

Download the Fontmania photo art app, which costs \$ 4.99 for free

Fontmania is an art word creation application for Apple devices that helps users create an impressive and unique card from their own photos and paintings.

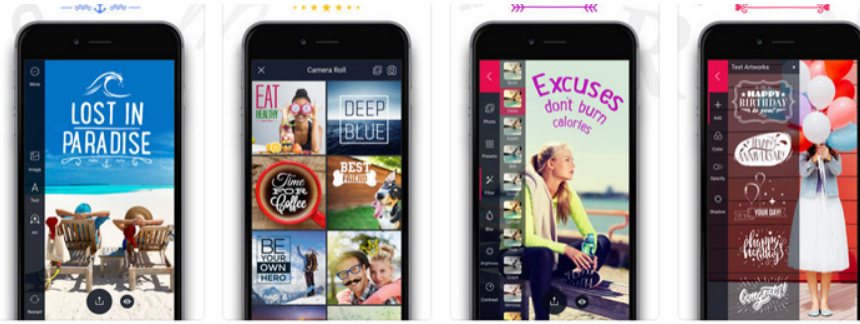

Fontmania is an art word creation application for photos for Apple devices. With this unique artistic word collage application, you will create an impressive and unique card from your own photos and paintings. Fontmania is priced at \$ 4.99, and the developer currently has a free download of this app in the short term on the occasion of the release of the new version of iOS 11 compatible and iPhone X. Quickly download this amazing application of creating typography.

Fontmania with many beautiful designs helps iOS users to personalize images, make greeting cards with messages, create Meme photos, sign or mark memorable photos . to send to you friends or post on popular social networks like Instagram, Facebook, Twitter .

How to use the application is simple: After selecting a photo from Camera Roll or taking a new camera, you choose some effects (if necessary) to make the picture shimmer. And finally, you just type the text on the image and choose to save or share the image is done.

Fontmania supports very language but only 1-2 fonts support unicode to type Vietnamese.

Download once and own this super cool app forever.
