

Download Assassin's Creed 2 game now for free on Uplay

Assassin's Creed 2 is the second installment in the Assassin's Creed series, this is a super cool action adventure game developed in 2009 by Ubisoft Montreal.

Assassin's Creed 2 is the second installment in the Assassin's Creed series, this is a super cool action adventure game developed in 2009 by Ubisoft Montreal. The game takes place in Renaissance Italy, about the adventure of Ezio Auditore da Firenze in the journey of revenge for the death of his father, a member of the Assassins.

In the game, players will be free to explore the regions of Florence, Venice, Tuscany, Forlì and accompany Ezio to find out the true people who have betrayed his family.

Assassin's Creed II received many compliments for its excellent setting, compelling storyline, impressive gameplay, and graphics.

Assassin's Creed's 2 is currently free on the Uplay platform until April 17, 2020. If you like this stealth action adventure game, quickly follow the instructions below to be able to download and experience completely free offline.
