

Download wallpaper Samsung Galaxy S21 high quality

The contents of the background images also hint at the rapid zoom and autofocus that are arguably the strength of the upcoming S21 Ultra model.

For each new or upcoming smartphone, besides improvements in design, configuration as well as features, another small but always receiving factor is the accompanying wallpaper set. . These wallpapers are released by the manufacturer specifically for the product, containing its own theme and meaning.

Samsung Galaxy S21 not only possesses many improvements over its predecessor, but also comes with a set of beautiful, completely new and extremely eye-catching wallpapers. This flagship model is scheduled to be officially released until the end of January 2021, but the specifications, design, appearance and especially the default wallpaper package that comes with the product have also been revealed on the internet. .

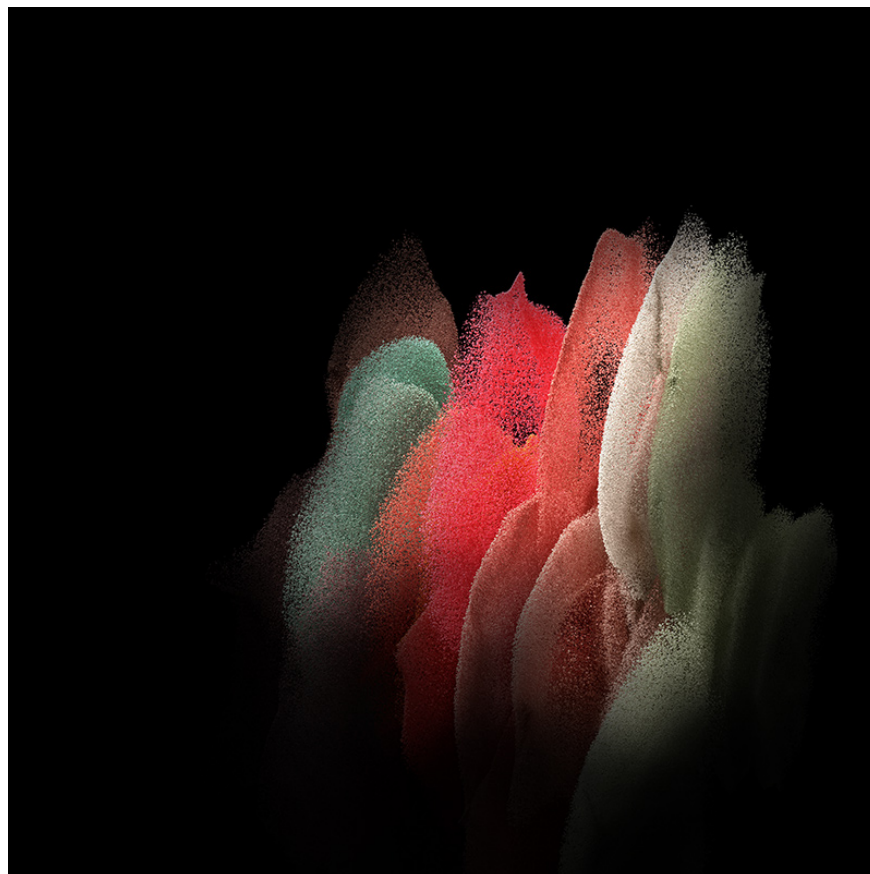

This brand new default wallpaper pack has just been publicly revealed on thisizrydah.com website. Simultaneously, it has been verified and shared by SamMobile - a reputable site about products and services from Samsung. Wallpaper pack is inspired by Galaxy S21's 'Phantom' color scheme. Additionally, the contents of the photos even hint at the quick autofocus and zoom capabilities that are arguably the strength of the upcoming S21 Ultra model. In total there are:

