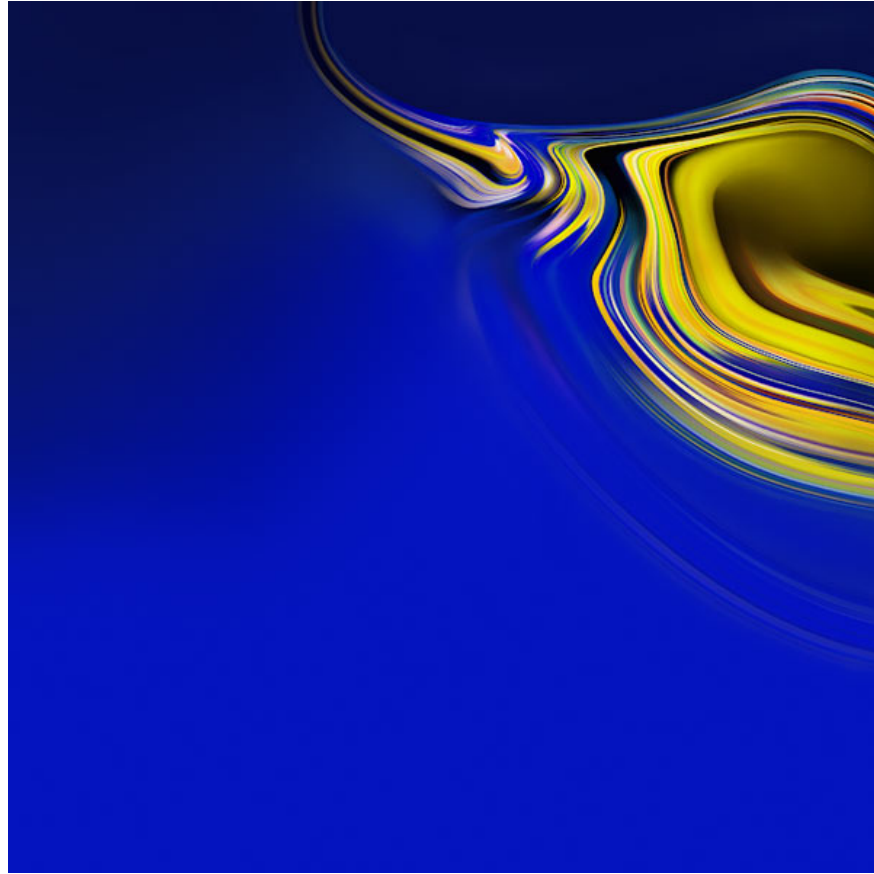

It can be seen that in the past few years, the tablet market seems quite dull, no longer receiving the attention of manufacturers as before. However, to restore this tablet segment, Samsung has recently decided to launch a super product that changes the view of many people is the Galaxy Tab S4. According to the leaked information, the device It has the same design as last year's Tab S3 and Samsung will focus on hardware upgrades with improvements such as Snapdragon 835 processor, 4GB RAM, 64GB internal memory, 7,300 mAh battery and built-in platform. Android platform 8.1 Oreo. It is equipped with front and rear camera cluster with 8 and 13MP resolution respectively, and supports Bluetooth 5.0 standard and USB-C charging port 3.1. It can be released with the Galaxy Note 9 at Samsung's Unpacked event on August 9.

Although until 9/8 of this product has just been released to the market, thanks to the appearance of the device firmware on the network, many people have extracted the wallpaper for this device so you can Any device used. Let's see what the wallpaper on Galaxy Tab S4 is interesting.
