

Download The Wolf Among Us, a great action adventure game, is free

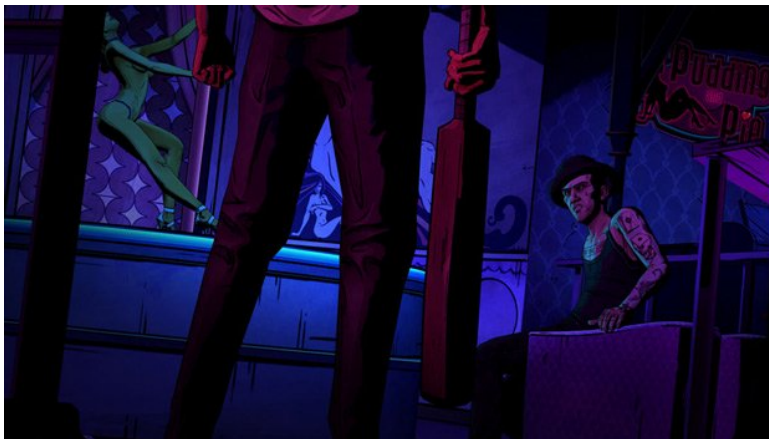

The Wolf Among Us was developed based on the famous comic series Fables of Bill Willingham with a very compelling storytelling gameplay.

The Wolf Among Us, a great adventure game is being free on Epic Games until the end of December 19, 2019. Please download the game quickly before the promotion ends.

The Wolf Among Us was developed based on the famous comic series Fables of Bill Willingham with a very compelling storytelling gameplay. In the game, you will play Bigby, a werewolf police chief, with the task of investigating the brutal murder of a woman in the town of Fabletown in New York City.

The characters in the game are not tied to a certain end so every player's decision can change the direction of the details in the game, indirectly leading to different endings.

The Wolf Among Us with attractive content and many unexpected knots, received appreciation from both professionals and players.