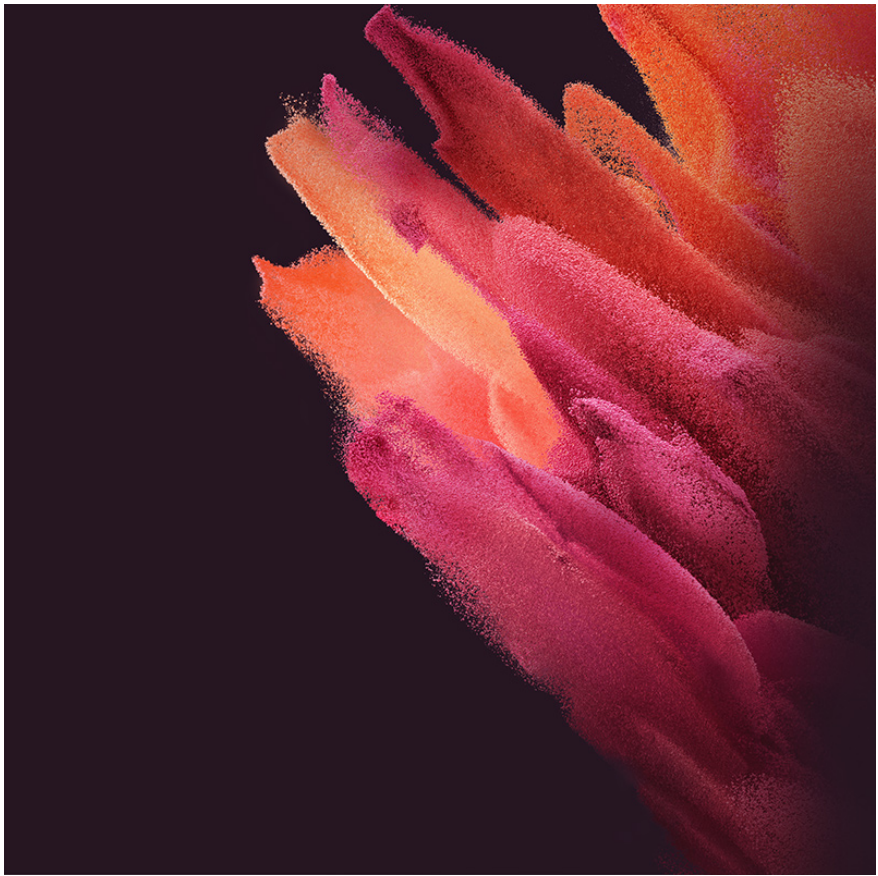

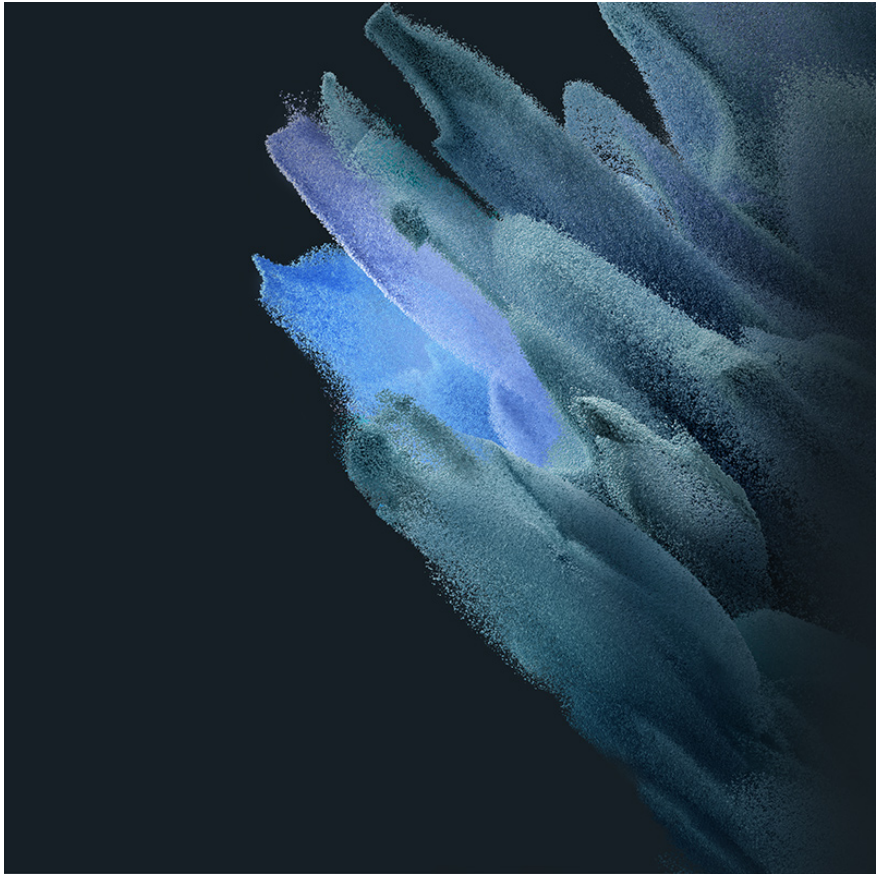

1. 12 high quality wallpapers
2. 4 wallpapers DeX high quality
3. 6 high resolution lock screen wallpapers
